(Amended July 12, 1984, effective August 1, 1984, amended September 17, 2007, effective October 1, 2007).

- (f) In the absence of an appropriate employment list, the appointing authority may designate an employee to work temporarily in a higher classification, provided the selection criteria is fair, equitable and uniform in application. - (g) Additional credit on promotional examinations cannot be obtained for work performed on a temporary basis in a higher classification; nor can the appointing authority reduce the length of the probationary period of any employee who temporarily served in a higher classification and subsequently is promoted to that classification from a Civil Service register.

Any position temporarily vacated for more than three months must be filled with a conditional or temporary appointment in accordance with Rule VI, Section 5.
- 5.4 Payment of annual leave, sick leave, terminal leave and designated city holidays shall be in accordance with the employee's pay rate in his or her primary classification.

 - (b) appropriate classifications and/or registers of eligibles are now in existence which can be utilized to fill the position in the merit system, or
 - (c) after further review it has been determined that organizational changes warrant either abolishing the position or reallocating the duties and responsibilities to other position(s) in the classified service.
- 7.3 The Commission shall have the authority to initiate such audits and investigations of positions placed in the unclassified service by the Commission, as deemed necessary to protect the integrity of the merit system and maintain an equitable relationship between positions in the classified and unclassified services.
- 7.4 If after a position formerly allocated to the unclassified service by the City Civil Service Commission has been revoked by action of the Commission, and no appropriate register of eligibles is in existence to fill the position in the classified service, the Commission may permit the individual who previously occupied the position to serve in a temporary appointment, subject to the provisions of Rule VI of these Rules.

Such salary adjustments shall not be considered either as pay increases or pay reductions, but must be reported to the Director.

- (b) That the duties and responsibilities of a position require the employment of a person with qualifications/credentials that differ significantly from those normally required for other positions in the same class, and the persons who possess such qualifications are not readily available in the labor market at the minimum entrance rate in the pay grade;
- (c) That the pay rate is subject to review by the Civil Service Commission;

No examination will open to applications until such time as the appropriate appointing authority has signed a draft of the official announcement stating the minimum qualifications and form of examination. If no agreement between the Personnel Director and appointing authority is reached on the position's minimum qualifications or form of examination, the issue may be brought before the Commission for a decision. (amended August 25, 2014, effective September 1, 2014)

2.5 The Director shall give public notice of each entrance examination at least two (2) weeks in advance of the test by posting a notice thereof in a means widely accessible to the public, such as on the Department's website or on the bulletin board maintained in or near the office of the Department, and by publishing a brief abstract of the notice in the official journal of the City and in such other manner as is considered appropriate.

Any such facts shall also be considered cause for removal of any employee.

Persons requesting an opportunity to review their results shall arrange for an appointment in the manner and on the forms prescribed by the Director. (amended May 24, 1990, effective May 24, 1990)

If the error is identified during the examination process, the Director shall halt further steps in the examination process until a determination is made regarding the effect of the error. Any errors identified on a list of eligibles shall be corrected whenever discovered during the life of the register without effect on any appointments previously made. (amended November 13, 1980)

(amended October 26, 1982, effective October 26, 1982, January 20, 1994)
- 5.2 The Personnel Director shall determine at the time any promotion list or employment list is established, the period during which the list shall remain in force, which shall not be less than three months nor more than three years at the discretion of the Personnel Director, in cooperation with the affected appointing authorities for departmental specific classifications and sub-headings. If no agreement between the Personnel Director and appointing authority is reached, the issue may be brought before the Commission for a decision. (amended January 24, 1989, effective January 24, 1989, March 17, 1994, amended August 25, 2014, effective September 1, 2014)
- 5.3 Any period during which any list may remain in force may be extended by the Director for a period no longer than three years from the date of the original establishment thereof. The Civil Service Commission may extend such lists for up to an additional two (2) years. (amended January 24, 1989, effective January 24, 1989)
- 5.4 Combining lists: When establishing a list for a class for which a list already exists, the following conditions shall apply: (amended July 25, 2001, amended December 14, 2009, effective January 1, 2010)
 - (a) If the same test was used to create both lists, the names on the current and new lists shall be placed on one list arranged according to examination score. If the name of any individual appears on both the current and new lists, his standing on the combined list shall be determined by the highest score obtained on either of the examinations.
 - (b) If the tests used to create the lists being combined are not the same, names on the new list shall precede those on the current list.
 - (c) In any case that lists are combined, names from the current list shall be removed from the combined list at the time the current list is allowed to expire. In any case that banded lists are combined, the number of the band is considered the examination score.

- 5.5 Selective certification list: Upon the prior request of an appointing authority or on his own initiative, the Director may establish a list for a part of a class, if in his judgment it is advisable for the good of the service to certify to some positions in the class only eligibles who have qualifications of age, sex, residence, physical characteristics, physical condition, training, experience, specialized knowledge, specialized manual skill, facility in the use of a foreign language, possession of a license, possession of paraphernalia, equipment or facilities, or other qualifications, which are not required in all positions of the class.
- 5.6 Promotion lists: Such lists may be established on a service-wide, or a departmental-wide basis as determined by the Director in cooperation with the appointing authorities.

Section 6. POSTPONEMENT AND CANCELLATION OF TESTS

- 6.1 In the event that a sufficient number of qualified candidates have not made application for a test, the Director may postpone the final filing date and the date of tests or cancel the tests or any of the parts thereof, and shall, in each case, give suitable notice thereof to the applicants.
- 6.2 In the event that budgetary or other changes render the establishment of a list of eligibles unnecessary, the Director may cancel the examination at any stage of the process, provided notice thereof is made to all applicants. (adopted November 13, 1980)

Section 7. REMOVAL OF NAMES FROM LISTS

- 7.1 Names of eligibles shall be removed from an eligible list by operation of any of the following causes:
- (a) Refusal of three offers of appointment under conditions previously listed by the eligible as acceptable.
 - (b) Appointment through certification from such list to fill a permanent position.
 - (c) Appointment through certification from the eligible list for another class at the same or higher compensation. In such case, at the request of the appointee, his name may be continued on, or restored to, any or all lists other than the one from which the appointment was made, for the remainder of the period of eligibility on such list.
 - (d) Filing of a statement by the eligible that he is not willing to accept appointment. Such statement of unwillingness may be restricted to a limited period of time, or to geographic locations, or positions involving other conditions of employment, as specified. The name of the eligible shall then be treated as not available and shall be passed over in certification to fill the vacancy under the conditions specified as though such name did not appear on the list. Any eligible may renew his eligibility at any time during the life of the eligible list by filing a new statement as to the time, place, or other conditions under which appointment will be accepted.

(RULE V)

- (e) Failure to respond, within the time specified in the notice, to any inquiry of the Director or appointing authority if satisfactory evidence is not furnished justifying such failure to respond.

