

## **NORDC Maintenance Crew Supervisor (New Orleans)**

The New Orleans Recreation Development Commission is hiring a Supervisor to oversee labor and park crews in the Maintenance division. Skilled work in assigning, supervising and coordinating the field and shop activities of multiple work crews engaged in maintenance and janitorial duties at playgrounds and recreation centers. Must have knowledge and experience in operating maintenance tools and equipment; able to communicate well verbally and in writing; able to perform basic computer functions in email, Word and Excel; able to keep accurate records; able to work outdoors for extended periods of time. Must have at least one year of experience performing semi-skilled maintenance or construction work, with some supervisory experience. Must possess a high school diploma or GED equivalent. Valid driver's license, Criminal background check, and Drug Screen are required. This is a Civil Service position.

- Location: New Orleans
- Compensation: \$34,368/year
