# How to Use this Book

---

The budget document is organized into the following sections:

## **The Mayor’s Budget Message**

The Mayor gives residents an overview of the proposed budget, describes the priorities for the upcoming year, and articulates the issues the City considered when creating the budget.

## **Engaging the Community in Budgeting**

This section describes the ways the City engaged the community in the budgeting process through Community Budget Townhall meetings, surveys, and American Rescue Plan (ARPA) public meetings. This section also provides the results of the surveys identifying residents’ *Top Five Budget Priorities* and the budget priority areas that matter most to residents and their families.

## **City’s Budget Priorities**

This section outlines the budget priorities that frame the City’s proposed budget allocations. It articulates the major issues facing the City in developing the budget and the describes the actions and initiatives to be taken to address these issues.

## **Budget Highlights**

This section provides a summary of significant budgetary items and trends. In an easy-to-understand format, this section gives an overview of *Where the Money Comes From* and *Where the Money Goes*.

## **City Background and Organizational Information**

This section provides a profile of the City. This section lists the City Council members, including the Council District map. This section also explains the functional nature of city government illustrated through organizational charts, including the organization chart for the City of New Orleans and detailed charts for the Mayor’s Administration and Chief Administrative Office.

## **Strategic Overview**

This section includes the City’s strategic vision and the City’s strategic framework – Forward Together, which concisely communicates the policies and priorities driving the budget process. The Forward Together Framework was created with the community and for the community and guides the City’s overall direction. This section defines the City’s strategic priority areas – *Public Safety as Public Health, Investing in Infrastructure, Quality of Life, Economic Development, and Good Governance is Inclusive Governance* – and highlights the City’s goals and key initiatives that align city services with these priorities.

## **Financial and Budgetary Policies**

This section outlines policies that guide the City’s financial and budgetary processes. General policies describe the basis of budgeting for the City’s funds, accounting principles, legal requirements, financial controls, and balanced budget. General financial policies describe the City’s revenue and expenditure policies, grants management processes, multi-year financial planning, and define *Fund Balance*. This section also includes a detailed description of the City’s budgetary fund structure, outlining the various types of funds managed by the City. A section outlining the City’s debt and debt management policies is also included in this section.

## **Introduction to the Budgeting Process**

This section includes the Mayor’s Executive Order related to the budget process and the City’s budget calendar. It also offers an overview of the City’s budget process, with particular attention to the multiple avenues through which the Administration sought public input while crafting its budget. The section describes the budget development framework.

## Citywide Revenues

This section provides a detailed description of citywide revenues, provides projections, and summarizes the sources of revenue used to fund the operating budget, along with graphic overviews of historic changes. Revenues are organized according to the major categories: sales and use tax (other taxes); property tax; service charges; licenses and permits; intergovernmental revenue; fines and forfeitures; miscellaneous

## Citywide Expenditures

This section presents the financing plans and planned expenditures by fund source and by type. This section also presents department expenditures by fund.

## Personnel Schedule

This section includes a detailed summary of staffing levels by department and other sources.

## Format and Organization of Department Pages

---

### Department Overview

The departmental section of the operating budget begins with an overview of that department's core work, including the department's mission, vision, and an overview of services.

### Budget Summary

A financial table displays revenues and expenditures for the prior fiscal year, the current fiscal year, and the budgeted fiscal year.

### Detailed Budget by Program and Fund

This section identifies the fund sources for the department's FY2023 proposed budget, highlighting changes from historic precedent.

### Detailed Budget by Expenditure Category and Fund

The department's proposed FY2023 expenditures are broken out by category and fund source and compared with historic data.

### Personnel Summary

Each departmental section concludes with a table identifying the number of full-time budgeted personnel, broken out by division if applicable.

---

## **Additional Useful Information**

---

### **Enterprise Fund Summaries**

This section provides enterprise fund summary information for the City's component units.

### **Glossary of Terms**

This glossary defines important budget terms and concepts.

# City of New Orleans

---

## Mayor LaToya Cantrell

My Fellow New Orleanians,

Together we have weathered what seemed to be an endless string of crises. The journey that led us to this austere and community-focused budget was fraught with the challenges of a global pandemic, natural disaster, and historic inflation. Yet, through it all, the City of New Orleans moved forward without elimination of staff positions, overbearing cuts to public service, or the weakening of our credit and bond ratings. We took prudent and fiscally necessary steps which will benefit our City for decades to come. I am proud to announce the City of New Orleans is in strong fiscal shape.

This budget reflects an ongoing effort to further place the City of New Orleans on a course toward success and prosperity. With our sights set on the future we are reinvesting in our public safety, our neighborhoods, and our economic development while making city government more transparent and responsive.

With the height of the pandemic behind us, my Administration has leveraged its engagement with the community in order to craft a budget which reflects their priorities and vision for the future of our City. Listening to voters across the City, in every City Council district and at countless neighborhood and community meetings, we were able to produce a budget that devotes more time, energy and resources to respond to our most urgent issues.

The challenges of the last three years put the dedication of our workforce on full display, and the pay raises included in this budget helps our workforce recover while ensuring fiscal resiliency for us all. An investment in our public employee workforce is an investment in the backbone of our City. That is why I granted a one-time bonus equal to 5 percent of their salaries and secured a 5 percent salary increase in 2023 and a 2.5 percent increase for the next two years for our dedicated city workforce, including police.

Despite these challenges, we were able to make a strong commitment towards addressing decades of blight and cleaning our streets. Our 2023 budget builds upon this by responding to the community's call to improve sanitation services.

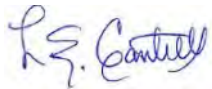

As Americans across the nation face an affordable housing crisis of unprecedented proportions, New Orleans is not immune. My administration clearly understands the need to create an affordable housing stock to benefit our people. In 2022, we put forth a budget that enabled us to launch a \$7.6 million homeownership program and invest \$2.8 million for soft second mortgage funding. Our 2023 budget will take care of our most vulnerable residents the same way last year's budget included over \$20 million in rental and utility assistance, while allocating \$13 million to address our homeless population. Providing safe and affordable housing is only one step towards building vibrant neighborhoods, as economic development and access to job training and skills building are also necessary components.

Our 2023 budget proposal would not be complete without making considerable generational investments towards addressing our City's public safety needs. We live in dangerous times, and my administration has prioritized the safety of our communities and has put forth a budget that embodies this commitment. My

administration has already implemented a plan of action that includes policy and procedural changes, reform to our Public Integrity Bureau and implements the redeployment of commissioned officers to patrol duties in uniform across the City of New Orleans.

The pandemic and global economic challenges have not prevented us from putting forth a budget that produces lasting results, is measured by fiscal responsibility, and continues to aggressively fund critical city services and support the needs in our communities. The 2023 budget will allow us to build a stronger and more prosperous New Orleans where residents feel safe, neighborhoods and businesses thrive, and the services that the City of New Orleans provides are responsive and universally accessible.

Sincerely,

A handwritten signature in blue ink, appearing to read "L. Cantrell".

LaToya Cantrell  
Mayor, City of New Orleans

## Engaging the Community in Budgeting

### Your City – Your Budget

Creating the City’s Annual Operating Budget is among the most important decisions the Cantrell Administration makes. The City’s budget sends a strong message about the City’s priorities.

#### **The City’s priorities are derived from the community’s priorities.**

The budget reflects what is most important to the community. The budget development process aligns the community’s priorities with the resources that are available. As such, it is essential that the community is involved in the budget’s development and understands the budget development process.

Involving the community in the budget development process has several notable advantages.

For residents:

- Increases transparency
- Promotes greater trust and confidence in government decision making
- Builds stronger awareness of budgeting choices, revenues, costs/expenditures, and challenges

For government:

- Improves the City’s understanding of the community’s needs, values, and priorities
- Provides important information about the kind of community people want to live in and the services they value
- Advances the quality and effectiveness of the City’s budgeting process
- Helps government be more accountable and responsive to the community

The City’s budget is ultimately created to fund services, initiatives, and programs for the City’s residents; it is imperative to understand what residents prioritize and need.

**The best way to incorporate the community’s needs into the City’s annual budgeting process is to ask them directly what their needs are.**

**So, we did.**

### Engaging the Community in the Budget Process

Between August 8<sup>th</sup> and 18<sup>th</sup>, Mayor Cantrell hosted a series of Community Budget meetings, one in each of the five City Council Districts. The Mayor was accompanied by leaders from city departments and Council members.

The meetings’ dates and times were announced on social media and through emails by the City’s Neighborhood Engagement Office. Community outreach was comprehensive with attention to diversity and inclusion. Each meeting was held in a location that was accessible and welcoming.

Prior to the start of Community Budget meetings, residents had an opportunity to meet one-on-one with city departments and other organizations during a Resource Fair. Residents were encouraged to take advantage of this time to have individualized conversations with department representatives.

The Mayor opened the town hall session by providing an update on the City’s financial status, highlighting the impact of the pandemic, and the City’s fiscal responsibility.

Then the Mayor presented information of the budget process and shared the City’s perspective on key budget-related issues.

The Mayor explained the City’s Forward Together – Strategic Framework. The strategic framework was created through public involvement and continues to frame the City’s priorities, decision making, and budgeting. The Mayor highlighted key FY 2022 accomplishments.

Following the informational presentation, residents were asked to submit cards with questions or comments for the Mayor to address. Each card was read by the meeting moderator. Mayor Cantrell responded to each card, either with an answer or by acknowledging the issues, needs, or priorities of the residents.

At the conclusion of each Community Budget meeting, residents were asked to complete a survey. The survey asks for specific feedback about their budget priorities, important programs and services, and resource allocations.

Using the information from these meetings, the Administration can more effectively allocate resources to the services, programs, and facilities that contribute most significantly to the community’s quality of life.

**Community Budget Meeting Results: Community Priorities**

The City’s Neighborhood Engagement Office staff were on hand to systematically collect, maintain, and analyze the information gained from the Community Budget meetings and maintain contact information for residents and groups who requested to be contacted following the meetings. Residents were asked to “sign in” as they entered the meetings, recording their name, address, and Council District.

Meeting Location	
District	Attendance
A	77
B	68
C	71
D	86
E	181

A total of 483 residents signed in at the Community Budget meetings. Of those residents recording a Council District, most attended the Townhall in their District; however, 53 percent of residents did not record a Council District.

During the meetings, the Mayor received 320 comment cards from residents voicing their budget priorities, concerns, and specific issues. Of the cards received, 25 percent concerned topics related to Quality of Life, 19 percent concerned topics related to good governance, 17 percent concerned topics related to the City’s infrastructure, 16 percent concerned topics related to public safety, 11 percent concerned topics related to economic development, and 12 percent of the comments were unrelated to budgeting issues within the City’s strategic framework.

Residents were also asked to provide feedback by completing a one-page survey. Surveys were collected at the conclusion of the Community Budget meeting. A total of 175 surveys were completed by residents. The surveys provide valuable insight into the issues that matter most to the community, the specific governmental services they prioritize, as well as budget priorities that they feel require additional resource allocations. The results of the surveys provide critical perspective for making decisions in planning and budgeting. However, such information should be considered along with expert knowledge and objective data, both of which are also critical to good decision making.

## Survey Results

Of the five issue areas in the Forward Together – Strategic Framework, residents were asked to identify the issue area that matters most to them.

### Which issue area matters to you and your family most?

Of the 175 residents that completed surveys, 27 percent said that *Quality of Life* issues mattered most to them, followed by *Public Safety as Public Health* (26 percent). *Investing in Infrastructure* and *Economic Development* mattered most to 17 percent of residents, and 13 percent of residents listed *Good Governance is Inclusive Governance* as the issue area that mattered most to them and their families.

Residents were also given a list of 16 different categories of city services, programs, and initiatives and asked to identify their top five budget priorities. Thirteen residents included more than five priorities. Although many residents indicated the priority 1 through 5, some did not. The percentages represent the frequencies that each category was offered as a budget priority area.

**What are your TOP FIVE budget priorities?**

Community members who completed the surveys prioritized Police and Fire (Public Safety) – selected by 126 residents, and Streets and Infrastructure – selected by 125 residents. Youth Programming was selected by 85 residents, followed by Economic Development (77), and Sanitation (70).

Budget Priority Area	Frequency
Police and Fire (Public Safety)	15%
Streets and Infrastructure	15%
Youth Programming/Youth Investments	10%
Economic Development	9%
Sanitation	8%
Fair and Affordable Housing	7%
Public Health	7%
Stormwater and Wastewater	6%
Parks and Recreation	5%
Public Works	5%
Community Development/Community Service	5%
Environmental Programs	3%
City Services	2%
Cultural Affairs / Cultural Economy	1%
Regulatory Services	1%
Library	1%

Fewer mentions do not necessarily mean that the services, programs, or initiatives are not important or valued by residents, but were not among the TOP FIVE priorities selected by residents in the survey.

**From the list of budget priorities, which ONE of the budget priorities do you think requires additional funding?**

When asked which ONE of the budget priority areas requires additional funding, 117 residents selected one of the areas. Police and Fire (Public Safety) was selected by one-third of the respondents.

Youth programming/Youth Investments and Streets and Infrastructure were selected by 22 residents (19 percent) and 20 residents (17 percent) respectively. Fair and Affordable Housing followed with 13 residents (11 percent) selecting this area to receive additional funding in the FY 2023 budget.

Budget Priority Area	Number
Police and Fire (Public Safety)	39
Youth Programming/Youth Investments	22
Streets and Infrastructure	20
Fair and Affordable Housing	13
Community Development/Community Service	6
Public Health	5
Parks and Recreation	4
Regulatory Services	2
Economic Development	1
Sanitation	1
Stormwater and Wastewater	1
Public Works	1
Environmental Programs	1
City Services	1

Residents were also provided with an opportunity to express in their own words what they would like to add to the budget development process. A total of 93 open-ended comments were submitted. Topics included Infrastructure and Environment (19 comments), City Services (17 comments), Public Safety (15 comments), Youth Programming (11 comments), Housing (7 comments), Economic Development (6 comments), Community Services (6 comments), Quality of Life (5 comments) and Miscellaneous (7 comments).

## American Rescue Plan Act (ARPA) Public Meetings

In addition to the Budget Townhall meetings, Mayor Cantrell, along with all the city department heads, held two meetings in October to introduce the American Rescue Plan Act (ARPA) funds the City will receive and to solicit community input on how these one-time funds should be utilized. These meetings helped to evaluate how best to align the City's priorities with the community's priorities in determining where to allocate the funds. Department heads also provided proposals recommend spending priorities.

Since ARPA is federally funded, there are guidelines as to how these dollars can be used. The projects of programs funded by ARPA funding must fall into one of the following three categories:

- To respond to the public health crisis and its lasting economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality;
- For the provision of government services to the extent of the reduction in revenue due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year prior to the emergency; and
- To make necessary investments in water, sewer, or broadband infrastructure.

Residents were asked to sign in and were handed a comment card to submit feedback. After a brief presentation, the moderator posed several of the residents' questions and comments to the Mayor, as well as to the Chief Administrative Officer. Additionally, an email address ([arpa@nola.gov](mailto:arpa@nola.gov)) was set up for the community to voice their priorities. Residents were also encouraged to visit the City's online [ARPA dashboard](#) to track progress on ARPA-funded initiatives.

## Next Steps

The Administration will incorporate the information collected at the Community Budget meetings and the ARPA public meetings into the budget development process. The Community Budget meetings and the ARPA public meetings are just a couple of examples of how the Administration has engaged with the community to help residents add their input to the budget development process.

## FY2023 Budget Priorities

The City, with input from the community, has identified five priority areas for the FY2023 Budget:

- Public Safety as Public Health
- Comprehensive Infrastructure Investments
- Enhancing the Quality of Life for All New Orleanians
- Prioritizing New Orleans' Cultural Economy
- Good and Inclusive Governance

### Public Safety as Public Health

The City prioritizes *Public Safety as Public Health* in the FY2023 budget. The New Orleans community also prioritizes public safety as public health; **25 percent** of residents surveyed during the Community Budget Townhall meetings ranked **Public Safety as Public Health** as the issue that matters most to them.

When provided a list of budget initiatives, 15 percent of residents ranked Police and Fire among their top five budget priorities, and 7 percent of residents identified Public Health among their top five priorities.

### New Orleans Police Department

Mayor Cantrell and her Administration remain committed to prioritizing the safety of our communities by investing heavily in public safety initiatives. This year, the Cantrell Administration announced a plan of action to implement policy and procedural changes following Mayor Cantrell and NOPD Superintendent Shaun Ferguson's "roll call" visits with patrol officers of each NOPD district. Major factors expressed by officers include ensuring their safety and wellbeing while patrolling the City, providing the necessary technological tools to efficiently perform police duties, and reform of the Public Integrity Bureau among many others. The Administration also successfully spearheaded the passage of the facial recognition ordinance to return the use of technology resources that will better protect and serve residents. The City recognizes *public safety as a matter of public health* as a top concern for residents and will continue working diligently with the appropriate departments and agencies on the local, regional, and national level to address it.

#### *Consent Decree*

Mayor Cantrell continues to tout the New Orleans Police Department's transformation in accordance with the Federal Consent Decree as a national model for constitutional policing which makes the department more responsive to the needs of the residents. However, in some instances, the consent decree has led to unfair disciplinary actions against officers and undeserved scrutiny that can hinder effective policing. Mayor Cantrell and the City Attorney are working to terminate the agreement due to the department achieving full and effective compliance.

#### *Recruitment & Retention Plan*

This Administration is being intentional in supporting the NOPD through a multifaceted recruitment and retention plan to attract new officers and retain existing officers on the force:

- Enhanced financial incentives for both new recruits and existing police officers
- No-cost health insurance coverage
- Re-installing the take-home car program for all officers
- Creating a police cadet program tailored to recruiting New Orleans high school students

In 2022, the City announced a more than \$80 million investment to help recruit and retain officers. The Administration secured unanimous approval from the City Council to provide \$5,000 bonuses for every five years served, rising to a total \$20,000 bonus for 20 years of service. Additionally, the State Attorney General upheld the City's proposal to award retention pay to officers and other first responders, the redeployment of commissioned officers currently assigned to non-patrol, special operations, and investigative duties to patrol duties in uniform across all districts, and the announcement of 119 Commissioned Officer promotions and 11 civilian promotions for the department.

### *Technology and Equipment*

The City's Information Technology and Invocation Department is working with the NOPD to provide new desktop computers for all districts and new laptops for each officer. Additionally, the City recently purchased 75 new Ford Explorers and completed the construction of a state-of-the-art \$3.7 million firing range in New Orleans East for enhanced training.