Section 9. SUBSTANCE-ABUSE TESTING (adopted August 24, 1989, effective September 1, 1989, amended December 21, 1989, September 27, 1990, adopted December 17, 1992, effective December 31, 1992, approved February 16, 1995, effective March 1, 1995, amended June 2, 1997, effective June 2, 1997, amended February 25, 1999, effective March 1, 1999 amended February 28, 2007, effective February 28, 2007)

(RULE V)

- 9.1 In order to protect the health, welfare and safety of the public, co-workers and the individual employee, heighten efficiency and effectiveness of service to the public, and insure the continued integrity of the merit system, a comprehensive program of substance-abuse testing of applicants and employees shall be undertaken in accordance with the provisions of this Rule.
- 9.2 All individuals who apply for original entrance examinations to fill positions in the classified service of the City shall voluntarily submit to the substance abuse screening procedure as a qualifying condition of eligibility for completing the examination process.
- 9.3 At the appropriate stage of the examination procedure, determined by the nature and degree of sensitivity of the position for which application has been made, the substance abuse testing procedure shall be conducted in the following manner:
- (a) Positions that require carrying a firearm and continuing certification in its proper use shall be termed security sensitive positions per se (Category I), and all applicants for such positions shall be required to successfully complete a pre-employment substance abuse screening, as well as post-employment substance abuse screening during the probationary (working test) period. (amended September 27, 1990)
 - (b) Positions where the safety of the public, co-workers and the individual employee are at risk, shall be termed safety sensitive positions (Category II), and all applicants for such positions shall be required to successfully complete a pre-employment substance abuse screening, as well as post-employment substance abuse screening during the probationary (working test) period. (amended September 27, 1990)
 - (c) Applicants for all other positions, who are currently not city employees, shall be required to successfully complete a pre-employment substance abuse screening, as well as a post-employment substance abuse screening during the probationary (working test) period. (amended June 2, 1997, effective June 2, 1997)
- 9.4 Refusal to participate in the substance abuse screening procedure, or failure to undergo the screening procedure at the time and place designated for testing, or tampering with or attempting to adulterate the sample, shall be considered to be presumptive evidence of the individual's inability to pass the substance abuse testing procedure.
- 9.5 Any individual who either does not pass the pre-employment substance abuse screening procedure, or who does not undergo the pre-employment screening procedure at the prescribed time and place designated for testing, or tampers with or attempts to adulterate the sample, shall be considered as having failed that portion of the examination procedure.

Any individual who either does not pass the post-employment substance abuse screening procedure, or who does not undergo the post-employment screening procedure at the prescribed time and place designated for testing, or tampers with or attempts to adulterate the sample, shall be considered as having failed to successfully complete the probationary (working test) period.

9.6 Any employee who has been terminated for failure to successfully complete the substance abuse screening procedure, may again seek employment with the City in accordance with the following procedure:

- (a) Persons having achieved permanent status in a classification may be reinstated with probationary status to any class where they successfully completed the working test period.
- (b) Persons having previously attained permanent status in a classification, as well as those terminated during their probationary periods, may have their names restored to employment registers still in existence.
- (c) In addition to the aforementioned groups, any individual may make application for employment with the City pursuant to the provisions of Rule V, Section 2., Admission to Examinations.

Persons seeking employment with the City under the provisions of this section of the Rules, must submit documentation of their successful completion of a certified treatment program and continuing participation in an aftercare program, and agree in writing to voluntarily submit to unannounced substance abuse testing for a period of 24 months, if ultimately employed by any agency of City government. (adopted December 17, 1992, effective December 31, 1992)

9.7 The Director shall determine the appropriate laboratory to perform the substance abuse testing, subject to their compliance with the following criteria:

- (a) The laboratory uses the best available technology for insuring the full reliability and accuracy of substance abuse testing procedures.
- (b) The laboratory employs strict procedures governing the chain of custody of samples collected for substance abuse testing to insure the integrity of each screening sample by carefully tracking its handling from the point of collection to final disposition of the sample.
- (c) The laboratory issues reports of positive test results only where an initial positive test resulting from enzyme multiplied immunoassay technique (EMIT) screening is confirmed by a separate procedure such as thin layer chromatography or gas chromatography/ mass spectrometry.
- (d) The laboratory guarantees a minimum confidence level of 95%, by which is meant no false positive results and less than 5% false negative results.
- (e) The laboratory maintains strict confidentiality of all sample results so that at no time will the laboratory release results from any substance abuse test to anyone except an authorized representative of the Civil Service Commission.
- (f) The laboratory agrees in writing to hold the City of New Orleans harmless against any liability resulting from the laboratory's failure to comply with these or other

governmental standards. (amended September 27, 1990)

- (g) The laboratory has obtained certification from the Substance Abuse and Mental Health Services Administration (SAMHSA) and operates in accordance with those standards (amended and effective February 28, 2007).
- 9.8 An appointing authority, after having submitted sufficient justification for its request, may petition the Commission to grant approval for substance-abuse testing as an integral part of the promotional examination. If the Commission's approval is obtained, then the provisions of Sections 9.3, 9.4 and 9.5 of this Rule shall likewise apply.
- 9.9 The Director, after consultation with representatives of appropriate health and human services groups, law enforcement officials, appointing authorities, and other interested parties, shall prepare and maintain a list of substances for which testing shall be employed, as well as specific detection levels that are compatible with governmental requirements and consistent with standards normally acceptable within the industry.
- 9.10 At the time of the collection of the sample, an employee, at his or her expense, may request that a portion of this sample be made available for a separate, confirmatory test at another laboratory, which is likewise certified by the Substance Abuse and Mental Health Services Administration (SAMHSA). At all times during the process of sample transportation, testing and storage, a strict chain of custody of the sample must be maintained in accordance with acceptable industry standards, and approved by the City's Medical Review Officer. Results of this additional test shall be sent to the employee and the City's Medical Review Officer. (approved February 16, 1995, effective March 1, 1995, amended and effective February 28, 2007)
- 9.11 All employees who occupy positions that have been determined by the Civil Service Department to be either: a safety sensitive position (Category II); a security sensitive position per se (Category I); and appointing authorities who have such personnel in their employ, shall participate in a screening procedure for substance abuse in accordance with the following requirements:
 - (a) Based upon the level of funding allocated for substance abuse testing by the City Council and after consultation with the Chief Administrative Officer of the City, the Director shall determine the frequency of the testing to be instituted each year, for all employees in Category I and II positions, in accordance with the following preference: random, routine (annual), periodic, intermittent. (amended September 27, 1990)
 - (b) Times and dates of test shall not be announced in advance.
 - (c) Each appointing authority having personnel in Category I and/or Category II positions in their employ shall be responsible for the formulation of a reasonable plan for the selection and transportation of personnel to and from the collection and/or testing site.

(RULE V)

- 9.12 An employee shall be required to participate in the substance abuse screening procedure if there exists reasonable suspicion (Category III) to believe that the employee's fitness for duty is questionable, based on the following criteria:
- (a) Any observable, work-related behavior or similar pattern of conduct that appears to be abnormal, erratic or otherwise not in conformance with acceptable City policy.
 - (b) Any observable, work-related behavior or similar pattern of conduct that indicates signs of impairment in normal sensory and/or motor body functions.
 - (c) Any articulable facts or evidence that indicate possible substance abuse on the job.
 - (d) Any information or evidence that warrants, or emanates from, an authorized investigation of possible drug-related activity by a specific individual or group.
 - (e) Any pattern of alcohol and/or drug-related behavior, conduct or activity that is violative of municipal, state or federal law.
- 9.13 All employees in safety sensitive and security sensitive positions, and all other employees who may be called upon to operate equipment in the ordinary scope of their employment shall be required to participate in the substance abuse screening procedure if the employee is involved in an on-the-job accident, sustains an on-the-job injury, or is associated with a "near-miss" on-the-job incident (all these examples are included in Category IV). For purposes of this Rule:
- (a) The term "accident" refers to any occurrence which requires treatment by qualified medical personnel, causes injury or fatality, produces damage to property or material, or interrupts and/or terminates scheduled work assignments.
 - (b) The term "near-miss" refers to any incident which might have resulted in an "accident" (as defined above) but for the intervention of some special action, circumstance or event, and which was caused to any degree by violation of safety rules or procedures, by careless or negligent conduct or by the failure to use prescribed personal protective equipment.

