DELGADO COMMUNITY COLLEGE HOSTS

the

PRAXAIR SKILLS PIPELINE WORKFORCE DEVELOPMENT PROGRAM KICKOFF

WELDING

Praxair is collaborating with the *Louisiana Community and Technical College System*, the *Workforce and Innovation for a Stronger Economy (WISE)* program, and Delgado Community college to offer a unique opportunity for you to spark a new career in welding!

The Praxair Skills Pipeline program provides funding to train 100 new welders in an accelerated one-year curriculum, at no cost to the student.*

The program also provides funds for instructorships, continuing education for existing welders and professional development opportunities. This community engagement program was developed to meet the strong demand for skilled welders and is an example of the company's continued commitment to developing a robust pipeline of men and women in the skilled trades.
