I. STRUCTURE

A. Composition

There shall be attached to the City Planning Commission a Board of Zoning Adjustments. The Board shall consist of seven members who shall be domiciled in and electors of the city, appointed by the Mayor with the approval of the Council for five-year terms, staggered so that the term of one or two members shall expire each year. Neither the Executive Director nor any member of the City Planning Commission shall be a member of the Board.

A member may be removed for cause by the appointing authority provided that such removal shall be only for reasonable cause set forth in writing. Any member so removed shall have reasonable opportunity to be heard publicly before the City Council and in such event the removal shall be effective only if approved by a majority of the City Council. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant and the same manner as the original members were appointed.

B. Functions

The Board shall:

1. Hear and determine appeals from applicants who have been refused building permits because of a violation or conflict with the zoning ordinance or the official map of the City.
2. Hear and decide appeals where error is alleged in any order, requirement, decision, or determination made by an administrative official in the enforcement of the zoning ordinance of the City.
3. Have the power to permit variations from the zoning regulations in classes of cases or situations, and in accordance with the principles, conditions and procedures specified in and subject to the limitations imposed by the zoning ordinances of the City.
4. And other functions as provided by law.

C. Officers

Annually, at the first meeting on or after July 1st of each year, the Board shall elect from its members a Chair and a Vice-Chair as it shall deem necessary and proper. The Chair and Vice-Chair shall serve until June 30th of the following year or until their successors have been elected and qualified and may, if duly elected by the members, succeed themselves. The duties of the Chair shall include the following:

1. The Chair shall preside at all meetings and hearings of the Board. In the event of the absence or disability of the Chair, the Vice-Chair shall preside.
2. The Chair may designate members of the Board to make personal inspections when necessary from time to time, and unless directed shall appoint such committees as may be found necessary.
3. The Chair shall report at each meeting on all official transactions or communications that have not been otherwise communicated to the Board.
4. The Chair shall, subject to these rules, and further instructions from the Board, transact the official business of the Board, supervise the work of the staff and exercise general disciplinary power.
5. The Chair subject to these rules and limitations shall decide all meeting protocol unless otherwise directed by a majority of the Board in session at the time.

D. Staff

The City Planning Commission staff shall serve as staff to the Board. The staff assigned to the Board, subject to the provisions of these rules and the direction of the Board and its Chair, shall conduct all correspondence of the Board; send out all notices required by these rules and the order of the Board; shall attend all meetings of the Board and all hearings; shall review all appeals and applications for variations to see that these rules are complied with; shall keep the dockets and minutes of the Board's proceedings; shall compile all required records; shall maintain the necessary files and indexes; generally supervise all the clerical work of the Board; and shall retain in the records the original papers acted upon by the Board, or digital copies of the same in compliance with public records laws.

II. PROCEDURES

A. Pre-Application Meeting and Project Neighborhood Participation Program

1. All applications for variances must include a Project Neighborhood Participation Program (NPP), except for variance applications involving a single-family or two-family dwelling, in compliance with *Article 4, Section 4.6.D of the Comprehensive Zoning Ordinance*.
2. The NPP meeting shall be held in a convenient location within a one (1) mile radius of the petitioned site. If conditions are acceptable, the meeting may be held at the petitioned site. B. Applications

Every appeal or application made to the Board shall be made on the forms provided by the Board, and shall be accompanied by the payment of the appropriate filing fee and submitted to the City Planning Commission office. The application form shall be accompanied by the data required in such form so as to supply all the information necessary for a clear understanding and intelligent action of the Board. The completeness of appeal or the application shall be determined and the appellant or applicant shall be appropriately notified in compliance with *Article 3, Section 3.2.B. of the Comprehensive Zoning Ordinance*.

The staff may request from the appellant or applicant such additional information and data as may be required to fully advise the Board, whether such information and data is called for by the official forms or not. Any failure or refusal on the part of the appellant or applicant to furnish such additional information or data may be grounds for the denial or deferral of the appeal or application by the Board.

The action in each case must be based largely on the information so furnished. The condition(s) of the approval of the Board will be incorporated in the resolution granting the approval. Such conditions may be required to be fulfilled prior to the final granting of the request.