Each appointing authority having personnel in their employ who are the subject of Category IV testing, shall be responsible for the transportation of personnel to and from the collection and/or testing site within a reasonable period of time after the accident, injury or incident occurs. Failure of the employee to participate in the substance abuse screening procedure in a timely manner may result in the forfeiture of coverage under the provisions of Rule VIII, Sections 2.9, 2.10, and/or 2.11. (amended February 25, 1999, effective March 1, 1999)

- 9.14 The identity of each employee participating in the substance abuse screening procedure shall be verified by picture identification. If circumstances make such identification too onerous, the employee's identity may be confirmed by the designated representative of the appointing authority who knows the employee's identity.

9.15 Upon receipt of written confirmation from the laboratory on a positive test result of an employee, the Director shall forward this information to the City's medical review officer for further consideration. The medical review officer shall certify in writing to the Director either the validation of the test results or the reasons that the test results should be discounted. Accordingly, the Director shall inform the employee and the appointing authority of this determination, including the positive test results when verified by the medical review officer, or the Director shall inform the employee and the appointing authority of all positive test results, or of the employee's conduct pursuant to the provisions of Section 9.4 of this Rule. Upon receipt of this information, the appointing authority shall take such action as in its discretion is deemed appropriate, after giving deference and consideration to such factors as:

- (a) The nature of the position occupied by the employee, (i.e., sensitive per se, sensitive, or non-sensitive).
- (b) The basis for which the substance abuse screening procedure was administered, (i.e., working test period, Category I, II, III, IV, V testing).
- (c) The employee's fitness for duty.
- (d) The nature and quality of the employee's performance on the job.
- (e) The employee's length of service with the City.
- (f) The severity of the employee's substance abuse problem.
- (g) The employee's acknowledgment of the substance abuse problem and willingness to seek assistance.
- (h) The existence of previous attempts at rehabilitation and their results.
- (i) The prospect of reasonable refusal by co-workers to work with the employee if the individual were allowed to remain in the City's employ.
- (j) The prospect of the employee being unable to effectively perform the job as a viable member of the organization because of loss of credibility due to substance abuse problems.
- (k) Other relevant facts or information that the appointing authority may obtain which have a bearing on continuing the individual's employment with the City.

(Section 9.15 amended September 27, 1990, amended November 20, 1997, effective December 1, 1997)

- 9.16 If, after thorough consideration, the appointing authority determines that rehabilitation rather than termination is the appropriate course of action, the employee's continued employment with the City will be conditioned on the following criteria:
- (a) Enrollment in and successful completion of a certified rehabilitation program.
 - (b) The rehabilitation program is in conformance with the standards normally acceptable within the health-care industry.
 - (c) The individual's rehabilitation program is comprised of one or more components such as treatment, counseling, recovery and after-care service, depending upon the nature and severity of the employee's substance abuse problem.
 - (d) The employee agrees in writing to remain alcohol and drug free and to undergo unannounced, post-treatment substance-abuse testing (Category V), for a period not to exceed 24 months from the date of re-entry into active work status with the City.

Failure of the employee to agree to and/or comply with these conditions shall constitute adequate grounds for the appointing authority to invoke the provisions of Rule IX, Section 1, Maintaining Standards of Service.

- 9.17 Unless otherwise specified, the provisions of Section 9.4 of this rule shall apply to all individuals and/or employees who are designated for substance abuse rehabilitation procedures pursuant to Section 9 of this Rule.

(Section 9.11 through 9.17 adopted December 21, 1989, effective January 1, 1990)

Section 10. WORKPLACE DIVERSITY AND INCLUSION

- 10.1 The City shall make efforts to provide recruitment opportunities intended to attract qualified candidates who reflect the demographics of the city. (adopted August 25, 2014, effective September 1, 2014)

RULE VI

VACANCIES, CERTIFICATION & APPOINTMENT

(amended June 13, 1956, April 1, 1966, April 14, 1966, July 6, 1972, June 13, 1974, July 22, 1975, August 9, 1979, November 12, 1981, October 26, 1982, April 12, 1983, May 12, 1983, January 21, 1988, February 24, 1988, September 21, 1989, September 27, 1990, August 19, 1993, April 20, 1995, April 29, 1999, June 19, 2006, amended March 15, 2010, effective April 1, 2010, amended March 17, 2014, effective April 1, 2014, amended August 25, 2014, effective September 1, 2014, amended November 3, 2014, effective December 1, 2014, amended June 20, 2016, effective July 1, 2016)

The purpose of this Rule is to ensure the efficient screening and assessment of applicants for promotion and appointment under a general system based on merit, efficiency, fitness and length of service as ascertained by examination which, so far as practical, shall be competitive. Every personnel action must comply with Civil Service Rules and the uniform classification and pay plan adopted by the Commission. No employee shall gain any entitlement or property right to any position or pay found to have been awarded to him or her in violation of these Rules.

Through the adoption of amendments to this Rule, the Commission may delegate certain hiring authorities to individual appointing authorities. However, the Commission shall first adopt a pilot program that will provide for delegation only to the Sewerage & Water Board for the City of New Orleans. Once the Commission delegates authority under the pilot program, the Department shall prepare and present a report to the Commission regarding the status of the pilot program every six months.

The Commission may withdraw from an appointing authority any authority delegated under these Rules at any time.

Section 1. FILLING OF VACANCIES

- 1.1 Vacancies in positions in the classified service may be filled by demotion, transfer, reinstatement, reemployment, promotion, original appointment, or temporary appointment. A vacancy shall be considered filled under any of the methods specified, and employment hereunder effective, as of the date on which the employee enters into the duties of the position, in accordance with Article X of the Louisiana Constitution and the Rules. (amended August 25, 2014, effective September 1, 2014)
- 1.2 Transfer. An employee may transfer to another position in the same class. This may occur within the same organization unit or across organization units. Each transfer requires the approval of both the employee's prospective appointing authority and of the Personnel Director. (amended April 20, 1995)

It is important to note that a transfer differs from other personnel actions such as Lateral Classification Change, Promotion and Demotion. These actions are defined in Rule I. (amended September 27, 1990, April 20, 1995)

Section 2. REQUEST FOR CERTIFICATION

(RULE VI)

