Drug Treatment Facilities  
 • Louisiana Department of health

**Revised Statute 40:981.3** establishes that Drug Free Zones are inclusive of any properties used for school purposes, drug treatment facilities, religious buildings, public housing authority property, child care centers or within two-thousand feet of any such properties. This statute further states that religious buildings, public housing authority property, and child care center properties must post the area as a Drug Free Zone for them to be established. This map depicts the location of all school properties and drug treatment facilities and two-thousand foot buffers from each of these properties.

For more information about Drug Free Zones, please refer to the following statutes:
