

RESPONDING TO FALSE ALARMS

Burglar alarms **11%** make up of all NOPD calls for service.

98.8% of every reported alarm is a false alarm.

Nearly **1** in **3** emergency responses is a false alarm.

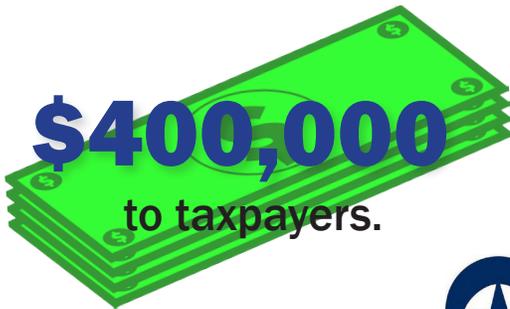

12,000 man hours spent every year responding to false alarms.

In 2014 **48,000** NOPD False Alarms responded to

At an annual cost of **\$400,000** to taxpayers.

New policy will **reduce false alarms** and **improve response times** for actual crimes

Reduction will save equivalent of **6 full-time officers**