- 2.1 Whenever an appointing authority proposes to fill a vacancy in the classified service, the appointing authority shall submit to the Department a statement showing the position to be filled, the duties thereof, the necessary and desirable qualifications of the person to be appointed thereto, and the proposed class, if known. The Department shall approve or deny the position allocation within seven (7) days for existing classifications and fifteen (15) days for new classifications, exclusive of Commission approval. The Department shall announce each vacancy within thirty (30) days of an approved allocation. The Department shall not withhold reasonable approval of the request unless it can demonstrate that the request violates the principles of the merit system. For the purposes of allocating positions to a class, the Department shall interpret the existing classes broadly and in accordance with Rule III Section 2.1, including, when appropriate, waiving supervisory requirements and allowing a department to leverage classes used by other departments for efficiency. If the appointing authority and the Director disagree on the position's minimum qualifications or the class allocation and are unable to resolve their disagreement, the issue may be brought before the Commission for a decision. (amended August 25, 2014, effective September 1, 2014)
- 2.2 Anticipation of need: Insofar as practicable, each vacancy shall be anticipated sufficiently in advance to permit the Director to determine who may be available for appointment, and, if necessary, to prepare a class specification, and to establish a list of eligibles.
- 2.3 Request for selective certification: When an appointing authority has specified special necessary or desirable qualifications of candidates, the Director shall certify from a list of eligibles having such qualifications, if the Director deems that the request has offered satisfactory evidence that the nature of the position to be filled warrants such certification. If it is necessary to hold a new examination to establish a list of a sufficient number of persons eligible for such selective certification, the Director may authorize provisional appointment, pending establishment of the eligible list, of any of the eligibles on an existing list for the class, or any person who demonstrates to the satisfaction of the Director that he or she possesses, in sufficient degree to have a good chance of passing the examination, the special qualifications on the basis of which the selective certification procedure is to be used. The Director shall consider each request for selective certification on the basis of the facts in that particular instance. The burden of proof shall be on the appointing authority to prove to the satisfaction of the Director that selective certification is warranted. The Director may consider the cost of giving a special examination as a factor in determining whether selective certification is warranted. (amended August 25, 2014, effective September 1, 2014)
- 2.4 Requests for Departmental and Promotional Certification: Appointing Authorities may make requests for departmental certification on any eligible list in order to broaden promotional opportunities for permanent employees. The Personnel Director shall certify from a list of eligibles, if the request has offered satisfactory evidence to support that the nature of the position and work performed warrants such certification. At the request of an appointing authority, the Personnel Director may certify only permanent employees of the department on any eligible list or all permanent employees on any eligible list. (amended August 25, 2014, effective September 1, 2014)

Section 3. CERTIFICATION OF ELIGIBLES

- 3.1 Upon a request from the appointing authority to fill a position other than by demotion, transfer, or reinstatement, the Department shall provide to the appointing authority the names of all candidates certified by the Department to meet the minimum qualifications, to have passed the examination, if any, and met any selective certification requirements requested by the appointing authority and approved by the Personnel Director. The number of names to be certified shall not be less than three. The Personnel Director may authorize an appointing authority to conduct examinations and may establish policies for appointing authority administered examinations. Such examinations shall be job-related and designed to assess applicants based on merit, efficiency, fitness, and length of service. (amended August 25, 2014, effective September 1, 2014, amended November 3, 2014, effective December 1, 2014, amended June 20, 2016, effective July 1, 2016)
- 3.2 Notwithstanding the provisions of section 3.1, the determination as to whether an applicant meets Minimum Qualifications may be done by the Department, or by an appointing authority under delegated authority granted by the Commission. Decisions made by the appointing authority may be reviewed by the Director and his/her decisions will be final. (amended June 20, 2016, effective July 1, 2016)
- 3.3 All vacancies for jobs in the classified service that are filled by probationary appointment, job appointment or promotion shall be posted on the Internet in accordance with the Director's policies and procedures. (amended June 20, 2016, effective July 1, 2016)
- 3.3 (a) Appointees must meet the Minimum Qualifications for the job. The Director may order the dismissal or demotion of any employee in the classified service who does not meet the Minimum Qualifications for his or her position. The failure of a regular employee to possess the minimum qualifications for the position to which he/she has been appointed is sufficient cause for that employee's dismissal or demotion. A regular employee subject to such a dismissal or demotion has the right to appeal to the Commission. However, his/her dismissal or demotion shall not constitute discipline under Rule IX. (amended June 20, 2016, effective July 1, 2016)
- (b) Each applicant shall be notified of the status of his or her application. When an applicant is notified that he or she does not meet Minimum Qualifications, the applicant may request that the Personnel Director review the decision. The request must be in writing and be postmarked or received within 10 days from the date of the disqualification letter. The Director shall render a decision within 20 days of receiving the request for review and such decision shall complete the review process by the Department of Civil Service. The applicant shall have no recourse to the Commission. (amended June 20, 2016, effective July 1, 2016)
- 3.4 For each vacancy in the classified service, with the exception of those filled through demotion, transfer, or reinstatement, the Director shall create, or the Commission may authorize an appointing authority to create, a certified list containing names of applicants who:
- (a) Meet the Minimum Qualifications.

- (b) Have attained any test scores required by Civil Service.
- (c) Have applied during the open period of the announcement.
- (d) Have met any other eligibility requirements established by the Director, by Civil Service rules or by law.
- (e) Have met any other job-related selective certification requirements requested by the appointing authority, approved by the Director and Appointing Authority and stated in the public vacancy announcement.

The certified list shall contain the names of not less than three eligibles.

When the applicant is eligible for veteran's preference points, these shall be noted on the certificate.

The Director shall establish policies and procedures the appointing authority must follow when creating certificates or review and approve the Appointing Authority's policies and procedures, including record keeping requirements.

An appointing authority is not obligated to fill an announced vacancy.

(amended June 20, 2016, effective July 1, 2016)

3.5

- (a) The eligibles certified shall be the highest ranking eligibles willing to accept employment, ranked in the following order:
 - 1. All the eligibles on the appropriate preferred reemployment list, if any;
 - 2. All other eligibles.
- (b) All the names on any one of such lists shall be exhausted before any names are certified from another list, but the names certified may be taken from two or more lists if necessary to make a certification of at least three eligibles. Names shall be certified from each list in the order of their rank on that list.
(amended August 25, 2014, effective September 1, 2014)
- (c) The certification of eligibles from promotional, reemployment and/or employment lists shall be presented in order of the examination score, when competitive, on the same register. (adopted June 23, 1988 effective July 1, 1988, amended October 1, 1989, amended August 25, 2014, effective September 1, 2014)
- (d) Within 45 days after such names are certified the appointing authority shall appoint one of those whose names are certified to each vacancy which is to be filled. Requisitions which are not returned within this 45 day period shall be canceled. In each case of acceptance of an appointment, such appointment shall become effective as of the date on which the appointee enters upon duty in accordance with

the Law and Rules. (amended May 12, 1983, effective June 1, 1983, May 24, 1990)

- (e) If the appropriate lists do not contain the names of a sufficient number of eligibles willing to accept appointment to make possible the certification of three eligible persons, the names of all persons on such lists who are willing to accept appointment shall be certified.
- 3.6 Where fewer than three names are certified to fill a vacancy, the appointing authority may make his appointment from the names certified. If he does not wish to make an appointment from the names certified, the Director may authorize him to make a provisional appointment.
- 3.7 If the appointing authority passes over the name of an eligible on a register in connection with three separate appointments he has made from the register, written request may be made of the Director that the name of such eligible be omitted from any subsequent certification to the same appointing authority from the same register. The name of such eligible shall thereafter not be certified to him from that register for future vacancies in that class of positions.
- 3.8 When a vacancy is to be filled in a position of a class for which there are no eligibles available for certification, the Director, whenever practicable, may certify for appointment eligibles from another appropriate eligible register. Such appointment shall be probationary and the vacancy shall be deemed to be filled in accordance with the provisions of the Law and Rules.
- 3.9 Whenever a vacancy exists in the classified service and there exists a promotion list and a reemployment list, both resulting from the identical examination, names shall be certified to fill this vacancy in the order of the grades on the original examination for this position.
- 3.10 Subject to the provisions of Rule V, Section 7, the names of persons who have been appointed from lists to fill temporary vacancies shall be continuously certified to all permanent vacancies in the class or classes of positions from which they are eligible until such time as:
 - (a) they are appointed to fill permanent vacancies, or
 - (b) their eligibility on the register or registers expires, or
 - (c) the factors affecting the temporary nature of appointments are removed.