### **Office of Gun Violence Prevention**

To combat gun violence, the City's Office of Gun Violence Prevention participated in 16 community engagement and job placement events. The Office also graduated several participants as a part of the Barbers and Beauticians Collective Fellowship Program, which focuses on conflict resolution and mediation skills to de-escalate conflict. The Office also distributed 160 universal cable gun locks to ensure safe handling of firearms.

### **Office of Criminal Justice Coordination**

The Office of Criminal Justice Coordination secured and allocated over \$5.5 million in state and federal grant funds through 2022. The New Orleans Unified Justice Information analytics and intelligence warehouse was created to capture system data that allows OCJC staff to develop vital data visualizations relating to the criminal justice process. Additionally, the Evening Reporting Center was established in New Orleans East as an alternative to pre-trial custody and detention programs and instead provides individualized supervision to youth during afterschool hours when they are at high risk of offending.

### **New Orleans Fire Department**

The New Orleans Fire Department (NOFD) successfully renovated Stations 38, 27, and 13 using Federal Emergency Management Agency (FEMA) funding. More than 1,100 smoke alarms were installed throughout the City to proactively prevent fires. The NOFD is also set to launch the new First Due system in 2023. First Due is a software program that aids public safety agencies through their industry-leading, single platform that will save valuable time and money.

The City will initiate projects from the \$374 million bond sale that include:

- District A: NOFD Headquarters at the old MTA Delgado Building (\$1.5 million)
- District C: NOFD 8<sup>th</sup> District Headquarters (\$6.1 million)

### **New Orleans Health Department**

The community recognizes the importance of investing in public health initiatives; 7 percent of residents surveyed during the Community Budget Townhall meetings ranked Public Health as one of their top five budget priorities.

#### *COVID-19 Recovery*

Although the COVID-19 pandemic is not fully over, the Health Department is encouraged by the high vaccination rate of 79 percent among adults and 53 percent among youth ages 5-17 and believes this will protect residents within this

community. The City's high vaccination rate is due to the Health Department's successfully spearheaded efforts to ensure New Orleans leads the State in vaccination rates. These efforts include:

- Multilayer mitigation strategies that included strict COVID guidelines about vaccination, face coverings, and testing
- Wastewater testing to detect future surges
- Partnerships with Orleans Parish Schools to improve vaccination rates in youths
- Partnerships with civic leaders and faith-based organizations
- Mass vaccination collaboratives with federal and state agencies

### *Monkeypox*

The New Orleans Health Department (NOHD) has been incredibly proactive in both educating the public and providing free vaccinations when available to combat Monkeypox. The Department has accomplished this through partnerships with local hospitals and health centers as well as local businesses. For example, a large vaccination event was hosted in Crescent Park after the Red Dress Run in August, in addition to several community outreach and vaccination events leading up to Southern Decadence. Both the City and State Health Departments will continue to push and prepare for future vaccination campaigns as needed.

### *Mental Health Services*

To tackle growing mental health crises across the City, the Administration will launch the Alternate Dispatch Program in June 2023. This program will allow mental health professionals to be dispatched through 911 to respond to mental health emergencies. This will eliminate excessive stress and burden on police officers, allowing medical professionals to use their expertise to de-escalate mental health crises.

### *Opioid Epidemic*

The opioid epidemic is truly a public health crisis for this community. The Administration is committed to working collaboratively with other city agencies and community partners to address the problem through a coordinated, multi-sectored approach. With this collaboration, the City can continue providing free naloxone (aka Narcan) at local fire stations and libraries.

### *Bystander/Stop-the-bleed First Aid Training*

To further empower citizens during a crisis, NOHD's Behavioral Health program conducts regular life-saving training that teaches CPR, stop-the-bleed, and opioid overdose reversal. Classes are offered to the public at local public libraries or pre-programmed at an establishment.

### *Domestic Violence and Sexual Assault*

This year, the Domestic Abuse Fatality Review Team Ordinance was passed by the City Council formally establishing a Domestic Abuse Fatality Review Team (DAFRT). The Review Team is comprised of dedicated representatives from more than 20 community and criminal justice organizations and will allow NOHD to work closely with partners to review domestic fatalities. The DAFRT will identify trends, patterns, and potential interventions for reducing the prevalence of domestic abuse and related fatalities. An annual report will be issued outlining team findings and highlighting recommendations. The Sexual Violence Response Advisory Committee recently issued a report highlighting current challenges and recommended solutions for effectively addressing sexual assault and child abuse cases within the NOPD special victims section units.

In partnership with the New Orleans Family Justice Center (FJC) and NOPD, NOHD launched the Advocacy Initiated Response (AIR) Program. For this pilot initiative, a community-based advocate from the FJC will follow up with identified victims in domestic incidents and domestic disturbance cases in NOPD's 3rd district as soon as possible after incidents occur. In the first month of programming, our AIR advocate successfully engaged

around 35 individuals and provided information and referrals to additional resources. The City will continue to follow program outcomes with the hope of future expansion.

NOHD submitted a Children and Youth Grant Needs Assessment report to our grant funder, outlining the use of the Domestic Violence prevention grant funds to meet the needs of children ages 0-5 and their parents.

#### *Community Health Improvement Plan*

The [New Orleans Community Health Improvement Plan](#) (CHIP) is a three-year collaborative action plan owned by the community and guided by the New Orleans Health Department. The CHIP partnership currently consists of approximately 150 individual partners and 85 organizations that work across sectors to improve health outcomes and address disparities in our three main priority areas:

- Increase Access to Care
- Improve Economic Stability
- Ensure Community Safety

Each priority area has three working groups focused on specific issues. Common strategies employed across working groups include:

- Improving access to data for data-driven decision making
- Increasing awareness of health issues and resources
- Facilitating system level service coordination
- Filling necessary gaps in services
- Supporting or implementing policy changes that address disparities and reduce risk for disease

#### *Family Connects New Orleans*

The New Orleans Health Department is leading a collaboration with Touro and Ochsner Baptist hospitals to implement the Family Connects model of nurse home visiting. This evidence-based model provides one to three voluntary in-home postpartum visits to every family that delivers a baby in New Orleans. Each home visit includes screenings of the mother, baby, and family for clinical, behavioral, and health-related social needs and direct referrals for additional services. Currently in the pre-planning phase, NOHD leadership is being trained on the evidence-based model, recruiting program staff, and building partnerships with local hospitals. Program implementation is set to begin in the first quarter of 2023.

#### *Healthy Start New Orleans*

Healthy Start New Orleans (HSNO) has achieved several accomplishments in 2022 and is well on the way to meeting the goal of servicing 700 moms, dads, and babies. Case management services are provided to families, and fatherhood support groups are available for dads. Assistance for families in their substance use disorder (SUD) recovery journey operates through the Family Recovery Collaborative, and participants are engaged through a Parent Advisory Board that provides supportive and educational space for families to thrive. HSNO tripled the number of Child Passenger Safety Technicians as they teach families how to install car seats and keep them abreast of best practices for car seat safety. In addition, HSNO continues to engage more community partners, such as Kingsley House (Healthy Start to Head Start Program), to expand services for current and new HSNO participants. As of September 2022, HSNO engaged community organizations as it created its first Mamo March in honor of Infant Mortality Awareness month. Staff visited physicians' offices and community agencies around the City to increase Infant Mortality awareness and provide information on all Maternal Child Health programming, including Healthy Start New Orleans.

## Emergency Medical Services

The Cantrell Administration has invested \$2.6 million to purchase 10 new ambulances, and \$5.7 million in federal funding was approved for additional EMS resources. Emergency Medical Services also launched one of the few EMS blood programs in the country.

## Orleans Parish Communications District

The Orleans Parish Communications District secured the passage of HB392 that designates all 911 professionals as first responders. Improved infrastructure, such as the AT&T ESINet and Carbyne APEX, will provide 911 resiliency, reliability, and increased location accuracy.

## Office of Homeland Security & Emergency Preparedness

The City's Office of Homeland Security & Emergency Preparedness Department enhanced the post-emergency generator capacity on 15 City buildings and the Convention Center for Emergency Resource Centers and post-storm response efforts. They also partnered with community organizations to provide over 2,000 families with hurricane preparedness supplies. A localized network of 20 WeatherSTEM stations and the [weatherwise.nola.gov](http://weatherwise.nola.gov) website was created as well. Seventy new city-owned public safety cameras and license plate readers were installed to keep our streets safe.

## Comprehensive Infrastructure Investments

The Administration knows investments in infrastructure result in more satisfied, productive, and efficient services for our residents. The condition of the City's physical assets greatly influences the economy's ability to function and grow, as well as residents' safety, productivity, and ability to live and thrive. **Seventeen percent** of residents surveyed during the Community Budget Townhall meetings ranked **Investing in Infrastructure** as the issue that matters most to them.

When provided a list of budget initiatives, 15 percent of residents ranked **Streets and Infrastructure** among their top five budget priorities (tied as number one with Public Safety). **Public Works** was included in the top five priority areas by 5 percent of the residents completing the survey.

## Department of Public Works

The City of New Orleans is implementing the most comprehensive joint infrastructure (JIRR) program. Together the Department of Public Works (DPW) and Sewerage and Water Board (SWBNO) are working together to restore the City's damaged infrastructure with \$2.3 billion.

The City is rebuilding over 400 miles of roads and infrastructure. More than 200 projects are included in the more than \$2.3 billion of total local and federal funds. These are:

- \$2 billion JIRR program projects
- \$250 million FEMA-funded Hazard Mitigation Grant Program (HMGP) projects
- \$141 million HUD-funded National Disaster Resiliency Competition (NDRC) grant projects
- SWBNO-funded Sewer System Evaluation and Rehabilitation Program (SSERP) – sewer consent decree
- City-funded bond project work

In addition, the City is undertaking nearly 200 individual projects throughout the City. Every neighborhood will feel this positive impact.

Since May 2018, 139 roadwork projects have been completed, valued at \$454.86 million and another 57 are under construction valued at \$634.53 million. Likewise, the Capital Projects Administration (CPA) has completed 67 vertical infrastructure projects at a value of \$173.9 million.

The 2020 bond sale of more than \$370 million was the largest, one-time new money bond sale in the City's history and has functioned as a local stimulus to rebuild infrastructure while bolstering the City's economy at the same time. These investments are on top of the more than \$1.6 billion in FEMA-funded infrastructure work.

#### *RoadworkNOLA*

[RoadworkNOLA](#) provides the community with the latest news about DPW and SWBNO construction projects in the City. Through the website, residents can learn about projects in their Council District or on their street. They can report a pothole, report a water leak, and follow the status of 311 complaints to the City. Residents who subscribe to receive emails, sign up online, or text "**roadwork**" to **77295** will get emergency construction information directly from RoadworkNOLA, including when work will require major road closures, water shutoffs, and other significant impacts. Residents can also see a list of all awarded projects, including award amount, funding source, and contractor. Additionally, the site provides a Contractor Report Card that evaluates contractors monthly on various criteria including Project Management, Public Convenience, Quality Control, Safety, and Timeliness.

#### *Citywide Pavement Assessment*

The City completed a comprehensive, scientific assessment of City-owned streets in spring 2015 and received the final results of the assessment in the summer of 2016. The City is using the results of the pavement assessment as part of the method to prioritize future infrastructure projects.

#### *Road Tester 3000*

The condition of the roadways was captured via the Road Tester 3000, which was equipped with lasers, inertial GPS and high-definition digital imagery to simultaneously collect the pavement profile, rutting and roadway geometrics. The results of the assessment were used to determine the pavement surface distress and identify where all such pavement conditions exist.

### **Enhancing Quality of Life for All New Orleanians**

The Cantrell Administration fully understands the importance of improving the quality of life for residents and visitors. The community agrees; **27 percent** of residents surveyed during the Community Budget Townhall meetings reported that **Quality of Life** issues mattered most to them.

When selecting from a list of 16 different budget initiatives, residents selected many areas within the Quality of Life priority area among their top five most important: 10 percent said Youth Programming/Youth Investments; 8 percent said Sanitation; 7 percent said Fair and Affordable Housing; 5 percent said Parks and Recreation, Community Development/Community Service, or the Library.

The Administration is focused on both the physical and philosophical difficulties through the years to clean up the City we serve and the way the City does business.

### *Affordable Housing*

The Cantrell Administration has prioritized ensuring all residents have access to housing while continuing to navigate the ongoing pandemic. Since March of 2020, the City has provided \$68.5 million in rental assistance to help more than 17,000 households, and about \$2.5 million has been dispersed for utility assistance to 3,000 households. As of October 2022, there are also 12 affordable housing projects set for completion by the end of 2022, adding 809 units: 601 affordable units to the City's portfolio. These projects are funded with over \$27 million in city subsidies.

### *Electric Vehicles*

The Office of Transportation, as part of the Climate Action for a Resilient New Orleans strategy, partnered with Entergy New Orleans to construct 30 electric vehicle (EV) charging stations in 25 locations. This project broke ground during 2022, with the first charging station installed for public use in August. The full installation is set for completion by the end of the year. NOPD is set to receive five electric vehicles as part of the Fleet Transition Plan required by the City Council.

### *Affordable Public Transportation*

The Regional Transit Authority (RTA) announced decreased fares for youth and seniors and has also expanded community engagement and membership of Blue Bike low-income program to make transit more affordable. RTA launched new routes in September to reduce wait times and transit times.

### *Parks and Parkways*

As of October 2022, the Department of Parks and Parkways has planted over 1,200 new trees in the neutral grounds, parks, and right of ways through the Citywide Tree Planting Project.

Parks and Parkways will continue to collaborate with Capital Projects Administration, Department of Public Works, New Orleans Redevelopment Authority, Hazard Mitigation, Office of Sustainability & Resiliency, Project Delivery Unit, New Orleans Sewerage and Water Board, and other entities involved in the design and implementation of the stormwater management projects as defined through the National Disaster Resilience Competition, Hazard Mitigation Grant Program, and other funding programs.

Parks and Parkways is also planning to purchase regular equipment, heavy equipment, and vehicles to increase operational capacity. The greenhouse education program via Cooperative Endeavor Agreement (CEA) with Delgado Community College and THRIVE will also be expanded. Parks and Parkways is also in a CEA with the Coalition to Restore Coastal Louisiana with plans to divert organic tree waste from landfills to wetland restoration.

### *Sanitation*

The Department of Sanitation has been focused on enhancing solid waste collection contracts to provide residents with more reliable city services. In September 2022, the City and the Department of Sanitation finalized new contracts with IV Waste and Waste Pro for Service Area 2, which includes the neighborhoods of Lakeview, Gentilly, and New Orleans East.

The Department of Sanitation has also led some significant cleanup efforts:

- Manually cleaned litter from 2,424 miles of major thoroughfares
- Removed and transported 20,524 waste tires from public right of ways for recycling
- Cleared 1,478 dumping sites from public right of ways
- Removed and disposed of 7,580 bandit signs from public infrastructure and right of ways
- Mechanically swept and flushed 5,836 miles of City roads and bridges
- Serviced over 1,900 public litter cans citywide
- Over 1,960 tons recycled with a landfill diversion cost savings of \$63,626
- Distributed 1,248 recycling carts and maintained existing carts at eligible City locations

- Facilitated 24 Recycling Drop-Off events with 9,897 vehicles visiting, recycling over 88 tons of paper, plastic, cardboard, and aluminum

### **Economic Development: Prioritizing New Orleans' Cultural Economy**

Economic development is critical to the future of the City. Residents realize this; **Economic Development** mattered most to **17 percent** of residents surveyed at the Community Budget Townhall meetings. When given a list of 16 different budget initiatives, 9 percent of residents ranked Economic Development among their top five budget priorities; 3 percent said Environmental Programs was among their top budget priorities, and 1 percent identified Cultural Affairs/Cultural Economy as their top budget priority

Uplifting New Orleans' cultural community is a top priority for the Cantrell Administration. This is realized through the Mayor's Office of Cultural Economy's (OCE) mission to stimulate economic activity and growth through our local culture bearers by creating opportunities for arts and creative producers to thrive. The OCE achieves this mission through leading initiatives, curating events, forging partnerships, and connecting to the community in all areas of the cultural economy.

The successful return of large, in-person events since the onslaught of the COVID-19 pandemic have surpassed the City's expectations. The OCE has invested \$700,000 in resources to support partnered and sponsored cultural events that have generated economic profit greater than pre-pandemic levels. Notable events include, but are not limited to, French Quarter Festival, New Orleans Jazz & Heritage Festival, and ESSENCE Festival of Culture. Embrace the Culture was originally launched in 2020 during the pandemic as a digital platform for artists when traditional businesses and music venues were closed. Since then, the program has continued to invest \$200,000 into cultural initiatives, forging international partnerships, and hosting delegations.

In 2022, the OCE has deepened and strengthened over 70 partnerships within the cultural and private sectors through initiatives, grants, and programming. A total of \$143,000 in grant funding has been awarded to 50 individuals and organizations engaging in activities that promote the cultural economy. More recently, the OCE

and the Mayor's Office began hosting Cultural Roundtables with local culture bearers, musicians, artists, and leaders to discuss the investment in and strengthening of the city's cultural infrastructure.

New Orleans maintains its position as the fourth-largest major film production hub in the United States. Film New Orleans leads the City's efforts in local film production with a year-to-date spending of \$831 million that directly supports a workforce of 2,000 union crew members (90 percent local) and film-related businesses. The Film Office supports workforce training and educational programming through its partnership with the New Orleans Video Access Center (NOVAC) and is the primary sponsor of the SYNC UP Cinema and SYNC UP Seminar series.

### **Good Governance is Inclusive Governance**

The community values an inclusive and responsive government; **13 percent** of residents listed **Good Governance is Inclusive Governance** as the priority issue area that mattered most to them. From a list of initiatives and services, 5 percent said Community Development/Community Service was among their top budget priorities; 2 percent rated City Services among their top five budget priorities and 1 percent identified Regulatory Services as a top budget priority.

The Administration is committed to ensuring that the residents of New Orleans are supported by a city government that is transparent, welcoming, inclusive, and will work hard.

#### *Supporting Workforce Development*

The Mayor's Office of Workforce Development (OWD) continues to connect jobseekers to high-wage, high-demand industries as reported in the City's Generational Economic Transformational Plan, while cultivating and strengthening employer partnerships. OWD has expended, secured, and procured over \$12 million exclusive of the Department's Workforce Innovation and Opportunity Act (WIOA) funding stream. With those additional dollars, OWD has partnered with the Downtown Development District (DDD), the French Market and the Department of Sanitation to create the first ever NOLA Strike Team to assist with debris removal and address blight in the downtown area while playing a vital role in the cleanliness of the city. Moreover, this collaboration will lead to full-time permanent positions for some of the entities listed.