Every appeal of the decision of the Director of the Department of Safety and Permits shall be taken within forty-five (45) days from the date of refusal of a permit or date of order, ruling, decision or determination by the Director of the Department of Safety and

Permits. Appeals or applications taken after forty-five (45) days from the date aforesaid shall not be considered by the Board¹.

Applications submitted after the established docketing deadline will docketed based on the adopted docketing schedule.
4. Items shall be heard in the order in which they appear on the agenda, except that:
 - a. An appeal or application may be advanced for hearing by order of the Board upon good cause shown; and

L. Expiration of Approval and Extension of Time

1. A variance expires one (1) year from the date of approval unless a building permit is obtained within such period and substantial construction is started or the use is commenced within such period. Unless otherwise prohibited, the Executive Director of the City Planning Commission may extend the time for expiration of a variance for a period not to exceed one (1) year upon a showing of good cause by the applicant. A request for extension shall be made in writing within the original period of validity. An extension for a period in excess of one (1) year may be granted only by the Board of Zoning Adjustments in accordance with number 2 below.
2. The holder of a variance may petition the Board of Zoning Adjustments for a longer extension of time. A request for extension shall be made in writing within the original period of validity. The Board shall hold a public hearing and decide whether to extend the time period. Notice for the public hearing is required in accordance with *Article 3, Section 3.3 of*

the Comprehensive Zoning Ordinance. The applicant and the owner of record of the property shall be notified of a public hearing to be conducted by the Board of Zoning Adjustments. Following the public hearing, the Board shall render its decision whether to grant an extension of such period with good cause shown, subject to verification that the approval standards of Paragraph F above are still met.

M. Minutes

The Board shall keep minutes of its proceedings. Such minutes shall include, but need not be limited to: the date, time and place of the meeting; the members of the public body recorded as either present or absent; the substance of all matters decided, the vote of each member upon each question, and any other information that the Board requests be included or reflected in the minutes.

It shall be the duty of the staff to keep a true and correct record of all proceedings at meetings, both general and special of the Board. The staff shall provide certified copies of the minutes of all such proceedings to the Directors of the City Planning Commission and the Department of Safety and Permits.

The Board shall keep records of its examinations and other official actions on file in the office of the Board and all of the above shall be public record. All testimony, objections thereto, and rulings thereon shall be recorded.

III. GENERAL RULES

A. Ethical Procedures

The Board members shall conduct themselves in accordance with the City Charter, the Code of Ethics for the City of New Orleans (2-716 et seq, City Code) and the State Ethics Code (R.S.42:1101 et seq.).

B. Ex-parte Contacts

Board members shall not permit interviews, formal or informal, written or verbal, with any interested party, elected official, developer or applicant relative to a case before the Board. These ex-parte contacts are improper or give the appearance of impropriety, since all interested parties are not included.

No member or members of the Board shall permit interviews, formal or informal, written or verbal, to any petitioner or petitioners, nor to any representative of such party or parties or to any individuals, or group. Nor shall any Board member or members in any way pledge themselves to such a party or group or in any way express themselves to such party or group prior to a required public hearing or prior to a Board meeting at which time the matter will be considered.

However, this shall not preclude the discussion by members of procedural or other matters unrelated to the merits of a proposal awaiting Board consideration.

C. Advice

No informal requests for advice on moot questions will be considered by the Board or any individual members of the Board.

D. Standards for Variances

The Board of Zoning Adjustments shall not authorize a variance from the requirements of the Comprehensive Zoning Ordinance unless it shall make findings based upon the evidence presented to it that each request shall indicate all of the following:

1. Special conditions and circumstances exist which are peculiar to the land or structure involved and are not generally applicable to other lands or structures, in the same zoning district.
2. Literal interpretation of the provisions of the Comprehensive Zoning Ordinance would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of the Comprehensive Zoning Ordinance.
3. The special conditions and circumstances do not result from the actions of the applicant or any other person who may have or had interest in the property.
4. Granting the variance requested will not confer on the applicant any special privilege which is denied by the Comprehensive Zoning Ordinance to other lands or structures, in the same district or similarly situated.
5. The variance, if granted, will not alter the essential character of the locality.
6. Strict adherence to the regulation for the property would result in a demonstrable hardship upon the owner, as distinguished from mere inconvenience.