(Section 3.7 amended February 24, 1988, effective March 1, 1988)

- 3.11 Any employee receiving a conditional appointment from a list of eligibles may upon request have his or her name returned to that list at any time during the life of said list. (adopted February 24, 1988, effective March 1, 1988)

Section 4. REINSTATEMENT AND REEMPLOYMENT

- 4.1 Persons who were separated from their positions for reasons other than fault or delinquency on their part, except as provided in Rule IX, and who, at the time of their separations, had attained permanent status in that class of positions in accordance with the Law and Rules may be included on employment lists as reemployment candidates. Reemployment candidates are required to take the most recent examination that was used to certify candidates for that register. The appointing authority shall take length of service into consideration when making appointment or promotion from an employment list. IN accordance with Rule VI, Section 4.3, preferred reemployment candidates eligible for veterans preferences as outlined in Article X of the Louisiana Constitution and Rules (*sic*), shall precede general employment lists in certification and shall be accorded any preference to which they are entitled under Article X, Section 10 of the Louisiana Constitution. In accordance with Rule VI, Section 3.2 (a) the names of eligibles on the preferred reemployment list shall be exhausted first. Except as allowed in Rule XII, Section 6.1, a person who has voluntarily retired may be reinstated, with the approval of the Personnel Director, only to the position the person last held, and in the event of reinstatement, said employee waives all pension rights while so employed. (amended April 1, 1966, June 13, 1974, January 21, 1988, effective February 1, 1988, amended December 12, 2005, effective December 12, 2005, amended August 25, 2014, effective September 1, 2014, amended November 3, 2014, effective December 1, 2014)
- 4.2 The name of a regular employee who has been laid off shall be placed automatically on the appropriate preferred reemployment list for the class of positions which he occupied. His name shall remain on this list for a period of two years from the date of separation unless removed earlier by any of the provisions of the Law or Rule V, Section 7.1. Until his reinstatement or reemployment is effected within the department or organization unit from which he was separated, or until his period of eligibility has lapsed, his name shall be certified on a service-wide basis to vacancies in that class of positions.
- 4.3 Preferred reemployment lists shall precede general employment lists in certification, provided that persons on such lists meet the requirements and qualifications, to be determined by the Director, to perform the duties of the position involved. (amended August 25, 2014, effective September 1, 2014)
- 4.4 A regular employee who has resigned from his position shall, upon his written request made within one year from the date of resignation, have his name placed on the appropriate reemployment list. Such name shall remain on that list for three years from the employee's resignation date unless removed sooner under any of the provisions of the Law or Rule V, Section 7.1. If appointed from a reemployment list, the employee returns with probationary status and must successfully complete a new working test period.
- 4.5 The name of a regular employee returning from military leave who is placed on a reemployment register in accordance with Rule VIII, Section 8.3 shall remain thereon for a period of two years unless removed sooner under any of the provisions of the Law or Rule V, Section 7.1.
- 4.6 A permanent employee who is terminated for inefficiency, delinquency, or misconduct may, within one year from separation, be reinstated with probationary status to a position

(RULE VI)

for which he is qualified having the same or lower pay grade as the current pay grade for the class of position in which he had permanent status, if recommended by the appointing authority and approved by the Director. (adopted June 13, 1956, amended April 12, 1983, effective April 12, 1983; January 21, 1988, effective February 1, 1988; amended September 27, 1990)

- 4.7 Whenever a regular employee has been promoted to a higher classification, the employee shall be granted a promotional leave of absence from the position the employee formerly occupied until the individual acquires full Civil Service status in the higher class. Until the employee acquires permanent status in the higher classification, an appointing authority may fill the vacant position only through a conditional appointment. (amended November 12, 1981, effective December 1, 1981)

Should the employee be removed by the appointing authority during the probationary period from the position to which the employee had been promoted, the employee shall be reinstated to the former position, unless the removal is for disciplinary reasons of a nature to justify dismissal of a regular employee. When reinstated as herein authorized, the employee shall not be required to serve a new working test period.

- 4.8 (a) Any regular or probationary employee who has resigned from a position or has been terminated for reasons other than inefficiency, delinquency, or misconduct and has requested reinstatement to the same department and to any classification previously occupied, may, upon the request of the appointing authority and with the prior approval of the Personnel Director, based upon the record of the employee for satisfactory service, be reinstated to that position or any position where permanent status was previously held, within a period of three (3) years from the date of separation if a vacancy exists therein and upon the completion of a satisfactory medical examination if the separation was for medical reasons. (amended April 12, 1983, effective April 12, 1983, January 21, 1988, effective February 1, 1988, amended May 19, 1988, effective June 1, 1988, amended April 29, 1999)
1. Pursuant to Louisiana Revised Statute 33:2406, if a former employee is reinstated or reemployed under this section, his pay shall be fixed at the same base rate as his last rate in his former position or the minimum salary of the position which he is reinstated or reemployed, whichever is higher.
- (b) However, if more than three years have elapsed, a former regular employee may apply for reinstatement only to the same department in the same classification as previously occupied, and subject to the following conditions:
1. The employee returns with probationary status and must successfully complete a new working test period.
 2. The minimum qualifications and job requirements for the classification have remained essentially the same. However, if the minimum qualifications and job requirements have been revised, then the former employee must meet the current criteria.
 3. In the event the former employee's personnel files are no longer in

(RULE VI)

existence, it shall be the individual's responsibility to provide documentation to the Personnel Director, that he or she successfully completed the examination process and attained permanent status in the classification in question, and subsequently left the city service under honorable conditions.

- 4.9 For a period of three (3) years, a former employee who was separated as a result of layoff, who subsequently is reinstated or reemployed under the provisions of this section, shall be considered as having had no break in service for longevity pay increases or leave accrual purposes. (adopted May 19, 1988, effective June 1, 1988, amended September 21, 1989, effective October 1, 1989, amended August 19, 1993, amended and effective June 19, 2006, amended March 15, 2010, effective April 1, 2010)
- 4.10 Any regular employee who has resigned from the classified service to enter public service in another jurisdiction may, upon the request of the appointing authority and with the prior approval of the Personnel Director, based upon the record of the employee for satisfactory service, be reinstated to the position from which the employee was separated, if a vacancy exists therein. Such reinstatement must be made within ninety (90) days of the individual's separation from the original position in the new jurisdiction which the individual entered after leaving the classified service. (amended November 12, 1981, effective December 1, 1981)

Section 5. CONDITIONAL AND TEMPORARY APPOINTMENT

- 5.1 When a position is temporarily vacated because the incumbent is on authorized leave of absence without pay for more than three (3) months, and the appointing authority desires to fill the position for the duration of the leave, he must do so by making a conditional appointment. Such appointment shall be in accordance with the provisions of Section 3 of this Rule. If an employee has been appointed to fill the position of a classified employee on leave of absence, he shall vacate the position when the employee on leave of absence returns. If the employee was appointed on a conditional basis by demotion or transfer, he shall be reinstated in his former position when the employee on leave of absence returns. If the employee was appointed on a conditional basis through certification from an employment list, he shall retain all rights he may have acquired by virtue of his service under the conditional appointment including, if he has completed his working test period, the right to have his name placed on a reemployment list, or if he has not completed his working test period, the right to have his name returned to the employment list from which his name was certified for conditional appointment, if the list still exists. He shall also be subject to all other provisions of these Rules not inconsistent with this paragraph.
- 5.2 **LIMITED-TERM APPOINTMENTS:**
Whenever the services of an extra employee are needed in any position in the classified service for a limited period of time, the appointing authority, with the prior approval of the Director, may make a conditional limited term appointment, subject to the following:
- (a) Appointing authorities requesting limited term appointments must be able to document that the position is temporary due to grant funding, seasonal work or a special project with limited funding. Conditional appointments are only granted in cases in which permanent appointments would likely cause a layoff upon conclusion of the temporary staffing need.

(RULE VI)

- (b) The names of eligibles on the appropriate employment list (s) who are willing to accept appointment may be certified.
- (c) In each case of acceptance of appointment, such appointment shall become effective as of the approved date and the vacancy shall be considered filled. Employees must serve a probationary period in accordance with Rule VII, Section I.
- (d) Conditional limited term appointments shall not exceed three years under any circumstances. The appointment shall end on the date identified on the announcement for the position or in the limited-term employment letter.
- (e) Individuals who accept limited term appointments may remain on the appropriate original entrance employment list while serving in a limited term appointment in accordance with Rule V, Section 7. Employees serving in limited term appointments are not eligible to be placed on promotional registers.
- (f) An individual shall not serve more than one 3 year limited term appointment from any one employment list.
- (g) Employees in limited term appointments who obtain permanent status are not subject to the layoff provisions in Rule XII, Section II.
- (h) Appointing authorities may terminate a limited term appointment before the term expires for cause expressed in writing. Terminations for cause are subject to appeals under Rule II, Section I. Terminations of individuals based upon the lack of funding are not appealable and the associated positions are considered eliminated.
- (i) Current permanent employees may be considered for limited-term positions and may be reinstated to their former positions at the conclusion of the limited term appointment with prior approval from their former appointing authority. These appointments are not subject to Rule VI, Section 4.7 related to promotional leave of absence.
- (j) Compensation for Limited Term positions shall be the minimum of the job classification. Exceptions due to recruitment or retention problems may be subject to special entrance rates approved by the Commission.

(Section 5.2 amended March 17, 2014, effective April 1, 2014)

5.3 Temporary appointments to positions in the classified service may be made for short periods without compliance with the provisions of this part requiring certification, as follows:

- (a) Provisional appointments. When a vacancy is to be filled in a position of a class for which there are no eligibles available for certification, the appointing authority, with the prior approval of the Director, may make a provisional appointment. Appointment of such provisional shall be made only after submission of the name

(RULE VI)

and qualifications of the intended appointee to the Director and such individual is approved for appointment. Such provisional appointment shall terminate upon the regular filling of the vacancy in any manner authorized under these Rules and, in any event, within fifteen working days after a certification from which appointment can be required. A provisional appointment shall never continue for a period in excess of one year unless it is extended by the Commission upon the Director's certification that eligibles are not available and that it is not possible or practicable to provide such eligibles.

- (b) Transient appointments. Whenever the services of an extra or substitute employee are needed in any position in the classified service for a period of less than three months, the appointing authority, with the prior approval of the Director, may make a transient appointment of any person he deems qualified to serve for the period required.

This appointment, with the prior approval of the Director, may be extended for a further period if required, but no person shall serve under a transient appointment from the same or different appointing authority for an aggregate period of more than three months in any continuous twelve month period.

- (c) Emergency appointments. Where an emergency exists requiring that a position be filled before appointment can be made under any other provision of these Rules, an emergency appointment may be made for any available person to serve until the position involved can otherwise be filled under the provisions of these Rules. No emergency appointment shall continue for more than ten days in any case, or be renewed for any further period beyond that limit. The authority for any emergency appointment is conditioned on a prompt report thereof to the Director, at the time the appointment is made.

Section 6. HEARINGS ON APPEALS FROM APPOINTMENTS, ALLOCATIONS AND PROMOTIONS

- 6.1 If any qualified candidate or employee, whose name appears on a verified appointment or promotional list, believes that his appointment, allocation or promotion has been improperly denied, he may protest the denial of such by presenting such forms or documents as the Director may prescribe. The Director, or any person designated by him, may hold special hearings to determine the facts of each case and the Director shall make his decision on the basis of the written statements and forms presented by the employee and on the facts brought out in the hearing. The employee shall have the right to appeal to the Commission if dissatisfied with the action of the Director.

(Section 6.1 adopted August 25, 2014, effective September 1, 2014)

WORKING TESTS

(as amended January 12, 1955, August 15, 1957, July 22, 1975, March 12, 1981, February 13, 1986, January 21, 1988, September 21, 1989, January 20, 1994, April 25, 1996, amended August 25, 2014, effective September 1, 2014)

Section 1. EMPLOYEES TO SERVE

- 1.1 Every person appointed to a position in the classified service after certification of his name from an original entrance employment list or a promotion list, shall be tested by a working test while occupying the position. At any time during his working test period, after the first two months thereof, the appointing authority may remove an employee if, in the opinion of the appointing authority, the working test indicates that (1) the employee is unable or unwilling to perform his duties satisfactorily or (2) his habits and dependability do not merit his continuance in the service; provided not more than three (3) employees shall be removed successively from the same position. Upon the removal, the appointing authority shall forthwith report to the Director and to the employee removed his action and the reason therefore. The appointing authority may remove an employee within the first two months of this working test period only with the approval of the Director. The Director may remove an employee during his working test period if he finds, after giving him notice and an opportunity to be heard, that the employee was appointed as a result of fraud or error. (as amended January 12, 1955)
- 1.2 If the duration of the working test period is not stated at the time of the announcement of the test for a position, the working test period shall be six (6) months in duration. No extension shall be allowed which would make the total working test period longer than one (1) year in the same position under the same appointing authority. Supervisors of probationary employees who are still employed after three (3) months shall be required to perform an employee performance assessment at three (3) months so the employees understand how they are performing and whether and how they need to improve under a performance improvement plan. (amended August 25, 2014, effective September 1, 2014)
- 1.3 Extension of time. The Personnel Director may, upon the written request of an appointing authority, with a copy to the employee, made not later than ten (10) days before the expiration of a working test period, extend the duration of such working test. No extension shall be allowed which would make the total working test period longer than one year in the same position under the same Appointing Authority. (amended January 21, 1988, effective February 21, 1988)
- 1.4 Failure by an appointing authority to give the ten (10) days prior written notice to the Personnel Director and a copy thereof to the employee shall have the same force and effect as a satisfactory report. Probationary appointments that begin or are extended on or after February 1, 1994, and were completed without the probationary appointment being terminated by the appointing authority, shall become permanent effective April 25, 1996. (amended April 25, 1996)

- 1.5 If an employee is removed from his position during or at the end of his working test period, and the Director determines that he is suitable for appointment to another position, his name may be restored to the list from which it was certified. If the employee was a regular employee in another position in the classified service immediately prior to his appointment, his name may be placed on the reemployment list for the class of positions in which he was a regular employee.

Section 2. INTERRUPTION OF WORKING TEST

- 2.1 If an employee is laid off during a working test period and subsequently reappointed by the same appointing authority from the same eligible list, he shall be given credit for the portion of the working test period completed before he was laid off.
- 2.2 If an employee is transferred during his working test period from a position under one appointing authority to a position under another appointing authority, the second appointing authority may in his discretion permit the granting of credit for the portion of the working test period previously completed.
- 2.3 If an employee is placed on military leave without pay while serving his working test period, he shall be given credit for the portion of the working test period completed before he was placed on military leave.
- 2.4 If an employee is appointed to a higher position in a like classification of work, or to a higher position in the unclassified service which position embraces essentially similar duties, responsibilities and consequent qualification requirements, before the completion of his working test period in a lower position, he shall be given credit for the uncompleted portion of the working test period if he remains in a higher position during a period equivalent to the unfinished portion. (amended August 15, 1957)
- 2.5 If an employee resigns while serving in his working test period, he may be reinstated, within a period of three years from the date of his separation, to a position in the same class from which he was separated. (amended September 21, 1989, effective October 1, 1989)

 - (c) For all other employees, payment for accrued terminal leave shall be calculated by dividing the employee's base annual rate of pay, including longevity, by 250, and then multiplying this amount by the employee's number of accrued terminal leave days. This is done to account for ten annual holidays. (amended April 20, 1995, October 24, 1996)
- 3.2 An employee who is dismissed for reasons other than fraud, theft, or misappropriation of City funds or property, and who appeals this action has two options under this section of the Rules. These are: (1) to receive terminal leave pay in accordance with other sections of this Rule; or (2) to request in writing to the Director that leave balances be maintained on the City's payroll system until the appeal and any subsequent actions by appellate courts of the State are completed. Leave without pay for an additional period of time may be granted only with the approval of the Civil Service Commission.
- (b) Appropriate personnel forms must be submitted by the appointing authority during the initial days of the period for which leave without pay was authorized in accordance with the provisions of this Section of these Rules. Personnel forms need not be submitted for periods of leave without pay which constitute less than a total workday.
- (c) At the discretion of the Appointing Authority, any employee who is absent from work without prior authorization may be carried on leave without pay for that time period on all payroll records. Such action shall not be termed as disciplinary and hence shall not warrant an appeal to the Commission.
- (d) Nothing in Section 5.1 (c) shall be intended to preclude the appointing authority from initiating appropriated disciplinary action, in accordance with the provisions of Rule IX of the Commission's Rules, where the employee's conduct merits corrective action. Further, if an employee is physically present, willing, and able to work but is barred from working by the appointing authority, such action shall be considered disciplinary.

(Section 5.1 (a)-(d) amended November 12, 1981, effective December 1, 1981; Section 5.1 (c) amended November 10, 1983, effective November 10, 1983, amended January 21, 1988, effective February 1, 1988; Section 5.1 (d) amended January 21, 1988, effective February 1, 1988, amended October 21, 2013, effective November 1, 2013.)

Any such leave heretofore granted by an appointing authority for the purpose herein expressed may be extended by such appointing authority from the date such leave was originally granted; provided, however, that the leave without pay herein authorized shall automatically end whenever an employee resigns from his unclassified position or his employment therein is otherwise terminated.

Section 7. SPECIAL LEAVE OF ABSENCE WITH PAY

- 7.1 An appointing authority may grant a regular employee special leave of absence with pay for a period not to exceed one (1) year whenever such leave is for the purpose of enabling the employee to obtain educational training necessary for the betterment of the service rendered by the department to the public. To obtain special of leave of absence with pay, it must be clearly demonstrated that the course of study is related directly to the work of the department. No special leave of absence with pay can be granted until the approval of the City Civil Service Commission is obtained. (amended September 12, 1963.)

Section 8. MILITARY LEAVE WITHOUT PAY

The employee shall be entitled to be restored to the position which he vacated, provided application is made in writing to the appointing authority of the agency wherein he was formerly employed within ninety (90) days from the date of honorable discharge or discharge under honorable conditions, or from hospitalization continuing after discharge for a period of not more than one year, if the person is physically and mentally capable of performing the work of the position to the satisfaction of the appointing authority. (amended February 21, 1991)
- (a) In the case of an employee who was placed on military leave while serving a working test period, such an employee, upon returning to his position, shall be required to serve the remaining portion of the working test period before gaining permanent status in the class of positions. (effective February 21, 1991)
 - (b) An employee who was placed on military leave while in provisional status shall be restored to the former position on a provisional basis unless the position has already been filled by appointment from a list of eligibles. If there is a list of eligibles, but no appointment has been made, the employee returning from military leave shall be allowed to take the examination and then the position shall be filled by appointment from such list, subject to the provisions of Rule VI, Section 3. (adopted February 21, 1991)
 - (c) An employee who was placed on military leave while in transient status shall be eligible to resume and complete the remainder of the three months term specified in Rule VI, Section 5,3 (b). (adopted February 21, 1991)
- 8.2 In the event the position vacated by a permanent or probationary employee entering the armed services no longer exists at the time he or she qualifies to return to work, such person shall be entitled to be reemployed in any position of the same classification within that agency wherein the person was employed, provided such reemployment does not necessitate the laying off of any employee who was appointed at a earlier date than the person returning from military leave. (effective February 21, 1991)

- 8.3 In the event a position vacated by a permanent or probationary employee entering the armed services no longer exists at the time he or she qualifies to return to work, and there is no other position in the agency to which the employee is entitled to reemployment, the name of such person shall be placed upon an appropriate reemployment list or lists by the Director, and the Director shall take all steps consistent with the provisions of the Civil Service Law to effect the reemployment of such person at the earliest date possible. Names of persons placed on the reemployment lists under the provisions of this Section shall be given preference in certification.
- 8.4 Any position vacated by a person going on authorized military leave without pay may be filled only by a conditional appointment in accordance with Section 5 of Rule VI. A regular employee temporarily occupying a position vacated by a person entering the armed services shall be entitled to all benefits of the Civil Service Law and Rules that the employee might otherwise have, except as herein provided. If and when such regular employee is required to vacate a position as a result of the reemployment of a person who has returned from military leave, the employee shall be entitled to be demoted or transferred to his or her former position, provided such demotion or transfer does not necessitate the laying off of any person who was appointed at an earlier date than such person being demoted or transferred; otherwise the employee shall be eligible for placement on an appropriate eligible list. (amended February 21, 1991)
- 8.5 A person on authorized military leave of absence shall be permitted to take any promotional examination missed because of being on leave, provided such examination is taken during the life of the appropriate eligible list and prior to that announcement of the next examination for the same class of positions. (adopted May 22, 1986, effective May 22, 1986, amended March 15, 2010, effective April 1, 2010)

In order to determine the ranking of regular employees for an anticipated layoff, each employee's service rating for no more than the past three years of consecutive service are averaged; however, if a layoff is invoked prior to March 1, all available ratings from the prior three years will be averaged. The resultant scores are ranked in ascending order and grouped as follows: (amended March 18, 1993)

- (a) Unsatisfactory service rating scores falling between 1.0 and 1.5 are the lowest average service rating.
- (b) Needs Improvement service rating scores falling between 1.6 and 2.5 are the next ranking group.

(RULE XII)

- (c) Competent service rating scores falling between 2.6 and 3.5 are the next ranking group.
- (d) Exceeds Requirements service rating scores falling between 3.6 and 4.5 are the next ranking group.
- (e) Outstanding service rating scores falling between 4.6 and 5.0 are the highest ranking group.

5.2 The following points govern special cases in using service ratings during layoffs.

- (a) Any regular employee who, in accordance with the provisions of Rule VIII, Section 6.1 has been granted a leave of absence to accept a position in the unclassified service of the city, shall be given an annual service rating by the appropriate appointing authority in the unclassified service, pursuant to the requirements of Rule XI, Section 1.2 and shall be ranked for the purpose of layoff.
- (b) Service ratings received for rating periods which occurred prior to any break in consecutive service shall not be included in the computations of the employee's average rating. (amended March 13, 1986, effective March 13, 1986, amended March 15, 2010, effective April 1, 2010)

Section 6. RESTORATION AND TRANSFERS

- 6.1 After the sequence of layoff steps has been completed and an ordered list of employees in the designated class has been compiled, any regular employee scheduled for layoff, who has permanent status in a class having an equal or lower pay grade regardless of the organization unit, shall be restored to that class. All employees in that class shall then be ranked in accordance with the provisions of this Rule if the need for further reduction exists. (amended May 22, 1986, effective May 22, 1986, amended September 27, 1990)
- 6.2 When a regular employee is restored to a lower class pursuant to this Rule, the employee's base rate shall be either thirty-five (35) percent above the minimum for the lower class or the base rate the employee would be receiving had he or she remained in the lower class, whichever is higher. However, in no case shall the employee's rate of pay be increased as a result of the restoration to the lower class. (adopted by the Civil Service Commission March 21, 1991, approved by the City Council April 4, 1991)
- 6.3 Upon completion of the mechanics of the layoff steps, transfers shall be effected for those eligible employees whose present positions have been abolished, but who have a higher rank on the service-wide layoff list than other employees in organization units throughout the classified service.

The opportunity for selecting positions scheduled to become available when the layoff of personnel is actually implemented, shall be given to individuals according to their rank on the layoff list in the manner deemed most practicable by the Personnel Director. However, no appointing authority shall be required under the provisions of this Rule to accept any employee previously dismissed from that agency. (amended March 13, 1986)

Section 7. PAYMENT OF TERMINAL LEAVE

- 7.1 Those employees who are scheduled to be laid off must be paid for all terminal leave upon separation from service.

Section 8. PREFERRED REEMPLOYMENT BENEFITS

- 8.1 The name of regular or probationary employees who are laid off shall be placed on a preferred reemployment register for the class that the employee occupied at the time of separation, except as provided for by Rule XII, Section 8.3 (b). Persons whose choice of retirement is due to a layoff, shall be placed on appropriate preferred reemployment registers (see also Rule VI, Section 4). If during a layoff employees are also reduced from a higher classification and restored to a lower classification in accordance with the provisions of this Rule, their name shall also be placed on the preferred reemployment register for each classification from which they were thus removed.

- 8.2 Preferred reemployment registers shall be established, for a period not to exceed two (2) years from the date of the layoff.

- 8.3 (a) Preferred reemployment registers will be composed of bands that are compiled in the following order:

1. Band 1 will consist of persons laid off from the classification and who have a service rating average of Outstanding, as defined in Rule XII, Section 5.1.
2. Band 2 will consist of persons laid off from the classification with a service rating average of Exceeds Requirements, as defined in Rule XII, Section 5.1.
3. Band 3 will consist of persons laid off from the classification who failed to receive a rating as described in Rule XII, Section 3.3 (f).
4. Band 4 will consist of persons laid off from the classification with a service rating of Competent, as defined in Rule XII, Section 5.1.
5. Band 5 will consist of names of persons laid off from the classification who have completed their probationary status and have attained permanent status but who have not received a service rating.
6. Band 6 will consist of names of persons laid off from the classification who have probationary status and do not have permanent status in a lower classification.

- (b) Persons laid off with a service rating average of Needs Improvement or Unsatisfactory as defined in Rule XII, Section 5.1 are not eligible for preferred reemployment.

(RULE XII)

- 8.4 An organization unit may not make an appointment from a lower band if there remains an eligible in a higher band who was laid off from the organization unit, except when such eligible fails to respond to offers of employment as outlined in Section 8.7 of this Rule.
- 8.5 All employees who have been placed on a preferred reemployment register for a class shall be considered for reemployment in any vacant position in that class or in any other class for which the Director has deemed the register to be appropriate. Once a preferred reemployment register has been established, and until the expiration of that register, said register pre-empts all other methods of filling vacancies in that classification and in any other classification for which the Director has deemed that register to be appropriate. However, the following exceptions to the preeminence of this register are provided:
- (a) promotions in an established career series (for which experience at the next lowest level is the principal qualification)
 - (b) transfers from one organization unit to another
 - (c) transient or emergency appointments as described in Rule VI, Section 5.

(amended March 13, 1986, amended December 12, 2005, effective December 12, 2005, amended March 15, 2010, effective April 1, 2010)

- 8.6 A former employee on a preferred reemployment list resulting from a layoff, who accepts an offer of reemployment within two (2) years from the date of layoff, shall be considered as having had no break in consecutive service for longevity pay increases or leave accrual purposes. Additional benefits may be provided under Rule VI, Sections 4.8 (b) or 4.9.
- 8.7 A former employee on a preferred reemployment list resulting from a layoff, who declines or fails to respond to a total of three (3) offers of reemployment, shall be removed from the preferred reemployment list for that classification and all lower classifications in the same job series and will have no further preferred reemployment rights for those classes. In addition, said former employee forfeits the benefits provided by Section 8.6 of this Rule.

(amended March 13, 1986, effective March 13, 1986; May 19, 1988, effective June 1, 1988; amended April 20, 1995, effective May 1, 1995, amended March 15, 2010, effective April 1, 2010)

Section 9. FURLOUGH TO AVOID LAYOFF

- 9.1 When the Mayor determines that it is necessary to furlough employees within an organization unit(s) in order to avoid a layoff, the furlough may proceed, subject to the following provisions:
- (a) The Mayor shall submit for approval to the Personnel Director, no later than thirty (30) calendar days prior to the effective date, a written request which must include the reasons for the reduction, the number of work hours or days reduced for each employee, the proposed effective dates and periods of time involved, and the organization unit(s). It shall also include the names and titles of employees to be exempted, if any, and the reasons for the exemption.

(RULE XII)

- (b) The number of work hours reduced for an employee shall not exceed the equivalent of twelve (12) leave days in any consecutive 12-month period without approval of the Civil Service Commission and only after a declaration from the Mayor that extraordinary circumstances exist.
- (c) Employees will not be subject to Rule VIII, Section 1.1(e) or Section 2.1(d) for the affected period of time.
- (d) This action shall not be considered disciplinary and shall not afford any employee a right to appeal to the Commission except as provided in Rule II, Section 4.5 of these Rules.
- (e) Employees will not be allowed to substitute paid leave for mandatory furlough time.
- (f) The appointing authority shall furnish to the employee involved a written statement of the reasons for the furlough at least (10) days prior to the effective date.