OWD has partnered with Greater New Orleans, Inc. (GNO Inc) to upskill and retrain formally incarcerated individuals as a part of the Project Rebirth and the Comprehensive and Accessible Reemployment Through Equitable Employment Recovery (CAREERS) Grant that will be used to implement the City's first Earn and Learn Program. Since the onset of the pandemic, JOB1 has implemented weekly virtual career fairs, drive-by careers fairs, held industry and New Orleans City Council district career fairs, as well as a Comprehensive Career Expo. The Family Center Coaching was implemented, and OWD invited additional community and mandated partners to a Resource Mapping convening to develop a shared data base that will be used to support marginalized and underrepresented communities. This folds into one of the department's goals that focuses on growing local talent, otherwise known as HIRE NOLA. Additional priorities include the expansion of registered apprenticeships, assistance with the modification of the procurement process for more equitable and inclusiveness, leveraging the City's resources with other organizations to yield better outcomes for all youth, and to work with local colleges and training providers to contextualize training for participants who are not performing academically at a satisfactory level.

OWD is also partnering with the City of New Orleans Shelter and Engagement Center, Unity of Greater New Orleans, the Mayor's Office of Community Development, and the United Way of Southeast Louisiana to enroll homeless individuals into the City's CAREERS initiative to receive a livable wage stipend and connect them to permanent employment that will lead to family sustaining wages.

### *Considering Outcomes For Youth*

The Mayor's Office of Youth and Families (OYF) continues working to improve outcomes for children and youth through three strategic goals: 1) increasing investments in children and youth, 2) improving coordination/quality of city services and 3) expanding youth/parent leadership initiatives.

OYF was proud to work with community advocates to pass a transformational ballot initiative providing \$21 million annually for early childhood education expansion over the next twenty years. Additionally, OYF partnered with the Office of Community Development to carve out \$1.5 million to provide down payment assistance to early educators, paraprofessionals, and K-12 teachers to strengthen the teacher workforce pipeline. Other OYF education-related initiatives include a working group that tackles the challenge of chronic absenteeism and truancy in our public school system as well as several school-based pilot programs to increase use of public transit.

The City continues to make innovative investments in youth. New Orleans was the first in the country to launch a guaranteed income program for 125 opportunity youth, ages 16-24, who received \$350 a month for 10 months. In order to promote public safety and increase prevention and intervention, OYF scaled and expanded its Pathways and Summer Success job programs for 200 system-involved youth. We also devoted \$184,000 to community organizations to provide mental health and parenting support for families who have interacted with the juvenile justice system.

The administration is dedicated to making sure that young people have a seat at the table. OYF has continued to run the Junior Civic Leadership Academy, Mayor's Youth Advisory Council and the 'Mayor for a Day' writing contest. In partnership with the Children and Youth Planning Board and New Orleans Youth Alliance, OYF continues to lead the implementation of the [Youth Master Plan](#) — a comprehensive, ten-year roadmap to improve child wellbeing in New Orleans. In the years ahead, OYF is collaborating with United Way and GNO Inc. to direct \$15 million to youth programs aligned with the *Youth Master Plan*.

# FY2023 Proposed Annual Operating Budget Highlights

## The Big Picture

The proposed annual operating budget for FY2023 totals \$1,474,153,974.

- \$736,470,921 from the General Fund
- \$737,683,053 from non-general funds which includes grants, intergovernmental transfers, and special funds

The City's FY2023 proposed operating budget represents 0.08 percent decrease from the FY2022 adopted budget of \$1,486,000,389 in total funding.

## Where the Money Comes From

The charts below show the projected operating revenues for the City's major revenue categories and funds for FY2023 for the General Fund (\$736.5 million) and non-general funds (\$737.7 million) and projected revenues for all fund sources for FY2023.

**FY2023 Proposed General Fund Revenues**  
\$736,470,921

- Property Taxes
- Sales and Other Taxes
- Licenses and Permits
- Intergovernmental
- Service Charges
- Fines and Forfeits
- Miscellaneous Revenues
- Other Financing Sources

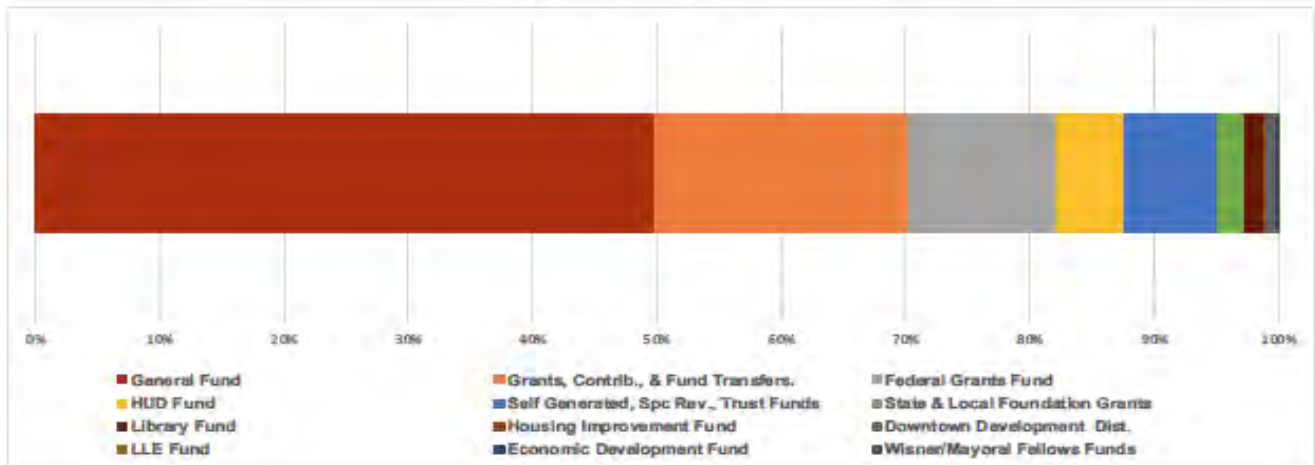

**FY2023 Proposed Non-General Fund Revenues**  
\$737,683,053

- Grants, Contrib., & Fund Transfers.
- Federal Grants fund
- HUD Fund
- Self Generated, Spc Rev., Trust Funds
- State & Local Foundation Grants
- Library Fund
- Housing Improvement Fund
- Downtown Development Dist.
- LLE Fund

**2023 Proposed Annual Operating Budget: Revenues from All Funds**  
\$1,474,153,974

## **FY2023 Revenue Overview**

The City's proposed annual operating budget includes revenues from the General Fund, as well as revenues from non-general funds.

### **General Fund Revenue**

FY2023 General Fund revenue is projected at \$736,470.921 which is 12.9 percent more than the FY2022 budgeted General Fund revenues of \$652,078,533.

While a full return to pre-pandemic economic and revenue conditions is not expected until at least 2025, the local economy is generally benefiting from recovery momentum. Revenues that are aligned to economic activity, particularly tourism, are expected to increase. The City's sales and other tax revenue are projected to increase by 29 percent over FY2022 budgeted levels. Intergovernmental revenues are also expected to increase slightly (7 percent over FY2022) as revenue sharing and revenues related to video poker and Harrah's rent increase.

The City's FY2023 proposed budget is also sensitive to residents as they continue to face the impact of the pandemic, the continued effect of natural disasters, and inflationary pressures. The FY2023 proposed General Fund budget projects fiscally responsible changes in property tax revenues: an increase of 2 percent; and changes in revenues from fines and forfeitures: an increase of 1 percent.

FY 2023 revenues from licenses and permits are projected to decline by 6 percent compared to the FY2022 budgeted levels. Revenues from service charges are also projected to decline slightly, by 2 percent in the proposed FY2023 General Fund budget compared the FY 2022 levels.

Compared to the FY2022 budget, FY2023 miscellaneous revenue is projected to decrease by 19 percent, as the City reduced its reliance on contributions and other miscellaneous revenue sources in FY2023. FY2023 revenues from other financing sources, is projected to increase, however, as the FY2023 proposed budget includes an unassigned fund balance transfer.

## **Non-General Fund Revenue**

In addition to the General Fund, the City includes other funds or categories of funds in its annual operating budget. Revenues from non-general funds totaled \$737,683,053 in the FY2023 proposed annual operating budget, a decrease of 11.8 percent compared to the FY2022 total of non-general fund revenues.

The HUD Fund is considered one of the City's major funds. The FY2023 proposed budget includes revenues of \$80,978,459 in the HUD Fund, a decrease of 10 percent compared to FY2022 revenues of \$90.2 million.

The FEMA Fund is also considered a major fund; it is included in the federal grants fund category. The FY2023 proposed budget includes a 21 percent increase in FEMA Fund revenues (\$83.8 million in FY2023 compared to \$69.0 million in FY2022). FEMA, the Federal Emergency Management Agency, provides disaster relief and grants for pre- and post-emergency or disaster related projects.

The FY2023 Federal Grants Fund category is projected to total \$174,926,336 in revenues, a decrease of 41 percent compared to the FY2022 federal grant revenues of \$294.6 million.

Other funds or categories of funds included in the non-General Fund revenue stream are expected to decrease in FY2023. Revenues from the Economic Development Fund are expected to fall to \$500,043 in FY2023 from \$1.7 million in FY2022, a 71 percent decline. Local Law Enforcement (LLE) grant fund are expected to decrease by 43 percent, from \$697,744 in FY2022 to \$396,610 in FY2023. Revenues generated from the State and Local Foundation Grants Fund are expected to decline; revenues are projected at \$31,990,236 in FY2023 compared to \$54,056,538 in the FY2022 budget. Revenues from the Housing Trust/Housing Improvement Fund are projected to decline by 14 percent in the FY2023 proposed budget, from \$3,133,089 in FY2022 to \$2,699,742 in FY2023.

Revenues in the Downtown Development District (DDD) Fund and in the Grants, Contributions, and Fund Transfers Fund are unchanged between the FY2023 proposed operating budget and the FY2022 budget. Revenues of the DDD Fund for FY2023 proposed budget are \$11,956,645, and for the Grants, Contributions, and Fund Transfers Fund are \$300,00,000. The Wisner/Mayoral Fellows Program Fund is expected to increase by 1 percent, from \$752,568 in FY2022 to \$759,469 in FY2023.

Revenues in the Library Fund are projected to increase by 19 percent, \$25,130,286 in FY2023 compared to \$21,084,029 in FY2022.

A significant increase is expected in revenues from the Self-Generated, Special Revenue, and Trust Funds; the FY2023 proposed budget revenues are projected at \$108,345,227 compared to \$55,771,753, an increase of 94 percent.

## Where the Money Goes

The FY2023 proposed operating budget appropriation for the General Fund is \$736.5 million and non-general funds is \$737.7 million, for a total of \$1,474.2 million from all funds. The charts below show the proposed budgeted distribution of operating expenditures for the City's departments and agencies for FY2023 for the General Fund, non-general funds, and for all funds in the City's FY2023 proposed operating budget.

### FY2023 Proposed General Fund Expenditures \$736,470,921

### FY2023 Proposed Non-General Fund Expenditures \$737,683,053

### FY2023 Proposed Operating Budget Expenditures: All Funds \$1,474,153,974

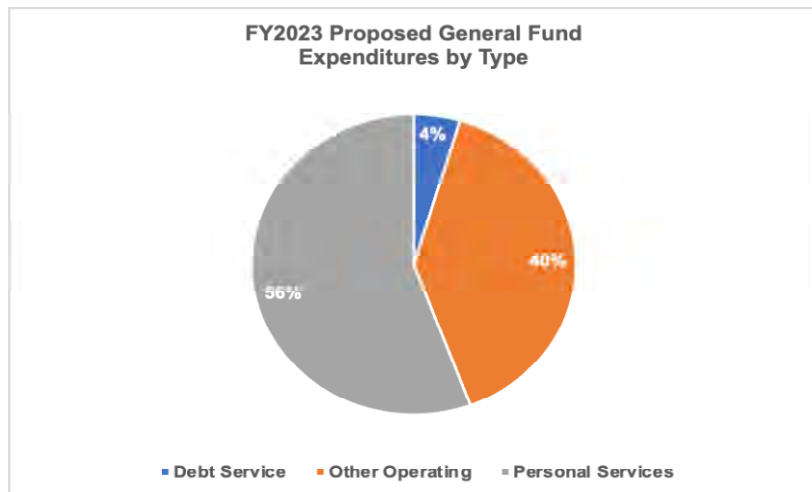

## FY2023 Expenditure Overview

Expenditures can be categorized as personal services (salaries, pensions, healthcare, and other benefits), other operating expenses, and debt service. The City's departments and agencies are funded by the General Fund and other non-general funds. Proposed allocations from the General Fund and non-general funds total \$1,474,153,974.

### General Fund Expenditures

For the FY2023 proposed budget, departmental expenditures from the General Fund total \$736,470,921. More than half (56 percent) of proposed General Fund expenditures are allocated to personal services (\$410.1 million).

Other operating expenditures make up 40 percent of the FY2023 proposed General Fund budget expenditures (\$292.4 million).

Only 4 percent of the FY2023 proposed General Fund budget is allocated to debt service (\$34 million).

Public Safety expenditures (Police, Fire, Sheriff, the Health department, and EMS<sup>1</sup>) make up nearly half (49 percent) of the City's FY2023 proposed General Fund budgeted expenditures.

### Non-General Fund Expenditures

Departmental expenditures from the non-general funds total \$737,683,053.

Of proposed FY2023 proposed non-general fund expenditures, 14 percent are allocated to personal services (\$103.7 million).

Other operating makes up 45 percent of FY 2023 non-general fund expenditures (\$333.9 million).

Debt service is projected to constitute 41 percent of FY2023 non-general fund expenditures (\$300 million).

<sup>1</sup> Public safety without the Health Department and EMS makes up 46 percent of the FY2023 proposed General Fund budget.

## Profile of the City of New Orleans

### History

In 1718, Jean Batiste Le Moyne de Bienville established a new outpost in a bend of the Mississippi River that would become New Orleans. From that day, New Orleans has grown to become an international city and home to a diverse group of people who created a deep and distinct culture.

Since its beginnings, the City's strategic location made it a hub for trade, with access to most of North America through the Mississippi River and the rest of the world through the Gulf of Mexico. The City's location remains important to this day, with its access to the Mississippi, major railways, and proximity to the Louis Armstrong New Orleans International Airport enabling much of its commerce. The City now occupies 180 square miles including the urban center, residential neighborhoods on both sides of the Mississippi River, and the country's largest urban nature reserve in Bayou Sauvage.

New Orleans was already a thriving city in 1803 when Napoleon Bonaparte sold the Louisiana Territory to President Thomas Jefferson for the bargain price of \$15 million, or four cents an acre. The City has been under French, Spanish, and American rule, and it bears evidence of each country in its culture, architecture, and cuisine. West Africans, Haitians, free people of color, and waves of Italian and Irish immigrants helped New Orleans grow and contributed traditions and customs. It is from this diverse unique mix of peoples that the culture of New Orleans emerged, making it one of the most unique cities in the world.

On May 7, 2018, after a historic election, LaToya Cantrell was sworn into office, becoming the first African American woman to serve as Mayor of the City of New Orleans.

New Orleans is a complex, cosmopolitan city with modern skyscrapers, centuries-old mansions, five-star restaurants, world-class shopping, a thriving arts scene, abundant live music, breathtaking natural beauty, and a famous spirit.

### Form of Government

Over the course of its 300-year history, New Orleans has had multiple forms of government. Under the 1954 Home Rule City Charter, the City is organized under a Mayor-Council government. The Mayor is elected for a four-year term and is limited to two consecutive terms. The Mayor appoints the Chief Administrative Officer, who is the principal assistant and budget officer for the City. There are seven City Councilmembers. Five represent geographical City Council Districts, and two represent the City at-large. Councilmembers are limited to four-year terms.

The Council is the legislative body of city government and approves the operating and capital budgets each year, as recommended by the Mayor. The Council takes up zoning and land-use issues, regulates the City's public utilities, and considers and enacts all municipal laws. The Mayor oversees the executive branch of government, appoints department heads, and manages public safety functions of city government. All ordinances passed by the Council must be approved by the Mayor to become law, and the Mayor presents the Council with an operating and capital budget recommendation every year.

The City of New Orleans has the same boundaries as Orleans Parish, and the city government operates as the Parish's unit of government. The City has a total area of 169.4 square miles.

### Demographics

The US Census Bureau's 2020 American Community Survey (ACS) 5-year Estimate reports the New Orleans population at 391,249. The population of the City has a median age of 37.2 years, and is relatively diverse (59.2 percent African American, 33.4 percent White, 2.9 percent Asian, and 2.6 percent two or more races; 5.5 percent of residents report Hispanic ethnicity.)

### Livability

The City's neighborhoods offer a place for everyone. The 2020 ACS estimates 49.8 percent of housing units are owner-occupied. The median value of owner-occupied housing units was \$250,000, with a median monthly housing costs of \$1,703. Median gross rent was \$1,025 per month. Approximately 88.8 percent of households have one or more types of computing devices and 78 percent of households reported a broadband internet subscription. The 2020 ACS reports the median household income at \$43,258; 23 percent of persons in New Orleans are living below the poverty threshold. Of persons over the age of 25 years, 38 percent have a bachelor's degree or higher.

### Community Assets

Locals and newcomers alike take pride in the City's historic neighborhoods, food, music, art, and its diversity of lifestyles. Maintaining New Orleans unique cultural heritage is a priority highlighted in the Master Plan and the Resilient NOLA Strategy. New Orleans is perhaps best known for the French Quarter Historic District and the historic architecture throughout the City. New Orleans has 182 properties and districts listed on the National Register in the parish, including 26 National Historic Landmarks.

The Riverfront, along the Mississippi River, is the location of the Convention Center, the Riverwalk, the Moonwalk, the Aquarium of the Americas, and Woldenberg Park. Other main attractions downtown include the Superdome and the New Orleans Arena. Although several hospitals and clinics downtown were heavily damaged by flooding from Hurricane Katrina, hospital re-openings and construction of new facilities have now been completed, including a new bio-sciences district. This district houses the new Veterans Affairs (VA) and Louisiana State University (LSU)/Tulane Teaching Hospitals at the University Medical Center (UMC).

New Orleans also offers many opportunities for recreation. Lake Pontchartrain and Bayou Sauvage National Wildlife Refuge provide access to outdoor and wildlife recreation. New Orleans' major parks and wildlife recreation include City Park, Audubon Park, the Audubon Zoo, Lafitte Greenway, Crescent Park, and Armstrong Park. Armstrong Park is dedicated to the tradition of jazz in New Orleans. Congo Square lies within the confines of Armstrong Park and is host to many annual celebrations, festivals, and other culturally significant events.