7. The purpose of the variance is not based exclusively upon a desire to serve the convenience or profit of the property owner or other interested party(s).
8. The granting of the variance will not be detrimental to the public welfare or injurious to other property or improvements in the neighborhood in which the property is located.
9. The proposed variance will not impair an adequate supply of light and air to adjacent property, or increase substantially the congestion in the public street, or increase the danger of fire, or endanger the public safety.

E. Amendments to Variances

The procedure for amendment of a variance already approved, or a request for a change of conditions attached to an approval, shall be the same as for a new application

F. Resolutions

Every resolution shall require a majority vote of the Board's entire membership at a legally constituted meeting.

G. Decisions Taken by the Board

The Board may, in conformity with the provisions of *Article 4, Section 4.8 of the Comprehensive Zoning Ordinance*, reverse or affirm wholly or partly, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the Director of the Department of Safety and Permits. The concurring vote of four (4) members of the Board shall be necessary to reverse any order, requirement, decision or determination of the Director of Safety and Permits, or to decide in favor of the applicant on any matter, or to effect any variance of such ordinance.

Motions failing to obtain the concurring vote of four (4) members of the Board shall result in the denial of the request.

The decision, with reasons therefor, shall be filed in the office of the Board within 10 days of the actual vote. Failure to file the decision shall not delay issuance of permits in accordance with a favorable vote so long as conditions attached to said permits are in accord with action of the Board.

If a request is **APPROVED**, the approval is valid for one year from the BZA "Filed" date. Conditions attached to the approval must be fulfilled prior to the release of the building permit or the use and occupancy certificate.

If the request is **APPROVED WITH MODIFICATIONS**, the approval is valid for one year from the BZA "Filed" date. Conditions attached to the approval must be fulfilled prior to the release of the building permit or the use and occupancy certificate.

If the request is **DENIED**, the applicant cannot resubmit the same application for the original claim until two years from the date of the filing of the original resolution unless substantial new evidence is available or a significant mistake in law or fact affected the prior denial, in compliance with *Article 3, Section 3.2 E of the Comprehensive Zoning Ordinance*. Nothing contained herein shall prevent the applicant from filing a different application.

H. Withdrawal of Application

An applicant may withdraw an application as provided below. There will be no refund of fees. Request for withdrawal shall be made in writing by the applicant or legally authorized agent. Applications for variances may be withdrawn prior to a decision by the Board of Zoning Adjustments without prejudice and may thereafter be resubmitted without limits.

Applications for zoning appeals may be withdrawn prior to a decision by the Board of Zoning Adjustments without prejudice. However, if an application that was withdrawn is resubmitted, the new submittal shall still be filed within forty-five (45) days of the date the decision appeal was rendered.

I. Right to Appeal

Any person or persons, or any officer, department, commission, board, bureau, or any other agency of the City of New Orleans jointly or singularly aggrieved by any decision of the Board of Zoning Adjustments may present to the Civil District Court of the Parish of Orleans, within thirty (30) days after filing of the decision in the office of the Board, a writ of certiorari asking for such relief and under such rules and regulations as are provided for such matters in appropriate legislation of the State of Louisiana.

IV. REASONABLE ACCOMODATION

A. Purpose Statement

It is the policy of the City of New Orleans, pursuant to the federal Fair Housing Amendments Act of 1988 and applicable state laws, to provide individuals with disabilities reasonable accommodation in the City's zoning and land use regulations, rules, policies and practices to disabilities. Reasonable accommodations in the zoning and land use context means providing individuals with disabilities, or developers of housing for people with disabilities, flexibility in the application of land use, zoning and building regulations, policies, practices and procedures or even waiving certain requirements, when it is necessary to eliminate barriers to housing opportunities.

B. Process

An application for reasonable accommodation may be made by an individual with a disability, his or her representative, or a developer or provider of housing for individuals with disabilities as set forth in *Article 27 of the Comprehensive Zoning Ordinance*.

Requests for reasonable accommodation made pursuant to *Article 27 of the Comprehensive Zoning Ordinance* shall be reviewed by the Executive Director of the City Planning Commission, using the criteria set forth in *Article 27, Section 27.5 of the Comprehensive Zoning Ordinance*.

C. Decision

The Executive Director shall issue a written decision on a request for reasonable accommodation within (30) days of the date of application, and may grant, grant with modifications, or deny a request for reasonable accommodation in accordance with the requirements set forth in *Article 27, Section 27.5 of the Comprehensive Zoning Ordinance*.

If necessary to reach a determination on the request for reasonable accommodation, the Executive Director may request further information from the applicant consistent with applicable fair housing laws, specifying in detail the information that is required. If such a request for additional information is made, the running of the thirty (30) day period to issue a decision is stayed until the applicant responds to the request.

In making the findings, the Executive Director may approve alternative reasonable accommodations that provide an equivalent level of benefit to the applicant with respect to (a) enabling the individuals with the disability to use and enjoy the dwelling or (b) making the development of housing for individuals with disabilities financially or practically feasible.

If the Executive Director fails to render a decision on the request for reasonable accommodation within the thirty (30) day period established in Section 27.4 of the Comprehensive Zoning Ordinance, the request shall be deemed granted.

D. Appeals

Within thirty (30) days of the date of the Executive Director's decision, an applicant may appeal an adverse decision to the Board of Zoning Adjustments. Such appeals shall be made in writing, using the appropriate city form and in compliance with the standards of Article 27, Section 17.7 of the Comprehensive Zoning Ordinance.

Nothing herein shall preclude an aggrieved individual from seeking any other state or federal remedy available.

IV. AMENDMENTS

These rules may be amended or modified at any regular meeting of the Board by the affirmative vote of five (5) members or 2/3 majority of the Board membership, provided that such amendment is presented in writing at a regular meeting and action taken thereon at a subsequent regular meeting.

Thereafter each alternate member shall be appointed for a term of three years. Alternate members shall serve only when called upon to form a quorum, and when so serving shall have all the powers and duties of regular members.

- C. (1) Meetings of the board shall be held at the call of the chairman and at such other times as the board may determine. The chairman, or, in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. All meetings of the board shall be open to the public. The board shall keep minutes of its meetings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating that fact and shall keep records of its examinations and other official actions, all of which shall be filed immediately in the office of the board and shall be public records. Appeals shall be taken within a reasonable time, as provided by the rules of the board, by filing with the officer from whom the appeal is taken, and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken.
 - (b) An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the board of adjustment after the notice of appeal shall have been filed with him, that, by reason of facts stated in the certificate, a stay would, in his opinion, cause imminent peril of life or property. In such case proceedings shall not be stayed otherwise than by a restraining order that may be granted by the board of adjustment or by a court of record on application or notice to the officer from whom the appeal is taken and on due cause shown.

- (c) The board of adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the interested parties, and decide the appeal within a reasonable time. Upon the hearing any party may appear in person or by agent or by attorney.

 - (b) To hear and decide all matters referred to it or upon which it is required to pass under the ordinance.

- D.
 - (1) In exercising the above mentioned powers the board may in conformity with R.S. 33:4721 through R.S. 33:4729, reverse or affirm, wholly or in part, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken from.
 - (2) The concurring vote of a majority of the members of the board present and voting shall be necessary to reverse any order, requirement, decision, or determination of any administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any ordinance, or to effect any variation in the ordinance.
- E.

- (2) Upon the presentation of such petition the court may allow a writ of certiorari directed to the board of adjustment to review the decision of the board of adjustment and shall be prescribed therein the time within which a return may be made and served upon the relator's attorney, that shall be not less than ten days but which may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from but the court may, on application on notice to the board and on due cause shown, grant a restraining order.

The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.
- (4) If, upon the hearing, it shall appear to the court that testimony is necessary for the proper disposition of the matter, it may take additional evidence or appoint a referee to take such evidence as it may direct and report the same to the court with his findings of fact and conclusions of law, which shall constitute a part of the proceedings upon which the determination of the court shall be made.
- (5) The court may reverse or confirm, wholly or in part, or may modify the decision brought up for review. Costs shall not be allowed against the board unless it appears to the court that it acted with gross negligence, in bad faith, or with malice in making the decision appealed from. All issues in any proceedings under this Section shall have preference over all other civil actions and proceedings.