New Orleans has many colleges and universities. Major institutions of higher learning include the University of New Orleans, Tulane University, Loyola University, Xavier University, Southern University at New Orleans, Dillard University, Our Lady of Holy Cross College, and Delgado Community College.

New Orleans is a culturally rich city. Notably being the birthplace of Jazz and a bastion of hope during the civil rights era, New Orleans has an ingrained and invaluable cultural history. It has many community assets ranging from social aid & pleasure clubs to non-profits supporting numerous art and music effort the city over.

## The Economy

New Orleans has a diverse economy. Energy, advanced manufacturing, international trade, healthcare, and tourism are major economic sectors. Some of the largest companies in the City include Ochsner Health System, Tulane University, Entergy Corporation, Whitney Holding Corporation, Lockheed Martin, and Boh Bros Construction. The presence of universities, hospitals, legal and other professional services further diversify the City's economic base.

Tourism continues to be the driving force of the City's economy. Attractions such as the French Quarter, Mardi Gras events, various festivals, cultural arts performances, and special events draw millions of visitors to the City annually. [Information for visitors](#) including a calendar of events helps our guests plan safe ways to enjoy New Orleans and *laissez le bon temps rouler*.

Though New Orleans is a modest-sized city, it is home to two major professional sports franchises. The New Orleans Saints, a National Football League (NFL) team and winner of Superbowl XLIV, play in the Caesars Superdome. The Saints and the City of New Orleans will host the NFL Superbowl in 2025. The New Orleans Pelicans compete in the National Basketball Association (NBA) and play in the City's Smoothie King Arena. The City is also home to the New Orleans Jesters, a semi-pro soccer team that plays in City Park's Pan-American Stadium. The New Orleans Gold is the City's first major league rugby team founded in 2017.

New Orleans is also known for its unique and delicious cuisine. Food is an important part of the City's culture and economy. Top national food brands, such as Blue Runner Foods, Folgers Coffee, Emeril's Homebase, Camellia Beans, and McCormick/Zatarains call New Orleans home. The last decade has also brought craft breweries and distilleries to the City's culinary scene. The City also boasts several educational institutes dedicated to training up-and-coming chefs.

New Orleans is home to a dynamic bio-health services ecosystem. With a vibrant community of universities, two medical schools, and four major health systems, as well as a 1,500-acre Bio-District located in the heart of downtown, New Orleans offers ample opportunities for innovation in medical technology and healthcare delivery.

New Orleans is an emerging technological and digital media market. According to a 2018 report published by market analytics firm Emsi, New Orleans is listed as one of the top 12 leading cities for high technology jobs in North America. A separate report published by Business Analytics listed New Orleans number four on a list of

the top 12 technology hubs in North America. A number of new or established tech companies are located in New Orleans, such as DXC Technology, inXile Entertainment, Accurent, and High Voltage Software.

While New Orleans is proud to host the headquarters of many large corporations, the City treasures its small businesses and entrepreneurs who employ the majority of New Orleanians. New Orleans' businesses, large and small, take advantage of our energy assets, such as oil, gas, and even solar. New Orleans was ranked second in Lowest Cost of Doing Business by [Business Facilities](#) in 2016.

New Orleans' businesses benefit from the City's intermodal connectivity. Transportation by rail, air, truck, barge, and ship, coupled with warehousing, storage, and logistic providers, present immense value added to doing business in the City. Some of the major imports that pass through New Orleans include steel, coffee, sugar, bananas, and bauxite. Exports include oil, petroleum products, grains, and textiles. The [Port of New Orleans](#) is a deep-water port providing multimodal connectivity through its network of land, river, rail, and roadway. Uniquely located on the Mississippi near the Gulf of Mexico, the Port of New Orleans provides access to 30-

plus major inland hubs such as Memphis, Chicago, and Canada via 14,500 miles of railways, and interstate roadways. It is the nation's only deep-water port with six Class-1 railroads. Alignment with New Orleans Public Belt Railroad strengthens the City's position as an integrated hub and supports the City's vision for regional freight-based economic development. New Orleans was ranked second in Logistics Leaders by [Business Facilities](#) in 2022.

Port NOLA's lines of business includes cargo, rail, real estate, and cruises. Cruising from New Orleans continues to grow in popularity with year-round cruises and inland river cruise itineraries. Cruise line commitment, proximity to New Orleans amenities and attractions, a thriving international airport, and large drive-in market position Port NOLA for more cruise industry growth.

Furthermore, the City's newly renovated Louis Armstrong New Orleans International Airport ([MSY](#)) terminal provides visitors with an authentic New Orleans experience as soon as they step foot off the plane. The \$1 billion, 35-gate terminal is the primary commercial airport in the state of Louisiana serving over 80 percent of all passengers flying into the state. Armstrong International is owned by the City of New Orleans. The New Orleans Aviation Board, an unattached component unit of the City, oversees the administration, operation, and maintenance of the airport.

## Economic Outlook

**COVID-19 Impact and Recovery:** Though still in a recovery phase, New Orleans' economy is markedly improved since the height of the pandemic. This year saw the return of landmark festivals like the New Orleans Jazz and Heritage Festival and the Essence Festival, as well as special events like Mardi Gras and the Men's College Basketball Final Four. Conference bookings, hotel occupancy, and cruise line activity have all increased, though not to pre-pandemic levels.

The City of New Orleans has been working toward codifying into law popular pandemic-era programs, such as outdoor live entertainment and parklets for outdoor dining. Developing clear guidelines and procedures for long-term programs will provide stability and allow businesses, entrepreneurs, and culture bearers to benefit from the opportunities these programs provide.

Sales tax revenues continue to be lower than prior to 2020, impacting the City of New Orleans budget. However, it is expected that revenues will return to pre-pandemic rates by FY2025.

New Orleans is starting to see the impact of recovery dollars from programs like the American Rescue Plan Act (ARPA) and the Infrastructure and Investment Act (IIJA). A regional coalition of 25 organizations including the City of New Orleans led by Greater New Orleans, Inc. was awarded \$50 million from the U.S. Economic Development Administration (EDA) to develop a clean energy cluster in South Louisiana. Future projects and programs funded by ARPA and IIJA are currently being planned and are expected to contribute to an improved economy over time.

**Building Resilience:** In addition to recovering from the COVID-19 pandemic, New Orleans is also still recovering from Hurricane Ida. The category 4 hurricane was primarily a wind event that exposed weaknesses in the city's energy infrastructure that caused major disruptions for citizens and businesses. The City of New Orleans applied for and received a Communities LEAP (Local Energy Action Program) grant from the U.S. Department of Energy to develop a community-informed plan for grid resilience. Additionally, grassroots efforts from organizations like Together New Orleans and Get Lit Stay Lit are working with businesses and faith-based organizations on solar and battery storage to create neighborhood hubs with energy access during outages. The lessons learned from Hurricane Ida will help us ensure that businesses have stability in the case of future disasters.

**The Plan for Generational Economic Transformation:** This year, the Office of Economic Development shared the Plan for Generational Economic Development (PGET), an actionable plan to drive equitable and inclusive economic development for all New Orleanians. The plan has five major areas of work: 1) Place-Based Economic Development, 2) Catalytic Redevelopment, 3) Innovation and Entrepreneurship in Priority Industries, 4) Human Capital and Workforce Development, and 5) Systems for Economic Development. The plan will serve as a roadmap for the Cantrell administration in its efforts to create wealth-building jobs and cultivate thriving neighborhoods for all citizens, and the plan's success will require the collaboration of public, private, philanthropic, and community partners.

## The City's Principal Property Taxpayers

Name of Taxpayer	Type of Business	Taxable Assessed Value (In \$1000s)
Entergy	Electric and Gas Utility	114,002
Capital One Bank	Financial Institution	50,390
Harrah's	Casino	26,893
Folger's Coffee	Coffee Manufacturing	22,927
Marriott Hotel	Hospitality	22,409
Hancock Whitney Bank	Banking	22,378
International Rivercenter	Commercial Leasing	18,900
JPMorgan Chase	Banking	18,179
Bellsouth	Communications	16,796
First Horizon Bank	Banking	15,464

## City Council Members and Council District Map

The New Orleans City Council is the legislative branch of city government. The Council considers and enacts all local laws that govern the City of New Orleans. The Council also approves the City's annual operating and capital budgets, as recommended by the Mayor, and continually monitors revenues and expenditures for local government operations. The City Council is also the regulatory body for local utilities. It reviews and determines land use and zoning matters, as well as considers major economic development projects for the City. The Council serves as a Board of Review for Orleans Parish and examines appeals of property tax assessments for real estate taxes and certifies tax rolls for the Louisiana Tax Commission. The *Citizens' Guide to the New Orleans City Council* can be found [here](#).

# CITY OF NEW ORLEANS

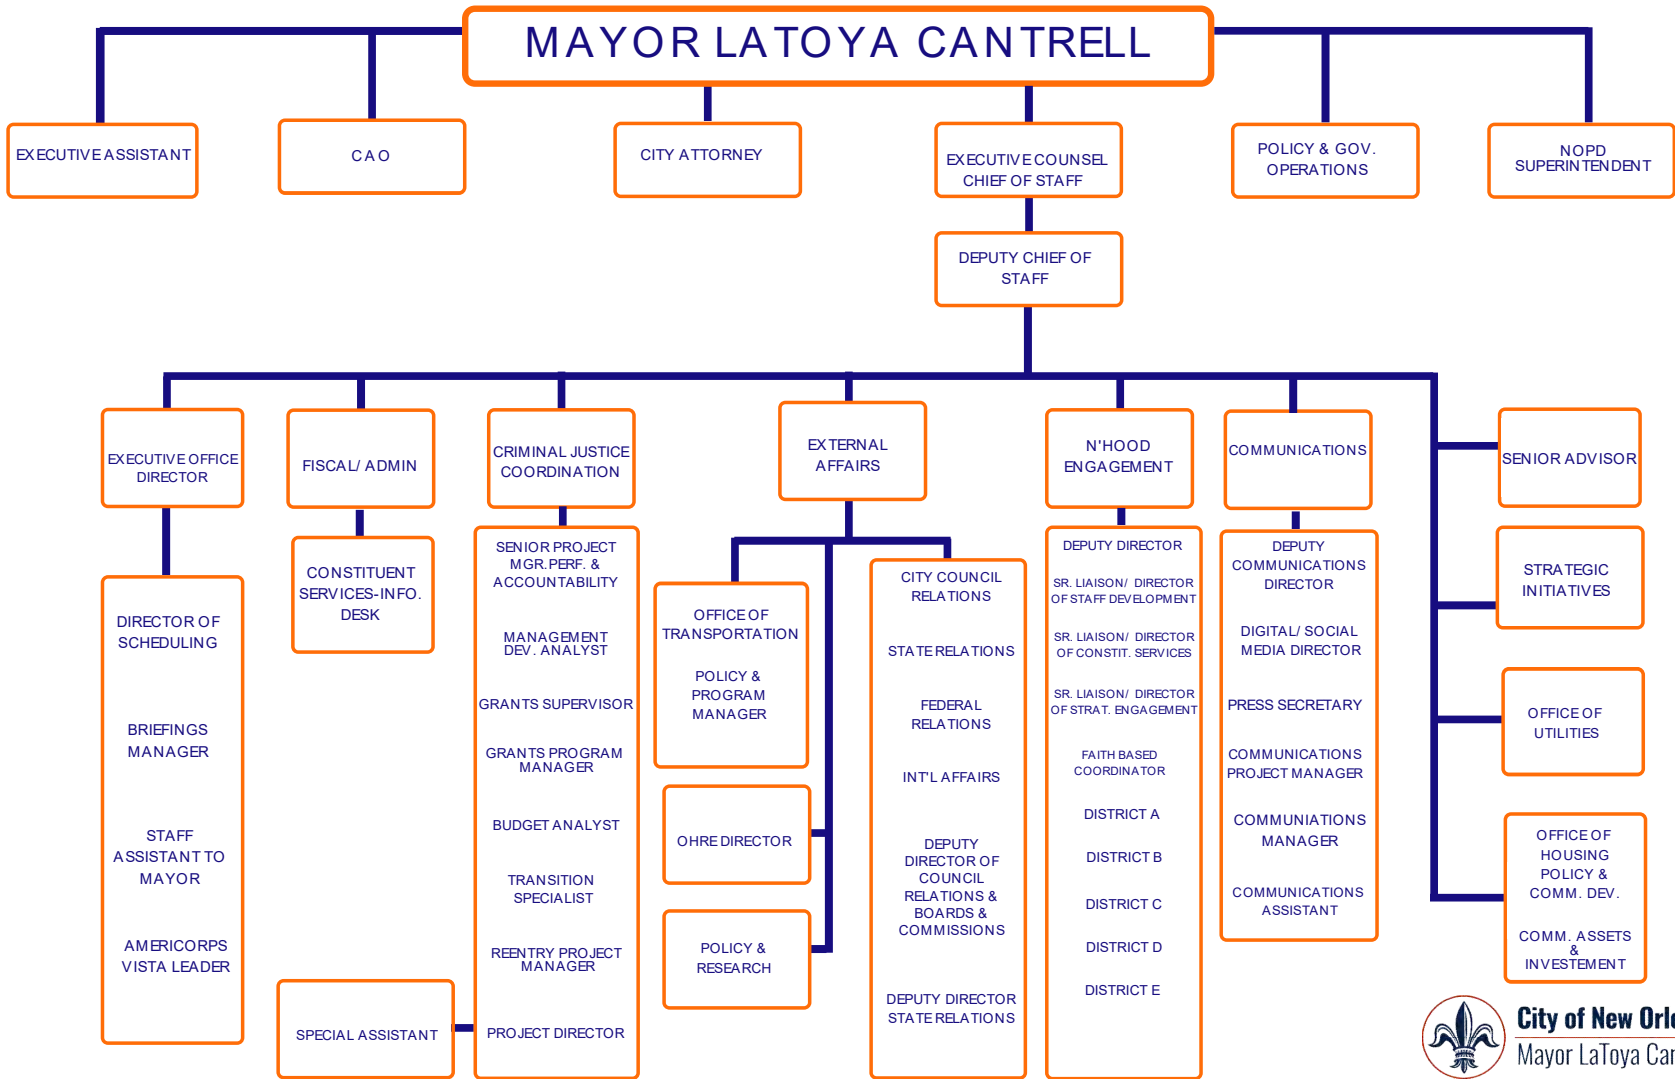

## ORGANIZATIONAL CHART

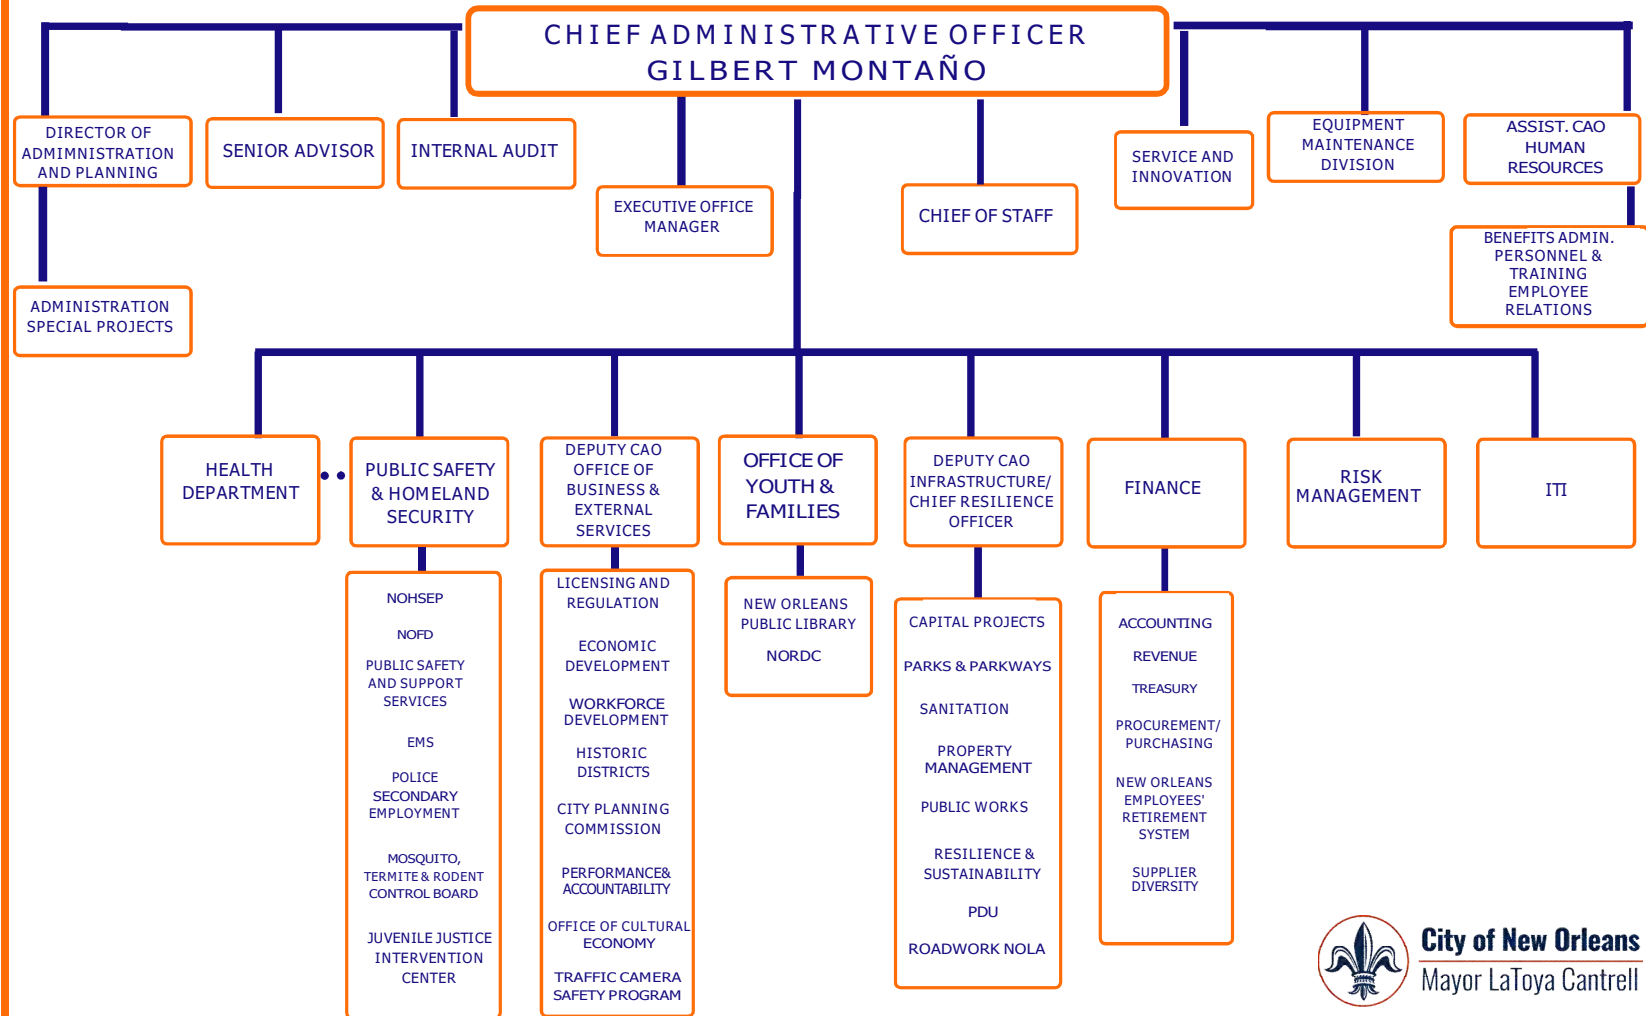

# CANTRELL ADMINISTRATION

## ORGANIZATIONAL CHART

# CHIEF ADMINISTRATIVE OFFICE

## ORGANIZATIONAL CHART

## **Strategic Overview**

City's Strategic Vision

Forward Together - The City's Strategic Framework

## City's Strategic Vision

### City Vision

New Orleans is a City of Yes. We are an inclusive, welcoming, and accessible place to live. New Orleans is a solutions-oriented city focused on improving the quality of life of its residents.

We are a city that takes care of and invests in its people. New Orleans realizes that it cannot truly grow without helping those residents that need it most. We are a great place to visit, but a better place to live.

We are a sustainable city. We care for our physical and emotional environment so that future generations can also enjoy it. New Orleans is a city that lives with water, and it is growing to be more resilient, cleaner, and greener. We prioritize key needs and initiatives that improve the long-term stability and health of the city.

### City Mission

The City of New Orleans creates and preserves healthy, vibrant communities. We engage with diverse groups of leaders and stakeholders to involve broad perspectives on the City's priorities.

We foster progressive, creative approaches to solutions.

We responsibly protect our City's most precious natural resource: her people.

### City Values

In the Cantrell Administration, what we do may change from day to day, but how we do business is reflected by these values:

**Intentional:** We are thoughtful, resourceful, and creative.

**Solutions Oriented:** We focus on the future, how to improve or do better, not assigning fault or blame.

**Truthful and Transparent:** We believe people deserve complete information, good, bad, or otherwise.

**Collaborative:** We actively work to break down silos, and engage with coworkers, residents, private and philanthropic partners to create solutions.

**Holistic:** We solve problems by taking into account the whole picture around a person or an issue to create real, sustainable change. People are dynamic, and multi-dimensional, and so are the issues we face.

**People-centric:** We take care of each other and give people fair opportunities to succeed. We build systems that are user-experience oriented, so that it is easier to interact with government.

## Forward Together – Strategic Framework

The Cantrell Administration’s **Forward Together –Strategic Framework** was designed to guide the City’s overall direction and serve as the foundation for budgeting and performance management. Best practices demonstrate the importance of having a strategic framework linking city services to achievement of desired outcomes.

The City of New Orleans is committed to addressing the concerns of residents and breaking down barriers that prevent all residents from living their best life. The City strives to build an equitable, authentic, and inclusive community.

The City’s priority areas are derived from the community’s priorities that have been identified as five key initiatives which make up the Forward Together – Strategic Framework. In January 2018, then Mayor-elect Cantrell invited more than 250 diverse residents and friends of the City to bring their perspectives and expertise to the table. The [Forward Together Transition Plan](#) is the result of the time, energy, and resources they brought to this process and is the foundation for the City’s Forward Together – Strategic Framework.

### Forward Together – the City’s Strategic Framework

*The Cantrell Administration’s Strategic Framework was designed to prioritize the issues that matter most to New Orleanians.*

Since the onset of the Cantrell Administration, the City’s Strategic Framework has been rooted in investing in New Orleans and in keeping the City safe. Public safety as a matter of public health and gun violence reduction are among the City’s top priorities. These also include improved and sustainable infrastructure, affordable housing accessibility, workforce development, economic and community development, enriched outcomes for youth and families, good government, and fiscal responsibility.

**Public Safety as a Matter of Public Health: Address root causes to ensure public safety.**

This priority was identified as part of the City’s larger effort to break down silos and promote cross-departmental and inter-agency cooperation. Specifically, the goal is to leverage citywide resources to address public safety concerns as a larger public health crisis --- identifying the issue as being larger than a policing problem and calling the larger community to action around a New Orleans problem.

Public safety is a top priority for every New Orleanian. The City relies on all the agencies within the criminal justice system - police, courts, prosecution, jail, and public defense - to keep us safe. The City has a foundation to build upon to realize its vision of a coordinated, transparent, ethical, and constitutional criminal justice system that delivers safety, fairness, and equitable outcomes for every citizen. New thinking is also needed to tackle some of the most dire problems, especially violent crime.

Under the Cantrell Administration, the City is working as a cohesive system and coordinating efforts across the board to institutionalize a holistic and sustainable violent crime reduction strategy that reduces the human, fiscal, and social costs that prevent the City from reaching its full potential.

Addressing public safety from a holistic vantage point widens the lens of how we view potential solutions, bringing in elements of our Office of Youth and Families (OYF) and Office of Gun Violence Prevention to continue leveraging the analysis of gun violence in the City.

The Office of Criminal Justice Coordination, the New Orleans Police Department (NOPD), the New Orleans Health Department (NOHD), the Orleans Public Defenders Office, the Orleans Parish District Attorney’s Office, and the courts are partnering to implement preventive criminal justice programs such as the Restorative Justice Diversion Program and the Municipal Court Mental Health Program.

To meet our goals, we will continue to refocus city efforts around addressing root cause issues as they pertain to gun violence, while dedicating resources and manpower to deeper issues of equity, access to services, and mental as well as physical health. The anticipated results are long-term culture change, whereby public safety issues and the approach to stopping crime is rooted in a holistic process in which police action is only one part of the larger fight.

Priorities under this goal include:

- Ensure criminal justice efforts result in a safer community.
- Prevent crime and cycles of violence.
- Provide accountable emergency response.

**Investing in Infrastructure: Provide reliable and sustainable services to our residents, businesses, and visitors.**

The Cantrell Administration is committed to putting the City on a sustainable path to making infrastructure investments that support the basic needs of the City.

The Administration fought for the City’s Fair Share - and we won. Working together with the Governor’s Office, members of the City’s legislation’s delegation and with industry leaders, the Administration kept its promises to the people of New Orleans and fought to ensure that the revenue generated by the people of New Orleans goes

into addressing the urgent needs of the people of New Orleans. The Fair Share agreement was a vital first step.

Then despite the COVID-19 pandemic, a massive economic downturn, as well as eight storms that placed New Orleans in the cone of uncertainty, the Cantrell Administration made the decision to accelerate the City's infrastructure programs. The City is well under way with implementing the most comprehensive joint infrastructure program between the Sewerage and Water Board and Department of Public Works that our City has seen in a generation - with \$2.3 billion in total of local and federal funds.

The Administration recognizes that green infrastructure investment is key to the sustainability and future of New Orleans. We are truly learning to live with water, through investments in projects that utilize parks, vacant land and innovative streetscaping to hold rain during severe weather events while our pumping system catches up. This is the key to the sustainability and future of New Orleans. Sustainable and efficient infrastructure investments will provide improved air, earth, and water quality to our residents.

The goals of this priority also include expanding the focus of infrastructure away from strictly physical improvements and towards an appreciation for and investment in human capital. These investments are anticipated to result in a more satisfied, more productive, and more efficient services for our residents.

Priorities under this goal include:

- Modernize citywide infrastructure with a focus on sustainability.
- Repair and maintain infrastructure.
- Improve accountability and transparency for the Sewage & Water Board.

**Quality of Life: Ensure equitable and consistent access to quality services.**

This initiative was identified as a priority early on, encompassing both the physical and philosophical impetus to clean up the City we serve and the way the City does business.

The goals to improve the quality of life in New Orleans include equitable access to affordable housing, safer and more resilient streets, accurate traffic signs, cleaner public spaces, as well as a deeper cultural shift that discourages excessive litter and debris, and more accessible and affordable public transportation. Anticipated results embrace cleaner public spaces, expanded business investment, and a more transparent and streamlined process for dealing with city government across the board.

Priorities that support enhanced quality of life include:

- Expanding affordable housing options in opportunity neighborhoods
- Construct EV charging stations and initiate more programs to incentivize the use of EVs
- Repairing and replacing traffic signals and signs
- Improving access to public transportation and fare affordability
- Beautify public green spaces
- Blight remediation

**Economic Development: Promote inclusive, intergenerational economic growth to attract and retain businesses and residents.**

The Cantrell Administration continues to identify economic development opportunities as a priority because all other initiatives and programs depend on the health and growth of our City’s economy. Mayor Cantrell has set a vision for an inclusive economy that creates opportunities for our residents and businesses and a business climate that encourages investment, innovation, and job creation.

The Administration recognizes the challenge to our local economy brought about by the COVID-19 pandemic, as well as weather events like Hurricane Ida that caused widespread disruption. The City is committed to helping our community adapt and thrive despite economic challenges.

Priorities under this goal include:

- Place-based economic development, especially in underserved neighborhoods.
- Catalytic redevelopment of strategic sites and stewardship of city-owned property.
- Innovation and entrepreneurship in priority industries, with a focus on entrepreneurs of color.
- Investment in our people through workforce development.
- Transformation of systems of economic development, acknowledging that there are many factors that work together that impact our economy.

**Good Governance is Inclusive Governance: Reimagine government to meet people where they are.**

The Cantrell Administration began its work with the belief that government needs to work better for everyone. We have operated with the understanding that we need to be transparent and intentional about the culture change within City Hall, and that means a more welcoming, inclusive workforce that will fight for the residents’ fair share.

The City needs to consider investments that are sustainable, efficient, and focus on equity. It means recognizing that while we know how things have been done, change is happening, and more change is coming.

Priorities under this goal include:

- Make the City the best workplace in New Orleans.
- Modernize the City’s finances and business processes.
- Adopt technologies and innovations that help city employees work smarter.
- Make city government accessible to residents when and where they need it.

## **Financial and Budgetary Policies**

General Financial Policies

Long-Term Financial Policies

The City's Budgetary Fund Structure

Debt and Debt Management

## General Financial Policies

### Budget Basis

The budgets of the General Fund, Special Revenue Funds, Debt Service Funds, and Trust Funds are prepared and accounted for on the modified accrual basis. Briefly, this means that revenues are recognized in the accounting period in which they become available and measurable. Available means collectible within the current period or soon enough after to pay current liabilities. The City considers amounts collected within sixty days after the year-end to be available and recognizes them as revenues of the current period. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met and amounts are considered available. Licenses and permits, certain charges for services, fines, and miscellaneous other revenues are recorded when received. Expenditures are recognized in the accounting period in which the fund liability is incurred. The City uses the modified accrual basis for fund accounting, as well as the audited financial statements.

Pension trust funds are accounted for on the economic resource measurement focus and use the accrual basis of accounting. Their revenues are recognized when earned, and their expenses are recognized when incurred. Agency funds use the accrual basis of accounting, but do not involve the measurement of operations.

The difference between planned expenditures and revenues is called a Fund Balance. Two different calculations are utilized. For the General Fund, the unreserved, undesignated portion of the Fund Balance is reported. For other funds, Fund Balance is reported as current revenues less current expenses less reserves for encumbrances, prepaid balances and inventories. Gross Ending Balance for non-General Fund entities refers to Fund Balance before any reserves are taken into account. Net Ending Balance is a fund's final ending balance after reserves.

Financial reserves for non-General Fund funds are determined on a fund-by-fund basis. Some funds calculate reserves as a certain percentage of the budget, while others calculate reserves in an amount equivalent to two to three months of operating budgets.

### Accounting Principles

The accounting principles of the City of New Orleans conform to generally accepted accounting principles (GAAP) applicable to governmental entities.

The Governmental Accounting Standards Board (GASB) is the accepted standards setting body for establishing governmental accounting and financial reporting principles. The City Charter, Section 3-116(3), requires revenues to be estimated using generally accepted accounting principles defined by the GASB.

The City's budget is prepared on a modified accrual basis and in conformity with U.S. generally accepted accounting principles (GAAP) for local government units as prescribed by the Governmental Accounting Standards Board (GASB). The City uses a modified accrual basis of accounting for its budget and audited financial statements.

### Legal Requirements

The City of New Orleans is a municipal corporation governed by the Mayor and City Council.

Annual budgets are adopted for the General, Special Revenue, and Debt Service Funds with a level of legal budgetary control established by the City Council.

The City Charter, Section 6-106, establishes the fiscal year for the budget as the calendar year. The City Charter, Section 3-116, requires the budget to be balanced.

The City Charter, Section 6-108 (1), states that, “the Council shall execute an agreement with a Certified Public Accountant or firm of Certified Public Accountants for the purpose of securing an audit of the accounts of the City.” The City Charter, Section 6-108 (2), requires the independent audit to be completed no later than six months after the close of the fiscal year just completed.

### **Consideration and Adoption of the Annual Operating Budget**

The City Charter, Section 3-115, sets for the requirements of Council related to the consideration, publication, and adoption of the City’s annual operating budget. The Council is required to provide details of the proposed budget of revenues and a summary of estimated expenditures, identifying new sources of revenue or any increased rates in taxes or fees. The date, time, and location of Councils’ public hearings must be published at least five days in advance of the first day of hearings. The Council, upon conclusion of the public hearings, must adopt a balanced operating budget no later than the first day of December.

### **Balanced Budget**

The City Charter, Section 3-116, requires that the budget be balanced. A balanced budget means that total revenues equal expenditures for the budgeted period. The City’s Charter requirement for a balanced budget prohibits the Department of Finance from approving any expenditure under any portion of the annual operating budget unless sufficient revenues have been appropriated by the City Council to finance the proposed expenditure.

The City Council is required to appropriate the necessary tax and other revenue measures to produce a balanced budget.

As required, the FY2023 General Fund Budget complies with the balanced budget mandate.

## Budgetary Controls

The City maintains budgetary controls at the departmental level by cost object classifications and allocates appropriations on a quarterly basis. The City's Charter specifies three cost object classifications: personal services, other operating expenses, and debt service. Although all expenditures are recorded at the individual line item, they are summarized for reporting purposes in these three expenditure classifications.

Encumbrances are recorded using an online processing system. If sufficient funds are not available to cover the purchase, the requisition is rejected and returned to the originating department for appropriation or allotment changes, transfer of funds, or cancellation. Appropriations may be amended by an action by City Council during the year and all unencumbered appropriations lapse at the year end. Neither the City Charter nor state law allow deficit spending.

The Department of Finance can control the budgeting process through a computerized financial management system, referred to as BRASS and the use of departmental budgets. In 2019, the City of New Orleans completed a major financial infrastructure project updating the City's financial system, integrating four unique systems into one cloud-based suite, BRASS (Budgeting, Requisition, and Accounting Service System). The migration to a single Enterprise Resource Planning (ERP) system allows for continuous collection and analysis of the City's financial performance, in real time, leading to a more effective and efficient delivery of government services.

## Risk Management

The City is self-insured for its hospitalization benefit program, workers' compensation, motor vehicle fleet, general liability, and police department excessive for losses. Premiums are charged to the City's various funds for the unemployment and workers' compensation programs and to employees and the City's various funds for the hospitalization program.

In addition, the City's Risk Management Division works toward reducing the number of claims and lawsuits, shorten the length of time in which a claim is processed or resolved, and provides investigations and support services. The Risk Management Division employs various risk control techniques to minimize risk.

## General Budgetary Policies

### The Budget Document

#### **The budget is a policy document**

The budget reflects the public policy goals of the Mayor and City Council. The budget includes a coherent statement of results the City will produce for the public.

#### **The budget is a strategic planning document**

The budget reflects the vision for the City and a strategic action plan for how the goals of the Mayor, City Council, and community will be accomplished. The budget is more than a spending plan; it is a statement of the City's priorities and provides a road map for the coming year and beyond. The budget reflects the collaboration between the community, the City Council, the Mayor, and staff members.

#### **The budget is a financial planning document**

The budget reflects a process that considers the analysis of revenue and expenditure projections, assumptions about economic conditions, future spending scenarios, and other variables. Forecasts provide insight into the City's future fiscal capacity so that strategies can be developed to ensure long-term sustainability and enable the City to efficiently meet its service objective despite future financial challenges.

### Revenue Policies

#### **Revenue Estimates**

The City Charter, Section 6-101, establishes a Revenue Estimating Conference (REC) to prepare and publish the official forecast revenue estimates. The REC members are the Mayor (who serves as chair), the Chief Administrative Officer, the Director of Finance, a member of the City Council and a faculty member of a college or university in New Orleans who has expertise in forecasting revenues or in a related field. In addition to the members of the REC identified in Section 6-101(1) of the Home Rule Charter of the City of New Orleans, the City Council may select one additional member of the City Council to attend meetings of the REC and serve in the capacity of a non-voting ex-officio member of the body to the extent permitted by the Home Rule Charter.

#### **Diversification of Revenue**

While still a tourism-based economy, New Orleans has diversified its revenue streams since Hurricane Katrina in 2005. Sales and property taxes continue to be the two largest components of General Fund revenue, providing more than half of the operating revenue total. Other major revenue sources include charges for services and licenses and permits, which as locally controlled revenue sources, provide some flexibility to generate revenue.

#### **Property Taxes**

Property taxes in New Orleans are governed by the Constitution of the State of Louisiana, Louisiana Revised Statutes primarily Title 47, and section 150-36 through 150-53 of the City Charter. Tax millages are approved by voters and levied by various public entities such as the City Council, Orleans Parish School Board, Levee Districts and Law Enforcement District. As tax collector, the City issues bills, collects and distributes taxes to the various recipient entities.

Property Assessments are determined by the Orleans Parish Assessor and approved by the Louisiana Tax Commission. Appeals are reviewed by the local Board of Review (City Council) and if necessary, the Louisiana Tax Commission.

By State Constitution the Assessor revalues Assessments every four years upon which the tax millages are applied and billed. When this quadrennial reassessment occurs, taxing entities must conduct hearings and calculate a millage rollback and, if they decide, roll forward the existing tax rate. In recent years, the assessed values of property have fluctuated due to the condition of the real estate market and certain economic conditions such as the COVID-19 pandemic.

### **Fees and Charges**

Fees and charges for specific services should be set so as to not significantly under-recover or over-recover costs. Fees and charges should be reviewed periodically to compare the percentage of cost recovery and to develop recommendations regarding adjustments that should be considered. Service costs should be estimated to include all significant direct and indirect costs of providing the service. Both operating and capital costs should be analyzed.

### **Expenditure Policies**

The City will administer expenditures in an efficient and cost-effective manner in order to provide the residents with delivery of the highest quality public services with the resources available.

### **Procurement**

On an ongoing basis, staff work to minimize the costs of purchasing materials and providing services while maintaining high quality and performance. This is accomplished through compliance with the City's procurement policy, including but not limited to the use of competitive bidding for major city contracts and purchases, obtaining multiple price quotes and estimates for non-routine purchases, and through cooperative arrangements with other governmental agencies for the procurement or delivery of various goods and services. It is the responsibility of the Department of Finance to monitor compliance with city procurement policies and procedures.

### **Use of One-Time and Unpredictable Revenue**

One-time revenue should be applied towards one-time expenditures. To ensure the City spend within its means and preserve its fiscal health, the City shall not use one-time revenue to finance ongoing programs nor for non-recurring expenses that may result in future year obligations such as debt service payments, staffing, and other anticipated operating cost expenditures.

Unpredictable revenue is identified by the City's Revenue Estimating Conference (REC) as revenue sources that are considered unpredictable, volatile, or unreliable. Based on an analysis of the degree of volatility, the REC may project a minimum base for the unpredictable revenue. As such, any revenue collected above the established minimum base may be treated as one-time revenue.

### **Budget to Actual Monitoring**

The City exercises strong oversight in terms of revenues and expenditures closely. Throughout the year. The City conducts detailed reports to monitor progress against the budget during the year through monthly review of budget-to-actual results.

### **Budgetary Controls**

The City maintains budgetary controls at the departmental level by cost object classification and allocates appropriations of a quarterly basis. The City Charter specifies three expenditure object classifications: personal services, other operating expenses, and debt service. Encumbrances are recorded via an online processing system, BRASS. If sufficient funds are not available to cover the requested expenditure, the requisition is rejected and returned to the originating department for appropriation or allotment changes, transfer of funds, or cancellation. Appropriations may be amended by an action by City Council during the year and all unencumbered appropriations lapse at the year end.

## **Grants Management**

### **Grant Application and Oversight**

Before applying for or accepting grants, the city department seeking the grant must first confirm that the grant is consistent with the City's mission and strategic priorities. The department should perform a cost/benefit analysis to determine if any matching funds are required and if there are any other direct costs associated with the grant (overhead costs, indirect costs, and in-kind contributions), including costs that the City may incur at the end of the grant. The department has oversight responsibility for any new or renewed programs or activities that result from the grant.

### **Monitoring the Grant**

The grants manager is required to monitor the funds to assure that the funds are spent properly and accounted for systematically. Monitoring is a compliance requirement. Grants managers may also engage in program performance monitoring to determine the extent to which programs or initiatives are achieving the desired outcomes. Operations monitoring focuses on if the organizational and operational systems, procedures, and practices are functioning effectively and efficiently.

### **After the Grant**

The grants manager is responsible for submitting required final reports and financials. Rather than presuming that a grant will be renewed or continued, each grant-funded program is evaluated before making a decision to renew or continue.

## **Multi-Year Financial Planning**

The City recognizes the value in developing a multi-year financial plan to project long-term financial trends and potential risk factors that may impact the City's fiscal health and sustainability in the future. A multi-year financial plan is a critical decision-making tool, provides a framework for future financial decisions, and illustrates the ability of the City to deliver high-quality services given a set of policy and economic assumptions. It can serve as a roadmap for maintaining the fiscal health and stability of the City.

The Revenue Estimating Conference (REC) prepares, presents, and publishes revenue projections based on key macroeconomic indicators, local indicators, and other economic issues that affect the City's long-term fiscal outlook. Analyzing revenue, expenditure, and fund balance projections can allow the City to proactively address any potential risks, avoiding issues in the future and helping to maintain fiscal stability.

Through the multi-year financial planning process, the Administration can direct resources strategically toward the long-term objectives and priorities of the City. The process creates a commitment and motivation toward a more holistic and sustainable efficient use of resources while maximizing the quality of services the City is able to deliver to her residents.

## Fund Balance

The term fund balance is used to describe the net position of government funds calculated in accordance with generally accepted accounting principles (GAAP). The reported fund balances are considered a measure of "available spendable resources."

In November 2019, New Orleans voters agreed to create a safety net for the City's finances and establish an emergency reserve account. The target level for the emergency reserve account (Savings Fund), outlined in Chapter 1, Section 6-201 of the City Charter, is five percent of the average of the previous five years of actual General Fund expenditures. The emergency reserve will be used only for natural disasters, severe economic downturns, and other major emergencies that disrupt revenue sources or require substantial unanticipated expenses to address. A two-thirds vote of the City Council is required to tap the fund. If drawn upon, it will be replenished to appropriate levels in subsequent years.

The fund balance of governmental funds is reported in various categories based on the nature of limitations requiring the use of resources for specific purposes. The City can establish use limitations through either commitment or assignment. The City of New Orleans reports governmental fund balances as Non-Spendable Fund Balance, Restricted Fund Balance, Committed Fund Balance, Assigned Fund Balance, and Unassigned Fund Balance.

The unassigned fund balance may serve as a useful measure of the City's net resources available for discretionary use as it represents the portion of the fund balance which has not yet been limited in use for a particular purpose by either an external party, the City itself, or a group or individual that has been delegated authority to assign resources for use for purposes specified by City Council.

The Revenue Estimating Conference (REC) analyzes relevant economic data and considers important factors that represent significant potential of uncertainty for the City's revenue base. Based on these analyses, the REC estimates revenues and projects net changes to the City's General Fund balance.

## The City's Budgetary Fund Structure

An important concept in governmental accounting and budgeting is the division of the budget into categories called funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been separated for specific activities or objectives. Funds are separate fiscal accounting entities.

Budgeting and accounting for revenues and expenditures in this manner is called fund accounting. Fund accounting allows a government to budget and account for revenues and expenditures restricted by law or policy. The City, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Governments may use any number of individual funds in their financial reporting; however, generally accepted accounting principles (GAAP) require all individual funds to be aggregated into specific fund types. Any fund constituting 10 percent or more of the appropriated budget is considered a "major" fund.

### Types of Funds

The funds of the City can be divided into two categories: governmental funds and fiduciary funds. The City does not maintain any proprietary funds. The City's operating budget includes governmental funds only.

#### Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities. Governmental fund activities focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Government activities are principally supported by taxes and intergovernmental revenues and includes general government, public safety, public works, health and human services, culture and recreation, urban development and housing, and economic development.

#### Fiduciary Funds

Fiduciary funds are used to account for resources held by the City in a trustee capacity and held for the benefit of parties outside of the City such as external organizations or other governmental units. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. Fiduciary funds include pension and other employee benefit trust funds, agency funds, external investment trust funds, and private-purpose trust funds.

#### Proprietary Funds

Proprietary funds are used to account for organizations and activities which are similar to those often found in the private sector. The City does not directly maintain any proprietary funds. Proprietary activities are included within component units of the City and are accounted for separately.

## The City of New Orleans' Fund Structure

The fund structure by which the financial transactions of the City of New Orleans are recorded is defined by Article VI Chapter 1 and 2 of the City's Charter. All general governmental functions, other than debt service and capital improvements, are accounted for in the General Fund.

### Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities. Governmental fund activities focus on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the fiscal year.

Special Revenue Funds account for the proceeds of specific revenue sources (other than expandable trusts or for major capital projects) that are legally restricted to expenditures for specific purposes.

The City maintains 96 individual governmental funds, including five major funds. Two of the City's major funds, the Debt Service Fund and the Capital Projects Fund, are not included in the City's Annual Operating Budget.

### Major Funds

The City's major funds include:

**General Fund** is the general operating fund of the City. It is used to account for most of the day-to-day activities of the City. All general tax revenues and general receipts that are not allocated by law or contractual agreement to another fund are accounted for in the General Fund. The general operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are paid through the General Fund.

**HUD Fund** is a special revenue fund used to account for funding from the Department of Housing and Urban Development (HUD). Some of the major initiatives are Community Development Block Grants (CDBG), HOME Investment Partnership Act Program (HOME), Emergency Shelter Grant Program (ESG), and Housing Opportunities for Persons with HIV/AIDS (HOPWA).

**FEMA Fund** primarily accounts for grants received as a result of Hurricanes Katrina, Rita and Gustav from the Federal government. FEMA, as authorized by the Stafford Act, assists individuals, as well as state and local governments with response to and recovery from disasters. The FEMA grants are reimbursement basis grants where expenditures and related revenues have been accrued.

These major funds that are not part of the City's operating budget:

**Debt Service Fund** is used to account for the accumulation of resources for and the payment of general long-term debt to principal, interest, and related costs. The Debt Service Fund is not included in the City's operating budget and is maintained by the Board of Liquidation, City Debt.

**Capital Projects Fund** is used to account for financial resources and expenditures to be used for the acquisition or construction of major capital facilities, repair and maintenance projects other than those financed by trust funds or enterprise operations. The Capital Projects Fund is not included in the City's operating budget and is part of the City's Capital Budget.

## Non-Major Funds

The City's non-major funds include:

**Downtown Development District Fund (DDD)** accounts for funds from a special ad valorem tax levied on all real property situated within the boundaries of the Downtown Development District of the City. Funds are used to provide and maintain additional public improvements, facilities, and services in the DDD, including, but not limited to, special public safety services, supplemental sanitation services, street improvements, and promotional activities.

**Economic Development Fund**, established in 1992, accounts for funds generated from a dedicated 0.91 mils of property tax for a period of thirty years. The fund is used to support economic development initiatives.

**Federal Grants Fund** accounts for federal grants received directly from federal agencies or passed through other governmental agencies.

**Grants, Contributions, and Transfer Fund** is a clearing account to allow resources from all funding sources to be appropriated and used by all operating budget agencies throughout the City.

**Housing Trust Fund**, established in 1992, accounts for funds generated from a dedicated 0.91 mils of property tax for a period of thirty years. The fund is used to support a comprehensive neighborhood housing improvement program, specifically to alleviate urban blight. Funding is allocated to programs which repair and renovate housing in low income areas of the City.

**Library Fund** accounts for funds from a special ad valorem tax levied on all property subject to taxation within the limits of the City of New Orleans dedicated for the operations of all the City's public libraries.

**Local Law Enforcement Grant Fund (LLE)** accounts for local law enforcement grants received by the City.

**State and Local Foundation Grants Fund** accounts for State grants and local foundation grants received directly from State agencies and local foundations or passed through other governmental agencies.

**Wisner Fund/Mayoral Fellows Fund** is special revenue fund that accounts for funding from various sources to place recent college graduates in positions throughout City government to provide insight into the operations of city government and to support efficiency and improvement projects.

**Additional Special Revenue and Trust Funds** are non-major funds that go to various departments. The purpose of these funds is to provide additional operational funding for city departments to carry out their services.

The Board of City Trusts (BoCT), established in 1954, reviews and recommends acceptance all trusts and donations that fall into the Additional Special Revenue and Trust Fund category. In October 2020, the BoCT analyzed the trust funds under their purview. After thorough deliberation, the BoCT recommended that remaining balances from several funds should be transferred to appropriate city agencies or departments and the fund abolished. Additionally, the BoCt recommended that careful consideration should be taken in future acceptance of trusts and creation of new dedicated funds.

For the 2021 Board of City Trusts presentation to City Council, see here:

[https://cityofno.granicus.com/MetaViewer.php?view\\_id=42&event\\_id=22946&meta\\_id=507775](https://cityofno.granicus.com/MetaViewer.php?view_id=42&event_id=22946&meta_id=507775)

## **Fiduciary Funds**

Fiduciary funds are used to account for resources held by the City in a trustee capacity for individuals, organizations, other governmental units, and other funds. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the City's own programs. Fiduciary funds include pension and other employee benefit trust funds, agency funds, external investment trust funds, and private-purpose trust funds.

The City maintains fiduciary funds through its blended component units. Blended component units are legally separated entities but are considered part of the City's operations since they provide services exclusively or almost exclusively for the City. The City is financially accountable for these funds.

### **Pension Trust Funds and Other Postemployment Benefit Plans (OPEB) Trust Funds**

Pension trust funds account for the accumulation of resources for pension benefit payments to qualified employees. The following component units are reported by the City of New Orleans as pension trust funds:

**Employees' Retirement System of the City of New Orleans (NOMERS)** is a separate legal entity established by City ordinance to provide pension benefits for substantially all city employees, except police officers and firefighters. NOMERS is presented as a pension trust fund because NOMERS serves the employees of the City. The net position of NOMERS is held for the sole benefit of the participants and is not available for appropriation.

**Firefighters' Pension and Relief Fund (FPRF)** is a separate legal entity established by state law to provide pension benefits for city firefighters. FPRF is presented as a pension trust fund. The Old System covers firefighters who were employed prior to December 31, 197; the New System covers firefighters hired since that date. The net position of FPRF is held for the sole benefit of the participants and is not available for appropriation.

**Police Pension Fund** is referred to as the "old plan" for the Police Department of the City of New Orleans and was the pension fund for all officers, members, and employees of the Police Department, their widows, children, and widowed mothers. The Board of Trustees administers, manages, operates, and controls the Police Pension Fund of the City of New Orleans. Effective March 6, 1983, all members of the Police Plan, active and retired, except approximately 250 participants who did not meet eligibility requirements, became members of the Municipal Police Employees' Retirement System (MPERS) administered by the State of Louisiana.

### **Investment Trust Funds**

Investment trust funds are used to report the external portion of investment pools held in a qualifying trust. The City does not manage any Investment trust funds.

### **Private Purpose Trust Funds**

Private purpose trust funds are those funds held in a qualifying trust that are not required to be reported in Pension or OPEB or Investment Trust Funds. These funds are used for specific purposes, such as endowment or scholarship funds that were originally defined by the person or entity that gave or endowed the funds to the City. For example, the Isaac Delgado Memorial Trust Fund is a private purpose trust fund.

## Agency Funds (Custodial Trust Funds)

Agency funds, also referred to as custodial trust funds, are custodial in nature and do not involve measurement of results of operations (revenues, expenditures, or expenses.) The City's agency funds are categorized as:

- Clearing Fund: used to account for money being held pending payment to other funds as provided by law.
- Deposit Fund: used to account for money deposited under any ordinance or contract in connection with the exercise of any right or privilege for the purpose of guaranteeing performance of any obligation.
- Escrow Fund - used to account for money paid to or deposited with any officer, department, or board held subject to the proper determination of the rights of the City.

## Proprietary Funds

Proprietary funds are used to account for the organizations and activities which are similar to those often found in the private sector. Although the City does not directly operate any proprietary funds, the City is financially accountable for or has a relationship with organizations that may create a financial benefit or burden for the City. The City may consider a significant or financial relationship if it appoints a voting majority of the organization's governing body and is able to impose its will on the organization. The organization can provide a financial benefit or impose a financial burden on the City in a variety of ways. The benefit or burden may result from legal entitlements or obligations or may be less formalized and exist because of decisions made by the City or agreements between the City and the organization (component unit).

The City operates the following proprietary funds on behalf of its component units:

- Audubon Commission
- Downtown Development District (Fund 6692)
- Louis Armstrong New Orleans International Airport (New Orleans Aviation Board)
- New Orleans Building Corporation
- Orleans Parish Communications District
- Sewage and Water Board
- Parking Facilities Corporation
- French Market Corporation
- New Orleans Municipal Yacht Harbor Management Corporation
- New Orleans Tourism Marketing Corporation
- Orleans Parish Hospital Service District A

## Enterprise Funds

Enterprise funds are used to account for operations that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the expense of providing the goods or services to the general public will be financed or recovered primarily through user charges. With enterprise funds, revenues earned, expenses incurred, and/or net income is appropriated for capital maintenance, management, accountability, or other purposes.

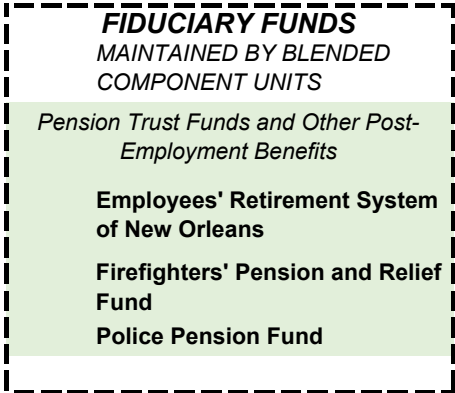

## Internal Service Funds

Internal Service Funds are used to account for the financing of goods and services provided by one department or agency to other departments or agencies of the City, or to other governmental units, on a cost-reimbursement basis. The City does not operate any internal service funds.

# The Mayor's Executive Order Related to the Annual Budgeting Process

LC 18-06

LATOYA CANTRELL, MAYOR  
CITY OF NEW ORLEANS

## OFFICE OF THE MAYOR

### EXECUTIVE ORDER

#### LC 18-06

**WHEREAS**, it is in the interest of the City of New Orleans to adopt national best practices in its budgeting process;

**WHEREAS**, the Mayor and City Council seek to produce a budget with descriptive information to ensure citizens can understand the sources of revenues and uses of expenditures;

**WHEREAS**, to accomplish a budget based on sound economic forecasts, it may be necessary for the Revenue Estimating Conference to meet more frequently than mandated in the Home Rule Charter;

**WHEREAS**, the Mayor and City Council seek to work cooperatively throughout the year to ensure the City Council receives monthly information relative to revenues and expenditures of the City;

**NOW, THEREFORE, I, LATOYA CANTRELL**, by the authority vested in me as Mayor of the City of New Orleans by the Constitution and laws of the State of Louisiana and the Home Rule Charter and laws of the City of New Orleans, **HEREBY ORDER AS FOLLOWS**:

1. Effective Date  
This Executive Order is effective upon the date of its issuance. Previously issued Executive Order MJL-10-01 is hereby revoked.
2. Purpose  
To provide for the Revenue Estimating Conference to meet more frequently than required by the Home Rule Charter, maintain City Council representation on the Revenue Estimating Conference, and provide monthly submittals of revenue and expenditure data to the City Council by the Administration.
3. Budgeting for Outcomes  
The City of New Orleans shall utilize the Budgeting for Outcomes (“BFO”) approach or a modified Budgeting for Outcomes approach in developing its operating budget. BFO asks public leaders to set the price of government, determine the outcomes citizens value most, prioritize tax dollars to purchase those results, and rethink the way departments and agencies pursue producing outcomes. The Chief Administrative Officer is directed to work with the City Council throughout the Budgeting for Outcomes process.

4. Submission Date  
The operating and executive capital budgets of the City of New Orleans shall be submitted by the Mayor to the City Council at the earliest possible date, but no later than November 1. The budget shall be posted on the City of New Orleans web site after submission to the City Council.
5. Narrative Descriptions  
The operating budget shall include narrative descriptions identifying sources of revenues and shall include a written narrative detailing the purpose of expenditure appropriations including an itemized list of anticipated contractual services and their estimated value within the appropriate class.
6. Executive Capital Budget  
The Deputy Chief Administrative Officer for Infrastructure and the City Planning Commission shall work with the City Council to develop an improved format for the presentation of the City's Executive Capital Budget that includes narrative descriptions of each project as well as clearly identifies sources and uses of funds for each project that will be constructed during the next year.
7. Meetings of Revenue Estimating Conference  
In addition to the meetings required by the Home Rule Charter, two additional meetings of the Revenue Estimating Conference shall be convened if requested by either the Mayor or City Council Budget Committee Chair.
8. Addition of Non-Voting Member of Revenue Estimating Conference  
In addition to the members of the Revenue Estimating Conference identified in Section 6-101(1) of the Home Rule Charter of the City of New Orleans, the City Council may select one additional member of the City Council to attend meetings of the Revenue Estimating Conference and serve in the capacity of a non-voting ex officio member of the body to the extent permitted by the Home Rule Charter.
9. Submission of Monthly Budget Reports  
The Chief Administrative Officer shall submit monthly budget reports to the City Council through its Budget Committee. Said monthly reports shall include a report on actual revenues and expenditures by major categories and include a comparison of current data to prior year-to-date data.
10. Duration  
This Executive Order will remain in effect until amended or suspended by a subsequent order approved in accordance with Section 4-206(3)(c) of the Charter.

WITNESS MY HAND AND SEAL THIS 2<sup>nd</sup> DAY OF August,  
2018, AT NEW ORLEANS, LOUISIANA.

\_\_\_\_\_  
LaToya Cantrell, Mayor  
City of New Orleans

## The Budget Calendar

Month	Activity
<b>February - May</b>	<b>Departments Develop Performance Measures</b> Department leadership and staff work with the budget team to develop performance measures that are aligned to the City's strategic framework, <i>Forward Together</i> .
<b>May</b>	<b>Mayor Sets the Priorities for the Upcoming Budget Year</b> The Mayor and her staff, in consultation with community leaders, department heads, and key stakeholders, confirm the priority areas or the upcoming budget where city government wil focus its efforts.
<b>July-August</b>	<b>Training and Budget Development Process Begins</b>
<b>August</b>	<b>Mayor Hosts Community Budget Townhall Meetings</b> Mayor hosts Community Budget Meetings in each Council District to solicit community input for the upcoming budget. The Mayor presents information on the budget process and hears suggestions, feedback, and ideas from the community. Leaders from city departments are present to have conversations with residents.  <b>Submission and Review of Initial Budget Requests</b> Departments submit budget requests to the Chief Administrative Officer (CAO) stating what, if any, changes are proposed to the upcoming budget to meet key city priorities
<b>August- September</b>	<b>Departmental Budget Meetings</b> Departments meet with the CAO to review year-to-date performance and spending patterns.
<b>October</b>	<b>Mayor Receives Capital Improvement Program</b> City Planning Commission prepares and submits a capital improvement program outling a five-year plan for investments.  <b>Mayor Hosts ARPA Public Meetings</b> The Mayor hosts public meetings to introduce the American Rescue Plan Act (ARPA) funds the City will receive and to solicit community input on how these one-time funds should be utilized.

**November**

**Proposed Budget Submission**

The Mayor submits the proposed budget to City Council. The City Charter mandates this submission on or before November 1.

**Mayor Submits Capital Budget to City Council**

The Mayor submits the capital budget to City Council no later than November 1.

**December**

**City Council Approves the Budget**

As mandated by the City Charter, City Council adopts the budget on or before December 1.

## The Budgeting Process

### Adoption of the Budget

The City Charter, Section 4-206(1)(f), states that the Mayor submits the operating and capital budgets annually to the City Council.

The City Charter, Section 3-115(2), establishes that the City Council adopts the annual budget no later than the first day of December before the fiscal year begins.

The City Charter, Section 6-104 states that the City Planning Commission before October 15 each year will prepare and submit to the Mayor a capital program for the next five years.

The Mayor will submit a capital budget to the City Council no later than November first of each year.

On August 2, 2018, Mayor Cantrell signed Executive Order LC 18-06 mandating that the City's budget proposal would be submitted to the City Council no later than November 1, meeting the City Charter requirement of Section 6-102. The Budget shall be adopted by the City Council no later than December 1<sup>st</sup>. Upon final adoption, the Budget shall be in effect for the fiscal year and copies shall be filed in accordance with State and local statutes. The Budget will be posted on the City's website, [www.nola.gov](http://www.nola.gov).

### Budget Amendment

The City Charter provides that the City Council may amend the Mayor's Budget; it may increase, decrease or delete any item of appropriation proposed by the Mayor. By a two-thirds vote of its members, the Council may add new items of appropriation. Appropriations for Personal Services must be made as lump sums, not by specific positions or rates of pay. Once the Budget has been adopted, adjustments are made by ordinance.

### Managing the Enacted Budget

The legal level of budgetary control is at the department level within a fund, separated into appropriations for three categories of cost object classifications: personal services, other operating expenses and debt service.

After the initial budget is adopted, it may be amended for interdepartmental transfers of appropriations with the approval of the Budget Committee of the City Council and the City Council. Intradepartmental transfers of appropriation among individual budgetary accounts may be initiated by a department head with the approval of the Chief Administrative Officer.

Total appropriations for any fund may be increased, if, during the year, sources of revenue become available to the City in excess of original anticipations, and these amounts are anticipated by the Budget Committee of the City Council and subsequently approved by the City Council. For the General Fund, unanticipated revenues should first be used to reach the appropriate target levels for the unreserved fund balance account and the emergency reserve account.

Significant changes in anticipated General Fund revenues or expenditures during the budget year will necessitate formal amendments being proposed to Budget Committee of the City Council and the City

Council to amend the annual budget as appropriate.

### **Encumbrances**

Encumbrance accounting, under which purchase orders and contracts are recorded to reserve that portion of the applicable appropriation, is employed as an extension of the formal budgetary process. Contractually encumbered appropriations and certain requisition commitments in the General Fund do not lapse but are carried forward to the ensuing budget year.

All General Fund appropriations, except for those in the unreserved fund balance and emergency reserve, lapse at the end of the year.

### **Interfund Transfers**

If expense items in grants are not reimbursed and are considered uncollectible, the General Fund needs to cover them. Transfers need to be clearly documented.

### **Budget Monitoring and Reporting**

The budget will be monitored monthly after the first quarter of the fiscal year. A monthly report will be prepared and distributed to the Mayor, Budget Committee and City Council, Chief Administrative Officer, the Director of Finance and the city departments and offices.

The Chief Administrative Officer shall submit monthly budget reports to the City Council through its Budget Committee. Said monthly reports shall include a report on actual revenues and expenditures by major categories and include a comparison of current data to prior year-to-date data.

## Resident Engagement in Budgeting Process

### Engaging Residents in the Budget Process

One of the most important components of preparing a budget is to ensure that government ultimately provides the services residents want and need. During her campaign, the transition, and throughout her term as Mayor, engaging residents in decision-making has been a priority for Mayor Cantrell.

The City of New Orleans provided residents a range of opportunities to be involved in the budget development process. To inform city priorities and budget policies, Mayor Cantrell met with community members and launched initiatives to engage all residents in setting the City’s budget priorities.

With the return to in-person meetings, the City was able to engage with residents face-to-face instead of virtual townhall meetings and dial-in radio townhall sessions that were part of the budgeting process during COVID.

### Community Budget Meetings

During the month of August, the Mayor launched the public engagement phase of the FY2023 budget process which included a series of Budget Townhall community budget meetings in each City Council District.

In partnership with the Mayor’s Neighborhood Engagement Office, Mayor Cantrell hosted a series of budget meetings to solicit community input for the upcoming budget season.

During the community budget meetings, the Mayor presented information on the budget process, emphasized the City’s fiscal responsibility, and highlighted progress made addressing the priority issues within the City’s strategic framework, Forward Together. In townhall style, the Mayor opened the meeting to resident engagement and took suggestions, feedback, and ideas from the audience. The City’s CAO, Chief Financial Officer, District Councilmember, as well as city department leadership, were also present.

In addition to the comments received during the meeting, each participant completed a *budget priority survey*. The surveys provide valuable insight into the issues that matter most to the community, the specific governmental services they prioritize, as well as budget priorities that they feel require additional resource allocations. Following the meeting, the survey responses were aggregated and analyzed. The results of the surveys provide critical perspective for making decisions in planning and budgeting and are considered, along with expert knowledge and objective data, to establish a foundation for the upcoming budget framework.

### Digital Engagement

Under the Administration’s Digital Equity Initiative, the City has continued working to meet people where they are digitally, engaging with residents so that everyone’s voice is heard. The Mayor’s Office rolled out various programs to reach residents by phone because more people have smart phones than home Internet access.

## Social Media Platforms

Mayor Cantrell and the City of New Orleans maintain a robust social media presence of over 15+ Facebook, Twitter, Instagram, and NextDoor accounts with hundreds of thousands of followers and innumerable engagements. These platforms provide a direct line to the residents and visitors of the City of New Orleans so that the Administration is able meet the people where they are.

## Community Engagement in the Allocation, Coordination, and Maximization of American Recovery Plan Act (ARPA) Funding

The City of New Orleans has received \$388 million in federal relief funds under the \$1.9 trillion American Recovery Plan Act (ARPA).

### Community Engagement

The City held two meetings in October to introduce the American Rescue Plan Act (ARPA). During these meetings, the Mayor, along with all of the city department heads, received community input on how these one-time funds should be utilized. These meetings helped to evaluate how best to align the City's priorities with the community's priorities in determining where to allocate the funds. Department heads also provided proposals recommend spending priorities. Community feedback will be incorporated into the final recommendations the Cantrell Administration presents to City Council

### Mayor's Stimulus Command Task Force

To ensure that the people and businesses of New Orleans receive their fair share, Mayor Cantrell created the Stimulus Command Task Force to identify opportunities within the \$1.9 trillion of federal stimulus funding and leverage resources to support the City's priorities needs in the short-term and putting the City on pathway to growth, equity, and resilience in the long-term.

The Task Force includes a diverse group of city leadership, external partners, stakeholders, and members of the community and is chaired by Mayor Cantrell. The Task Force considers the opportunities for funding available through the ARPA in alignment with the City's priorities as identified in the Generational Economic Transition Plan, Youth Master Plan <https://nolayouthmasterplan.org/what-is-the-youth-master-plan> and Road to Recovery planning document - representing thousands of hours or community engagement and input.

Under the Task Force, there are five Working Groups representing key issues in the community and actively engaged with over 230 business and nonprofit leaders, city representatives, and members of the community. The Working Groups track ARPA funding availability, identify opportunities and challenges, coordinate relevant agencies and organizations, and assess and respond to evolving community needs.

The five Working Groups are:

**Case Management Working Group** provides case management support for individuals, families, and businesses to ensure all available funding and support. This Working Groups also and identifies those with unmet needs and connects them to available resources.

**Public Health Working Group** monitors emerging research and data about COVID-19 and pandemic response, public health interventions, and epidemiology trends to develop recommendations for future public health guidelines and health-related programs. This Working Group includes two subcommittees. The Social Determinants of Health subcommittee which determines conditions in the places where New Orleanians live, learn, work, and play that affect a wide range of health and quality of life risks and outcomes, starting with COVID-19 vaccine accessibility and uptake. The COVID-19 Response and Vaccine Equity subcommittee collaborates with local and state partners to plan and implement COVID-19 vaccine distribution.

**Community Service Working Group** coordinates with on-the-ground service providers for vulnerable populations, including education, childcare, meals, and other family support. This Working Group has two subcommittees. The Basic Needs subcommittee coordinates with service providers for housing, childcare, food, schools, and internet access for remote work and education. The Digital Equity subcommittee works with internet providers to extend high speed, low or no cost internet access to everyone, including hotspots, routers, and devices.

**Economic Recovery Working Group** works toward a robust and equitable recovery for New Orleans' businesses and entrepreneurs, especially those disproportionately impacted by the pandemic. The Working Group is focused on innovation in priority growth industries and supporting pandemic-responsive entrepreneurship.

**Workforce and Employment Working Group** creates and implements innovative strategies to improve the quality of life for the local workforce, specifically by supporting increased wages and benefits for people reentering the workforce after the pandemic. This Working Group has two subcommittees. The Rapid Reattachment to Current Employment Opportunities subcommittee provides job fairs, training programs, and support to help people connect to employment opportunities. The Jobs of the Future subcommittee focuses on increasing the quality of jobs, creating new jobs, and preparing residents with education and training to ensure a strong and vibrant workforce.

## The Budget Development Framework

### Toward a More Transparent, Community-Informed Budget

The Cantrell Administration is committed to a transparent, community-informed budget development process. A major shift toward budget transparency began with the development of the Forward Together strategic framework. Forward Together was designed by the community to guide the City’s overall direction and serve as the foundation for budgeting and performance management.

To create a budget that reflects the strategic goals of the City, the community’s budget priorities, and effective service delivery, the Administration is implementing an *Outcome Budgeting* process to develop the FY2023 budget for all General Fund revenue and expenditure activities (excludes grants and capital funded projects).

### Outcome Budgeting

Outcome budgeting is a budget process that aligns resources with results. The FY2023 budget is organized at the service level around the five priority outcomes - the results that matter most to the community as identified in the City’s strategic framework – and resources are allocated to those services that achieve the desired outcomes.

#### Forward Together – the City’s Strategic Framework

Rather than utilizing an incremental approach, departments and agencies develop their budgets from the ground up, creating workplans and realigning how their agency operates while focusing on the use of resources and the outcomes achieved.

The budgeting process begins with established baseline data for services and measures of efficiency and effectiveness. This allows decision makers to make strategic and responsible decisions regarding the best use of the City’s resources.

Each department receives a baseline budget allocation, based in part on prior years’ allocations, the City’s strategic priorities, community input, and significant issues relative to the upcoming year. Resources from each departmental budget are allocated toward the programs, initiatives, and services needed to operate efficiently and effectively.

Along with accountability, effective use of performance data can result in innovation, as departments find new ways to get better results. Any supplemental budget requests above the budget allocation must be justified and aligned to the Forward Together strategic framework. Requests are evaluated based on their alignment to the City’s priorities, measurable results, and cost-effectiveness.

## Community-Informed Budgeting

The outcome budgeting process helps the City focus resources on the most effective and promising services and programs to meet the priorities of the community. The Mayor established the City strategic framework, Forward Together, based on input from the community.

The Community Budget meetings provided additional information about the programs and services that matter most to residents. During the meetings, residents were provided opportunities to provide the Mayor with input, questions, and comments about the FY2023 budget priorities. Through surveys that residents completed during the Community Budget meetings, residents revealed the programs and services that they value most. The feedback and survey statistics are considered when making resource allocation decisions and will be used to guide the development of the FY2023 budget.

The Administration is also informed throughout the year by regular public outreach, social media interactions, and research on the challenges facing residents.

**Overview of  
Revenue and Expenditures**

## Description of Revenue Sources - General Fund

The Revenue Estimating Conference (REC) prepares and publishes revenue estimates for the FY2023 General Fund budget. The FY2023 revenues forecast was created using a combination of pre-pandemic trends, observed consequences of the pandemic and subsequent recovery, and specific local circumstances, especially with respect to revenue streams affected by tourism. Anticipated one-time revenues are included, as well as adjustments for changes in millage rates. Though uncertainty remains, the forecasting consensus favors continuous movement toward recovery.

Economic issues affecting the FY2023 revenue outlook include:

- Public health conditions
- Macroeconomic indicators
  - Restrained GDP recovery
  - Inflationary pressures
  - Interest rates and federal activity
- Local economic indicators
  - Employment
  - Tourism and travel
- Uncertainty at the federal level

While economic risk associated with the pandemic remains present, there is almost no likelihood that restrictive public health measures will be imposed in the near-term. The major theme cited by the REC is economic recovery from pandemic-related economic shutdown, although progress is still considered fragile and highly variant. This is due to the influence of multiple economic variables such as historic inflation levels, federal spending, and monetary actions by the federal reserve, all of which are contributing to recessionary pressures on a global scale. While a full return to pre-pandemic economic and revenue conditions is not expected until at least 2025, the local economy is generally benefiting from recovery momentum which the forecast assumes will persist into 2023. One of the most severely impacted global industries affected by the pandemic is tourism, and it is probable that pent-up demand for travel accrued during the 2020 and 2021 pandemic period will translate to a sustained recovery of visitor spending levels in New Orleans, even in the face of a global economic recession. As a result, the 2023 revenue forecast reflects a “cautious optimism,” and a conservative level of growth in receipts from 2022.

**FY2023 proposed General Fund total revenue is \$736,470,921.**

### Recurring and Non-Recurring Revenue

The City’s General Fund receives the majority of funding from recurring revenue. This category includes items that are expected to occur in the future, are relatively predictable and stable, and can be counted on to continue with some degree of certainty.

The City’s General Fund may receive a portion of funding from non-recurring revenue. This category includes items that are unusual, infrequent in nature, or difficult to predict because their lasting effect is limited. Any drawdowns from the General Fund balance are also included in this category.

## **Categories of General Fund**

### **Property Tax Revenue**

The City's FY2023 General Fund budget receive is expected to 22 percent of its total revenue, \$164.4 million, from property tax. The annual revenues expected from property tax revenue for FY2023 increased by 2 percent from FY2022 budgeted amounts. Residential parcels represent about 63 percent of total assessed property value in Orleans Parish.

The City's property tax revenue is generated through millages on assessed values of real estate and personal property, with real estate as the predominant category. These ad valorem taxes are based on assessments completed by the City's Assessor, adjusted by the City Council acting as the Board of Review and certified by the Louisiana Legislative Auditor. The assess value is then multiplied by the tax rate, expressed in terms of "mils" per \$1, to derive the tax revenue. The tax rates or millages are set by the City Council with voter approval. Interest and penalties from property tax delinquencies are also included in this category.

The City collects property taxes on behalf of a multitude of taxing authorities and distributes the proceeds accordingly.

### **Sales and Use Tax Revenue (Other Taxes)**

The City's FY2023 General Fund budget is expected to receive 45 percent of its total revenue or \$329.1 million, from sales and use tax (Other Taxes). Revenues from Other Taxes is expected to increase by 29 percent in FY2023 from its FY2022 budgeted revenue amount. The increase in Other Taxes revenues is likely a result of movement toward pre-pandemic levels in these types of activities, as well as inflationary pressures in prices.

General sales tax is imposed on taxable transactions of tangible personal property and certain services, including remote sales. Motor vehicle sales are taxed based on the location of the vehicle registration. Hotel sales tax is charged on the room rentals of 30 days or less, including short term rentals. Along with its own sales and use tax, the City also collects sales and use tax on behalf of Orleans Parish School Board and the Regional Transit Authority.

### **Licenses and Permits Revenue**

The City's FY2023 General Fund budget is expected to receive 9 percent of its total revenue, \$68.2 million, from licenses and permits revenue. Licenses and permits assure proper oversight of professional service providers and monitor certain types of business establishments, as motor vehicle standards. The category includes franchise fees collected on various utility and telecommunications companies operating within the City. Revenues from licenses and permits is projected to decline by 6 percent in FY2023 from its FY2022 budgeted amount.

### **Intergovernmental Revenue**

The City's General Fund is expected to receive 4 percent of its total revenue, \$33.0 million, from intergovernmental revenue in FY2023. This represents an increase of 7 percent over the FY2022 budgeted amount.

Intergovernmental revenues are transferred to the City by the State. Intergovernmental revenues primarily include the local portion of state revenue sharing, parish transportation funds, Upper Payment Limit revenue from Medicaid, a share of the proceeds from video draw poker gaming, and Harrah's rent.

### Service Charge Revenue

The City's FY2023 General Fund budget is expected to receive 12 percent of its total revenue, \$86.9 million, from service charge revenue. Service charge revenue from FY2022 to FY2023 is projected to decline by 2 percent.

The City sets charges for a broad range of services in accordance with financial policies and local ordinances. Fees are charged for a variety of services including EMS ambulance fees, parking meters, sanitation service charges, tax collection service, indirect costs, utility regulatory fees, towing, booting, and other charges. The largest of these is the sanitation service charge.

### Fines and Forfeitures

The City's FY2023 General Fund budget is expected to receive 4 percent of its total revenue, \$29.9 million, from fines and forfeitures revenue. Fines and forfeitures are primarily parking meter and traffic fines, including traffic security cameras, collected through enforcement of local ordinances. Revenues from fines and forfeitures is projected to increase by 1 percent in FY2023 from the FY2022 budgeted amount.

### Miscellaneous Revenue

The City's FY2023 General Fund budget is expected to receive 1 percent of its total revenue, \$10.8 million, from miscellaneous revenue. Miscellaneous revenue includes revenues from interest income, rents and royalties, contributions, and other incomes. Between FY2022 and FY2023, miscellaneous revenue is projected to decline 19 percent. This decline is due to reduced reliance on one-time contributions and payments.

### Other Financing Sources

The City's FY2023 General Fund budget is expected to receive 2 percent of its total revenue, \$14.1 million from other financing sources. Between FY2022 and FY2023, revenues from other financing sources are projected to increase significantly (from \$60,000 in FY2022) due to the City's use of \$14 million in unassigned Fund Balance.

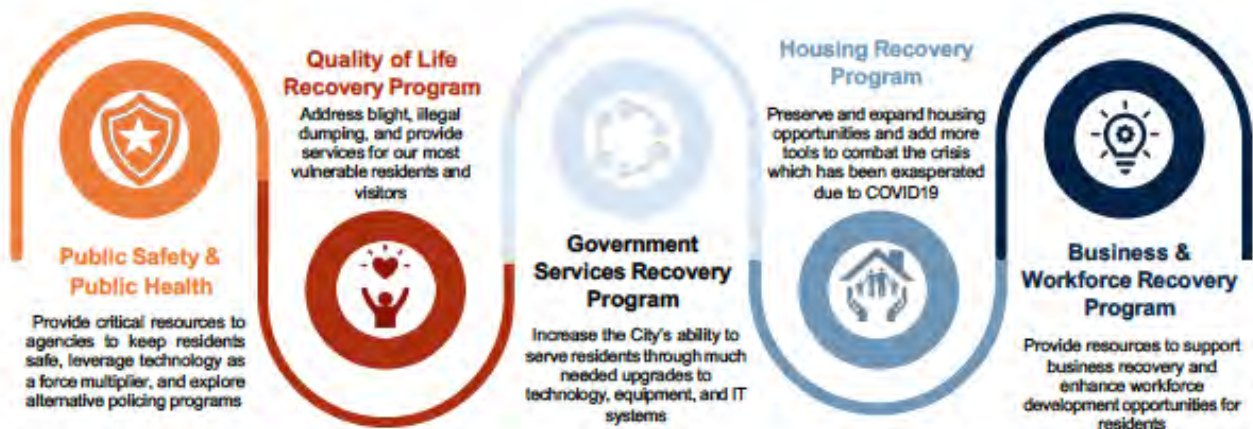

## American Rescue Plan Act (ARPA)

The City of New Orleans expects to receive \$388 million in federal relief funds under the \$1.9 trillion American Rescue Plan Act, which was passed by Congress in March 2021 to help ease the economic toll related to the pandemic and subsequent restriction taken on individuals, governments, and businesses. With over 70 different funding sources, administered through 18 federal agencies, there are various avenues to access the funds - competitive grants, state allocation through existing programs, application process, or formula allocation.

ARPA funds are one-time funds, and it is critical that the projects funded by ARPA dollars do not have recurring costs in later years. The Cantrell Administration's goal is to fund one-time expenses with these one-time funds. The Cantrell Administration is proposing ARPA Tranche 2 Package revenues to the Council in the City's FY2023 operating budget.

Current Tranche 2 priorities include:

*The ARPA funding provides a great opportunity to rebuild the City's local economy in ways that are both inclusive and equitable.*

## Description of Revenue Sources – Non-General Funds

In addition to General Fund revenues, the City's operating budget includes revenues from non-general funds. Non-general funds are typically funds earmarked for specific purposes. The Revenue Estimating Conference (REC) also provides revenue estimates for the non-general funds based on historic trends of collections and growth, as well as various economic indicators.

**FY2023 proposed Non-General Fund total revenue is \$737,683,053.**

### Non-General Funds

#### HUD Fund

The HUD (Housing and Urban Development) fund is considered a major fund for the City. In FY2023, the HUD Fund is projected to include revenues of \$80,978,459, a decrease of 10 percent compared to the FY2022 budgeted amount.

#### Wisner Fund/Mayoral Fellows Fund

In FY2023, the Wisner/Mayoral Fellows Fund is projected to include revenues of \$759,469, an increase of 1 percent compared to the FY2022 budgeted amount.

#### Library Fund

The Library Fund includes revenues generated from a dedicated property tax for the operations of all the City's public libraries. In FY2023, the Library Fund is projected to include revenues of \$25,130,286, an increase of 19 percent compared to FY2022 budgeted revenues.

#### Local Law Enforcement Grant Fund (LLE)

The LLE Grant Fund includes local law enforcement grants received by the City. In FY2023, the LLE Grant Fund is projected to include revenues of \$396,610, a decrease of 43 percent.

#### Federal Grants Fund

The Federal Grants Fund includes grants from federal departments and agencies. Total revenues in the Federal Grants Fund are projected at \$174,926,336, a decrease of 41 percent compared to the FY2022 budgeted amount.

#### State and Local Foundation Grants Fund

The State and Local Foundation Grants Fund includes grant awards received directly from state agencies and local foundations or passed through other governmental agencies. In FY2023, 58 percent of the fund is generated from state grants; 40 percent from state aid; and 2 percent from local foundations. In FY2023, revenues from State and Local Foundation Grants Fund are expected are projected at \$31,990,236, a decrease of 41 percent compared to FY2022 budgeted revenues.

#### Grants, Contributions, and Transfer Fund

The Grants, Contribution, and Transfer Fund, a clearing account for resources from various funding sources to be appropriated by operating budget agencies throughout the City. In FY2023, the fund is budgeted at \$300,000,000; there was no change compared to the FY2022 budgeted amount.

### **Downtown Development District Fund (DDD)**

The DDD Fund includes revenues generated from a special property tax levied on all real property in the Downtown Development District of the City. In FY2023, the DDD Fund is expected to include \$11,956,645 in revenues with no changes compared to the FY 2022 budgeted amount.

### **Economic Development Fund**

The Economic Development Fund includes revenue generated from a dedicated property tax for a period of thirty years and used to support economic development initiatives. In FY2023, the fund is projected to include revenues of 500,043, a decrease of 71 percent.

### **Housing Trust Fund/Housing Improvement Fund**

The Housing Trust/Housing Improvement Fund includes revenue generated from a dedicated property tax. The revenues from the fund are to be used to support a comprehensive neighborhood housing improvement program. In FY2023, the Housing Trust/Housing Improvement Fund is projected to include \$2,699,742, a decrease of 14 percent compared to the FY2022 budgeted amount.

### **Additional Special Revenue and Trust Fund**

The Additional Special Revenue and Trust Funds include non-major funds that go to various departments to provide additional operational funding. In FY2023, the Additional Special Revenue and Trust Fund is expected to include \$108,345,227, an increase of 94 percent compared to the FY2022 budgeted amount for this fund.

# Mayor's Office Homeland Security

## Overview

---

<b>Department Head:</b>	Collin Arnold
<b>Address:</b>	1300 Perdido St., Suite 9W03 New Orleans, LA 70112
<b>Phone:</b>	(504) 658-8700
<b>Hours of Operation:</b>	Headquarters: 8:30 a.m. – 5 p.m.

## Mission Statement

As the coordinating public safety agency for the City of New Orleans, the Office of Homeland Security and Emergency Preparedness is responsible for administering the City's crisis and consequence management program. It coordinates crises – both natural and man-made – through "all-hazards" planning. Our initiatives build New Orleans' capacity to prevent, protect against, respond to, and recover from major emergencies and disasters. ure the City of New Orleans operational readiness for all potential hazards.

## Vision Statement

The vision of the Office of Homeland Security and Emergency Preparedness is to be a recognized leader and innovator, both nationally and internationally, in the homeland security enterprise by continuing to be the focal point for coordination and liaison of all activities between local, state, and federal government in the response to and recovery from major emergencies and disasters

## Overview of Department Services

Our emergency preparedness function is responsible for administering the City's crisis and consequence management program. It coordinates crises – both natural and man-made – through "all-hazards" emergency management. Our public engagement and community outreach services are a top priority. We are responsible for NOLA Ready, the City's emergency preparedness campaign. We provide information to residents, community organizations, and businesses on how to prepare for and respond to emergencies that might happen. Through community outreach, emergency skills training, and volunteer engagement, and coordination with non-profit disaster organizations, we're working to make our City safer and more resilient. Our hazard mitigation services, working through a regular planning cycle, review and update a detailed picture of the risks faced by our City, both man-made and naturally occurring. We also invest in risk reduction by mitigating residential properties and public facilities to be more resilient to future threats.

**Chief Administrative Office**

*Overview*

*Budget Summary*

## Chief Administrative Office - Core

---

**Department Head:** Gilbert Montaña  
**Address:** 1300 Perdido St, Suite 9E06, New Orleans, LA 70112  
**Phone:** 504-658-8600  
**Hours of Operation:** Monday–Friday 8:00am–5:00pm

### Mission Statement

The mission of the Chief Administrative Office (CAO) is to uphold the City Charter and City ordinances through the effective management and oversight of all mandated operations in the delivery of services to the citizens of New Orleans.

### Vision Statement

The Chief Administrative Office seeks to provide transparent, effective, and efficient service delivery for the citizens of New Orleans.

### Overview of Department Services

The Chief Administrative Office is responsible for carrying out the City's mission, vision, and values by overseeing the day-to-day operational functions of City Hall, coordinating and implementing innovative solutions to reform city government, and ensuring the city is fiscally responsible.

*Budget Summary*

# Law

## Overview

---

<b>Department Head:</b>	Donesia D. Turner
<b>Address:</b>	1300 Perdido St., Rm 5E03
<b>Phone:</b>	(504) 658-9800
<b>Hours of Operation:</b>	8:00 AM- 5:00 PM

## Mission Statement

To provide the highest quality legal representation to meet the present and future needs of the City of New Orleans in an efficient and effective manner by minimizing the City's exposure to liability, fairly and economically resolving disputes, and minimizing legal fees and costs.

## Vision Statement

It is the duty of the Law Department to protect the rights of the City. The Department's goal is to operate at the highest levels of: professionalism, effectiveness, transparency, and efficiency to serve our City by ensuring that best practices are employed and the public's interest is protected. The Department will accomplish these goals through the vision and leadership of the City Attorney, who employs a complement of highly successful and experienced attorneys with specialized disciplines who are dedicated to protecting the City of New Orleans and our citizens in a just, efficient, and ethical manner.

## Overview of Department Services

The City Attorney is responsible for directing and supervising the legal affairs of the City of New Orleans. The City Charter defines the duties of the City Attorney as follows:

- To provide legal advice to the Mayor, the Council, and other city offices, departments and boards;
- To take charge of all legal matters in which the City has an interest or is a party;
- To prepare proposed ordinances upon request of the Mayor or City Councilmembers; and
- To review all City contracts, documents and instruments creating any legal obligation affecting the City.

*Budget Summary*

# New Orleans Fire Department

## *Department Overview*

---

**Department Head:** Roman Nelson

**Office Address:** NOFD Headquarters, 317 Decatur St., New Orleans, LA 70130

**Office Phone:** (504) 658-4700

**Office Hours of Operation:** M-F 8:30 am–4:30 pm

### **Department Mission**

The New Orleans Fire Department will respond to all emergency situations in the City of New Orleans to protect and save life and property. Further, the Department will strive to reduce the incidence of fire and the loss of life and injuries to civilians and fire personnel.

### **Department Vision Statement**

The New Orleans Fire Department will explore every opportunity to promote safety awareness and will provide our community with all hazard emergency services including preparedness, planning, response, and mitigation.

### **Overview of Department Services**

This request funds the entirety of New Orleans Fire Department's mandated public safety responsibilities. The New Orleans Fire Department is responsible for the City of New Orleans' emergency response to: Fires by performing suppression functions and assuring complete extinguishment; Medical Calls, which account for 65% of emergency responses and during which the New Orleans Fire Department companies are usually first on scene and charged with identification of life-threatening illnesses or injuries through patient assessment and stabilization of patients while EMS are en route; Management of Hazardous Materials emergency responses, including Chemical, Biological, Radiological, and Nuclear (CBRN) and Weapons of Mass Destruction; Technical Rescues, including vehicle accidents, elevator entrapment, Urban Search and Rescue, High-Angle rope rescue, confined-space and water rescue, and Aircraft Rescue and Firefighting (ARFF) and Medical Response at the Louis Armstrong International Airport.

As an accredited Fire Prevention Bureau, the New Orleans Fire Department is responsible for Fire Investigation, Fire-Code Enforcement, and Fire Prevention. This component is tasked with reducing the incidence of fire through plan-review, occupancy inspections, investigation of cause and origin of fires and arrests of persons suspected of committing arson as well as community education and fire-safety programs. Additionally, the Department is the lead fire department for the State's LA Task Force 1 (LATF-1) Regional USAR Team and has a trained Type-3 All Hazards Incident Management Team (IMT) that responds to disasters across the Southeast U.S.

The NOFD is integral in assisting the New Orleans Homeland Security and Emergency Preparedness (NOHSEP) for all major incidents by assuming the lead for the Operations section during the implementation for a City-Assisted Evacuation and providing assistance in a City-Assisted Shelter Activation to house and care for residents displaced during a disaster. Employees of the Fire Department assist in staffing the City's Logistics Section for large emergencies and provides staff trained in the Operations, Planning and Logistics Sections at the City's EOC during emergencies.

## Expenditure by Type - Fire

# Department of Safety & Permits

## ***Department Overview***

---

**Department Head: Tammie Jackson**

**Office Address: 1300 Perdido St., 7th floor, New Orleans, LA 70112**

**Office Phone: (504) 658-7200**

**Office Hours of Operation: M–F 8:00 am–5:00 pm**

### **Department Mission**

The Department of Safety and Permits' mission is to administer and enforce the Comprehensive Zoning Ordinance, Building Code, Electrical Code, Mechanical Code, and flood plain regulations to ensure compliance with international standards for the construction, alteration, repair, use, occupancy, and demolition of buildings, structures, and properties. With a single point of intake and issuance for permits and licenses, we are dedicated to ongoing quality improvement and a relentless focus on customer service and streamlining processes.

### **Department Vision Statement**

The Department of Safety & Permits aims to strengthen our focus on customer service through more efficient internal operations, improved technology, and straightforward procedures for administering the permitting process for residents and businesses and utilize technology for transparency to promote greater access to government.

### **Overview of Department Services**

The Department of Safety and Permits is made up of eight divisions which collectively work to ensure that safety standards are met for all construction and use of buildings and properties in the City of New Orleans.

- The Building Inspection Division ensures new construction or alterations to existing structures are being safely done and in compliance with the International Building Code. This division also investigates complaints of work without proper permits.
- The Electrical Inspection Division issues permits for all electrical work – installation, repairs, or alteration of any electrical equipment or wiring for any purpose or service.
- The Mechanical Inspection Division issues permits for all HVAC/gas/elevators, boilers/pressure vessels, and hood work, whether new work or repairs, as well as for buildings vacant for more than 6 months.
- The Zoning Administration Division is responsible primarily for the interpretation, implementation, and enforcement of the City's Comprehensive Zoning Ordinance. In addition to these responsibilities the Zoning Administration Division is charged with verifying the zoning compliance of all building and sign permit applications and reviewing all Occupational License and Alcoholic Beverage License applications.
- The Plan Review Division is responsible for reviewing all construction documents to ensure that the Plans and Specifications are in compliance with the International Building Code, International Residential Code, International Mechanical Code, International Gas Code, Handicapped Accessibility Code, National Electrical Code among other codes as listed the International Building Code.
- The Permit Processing Division issues permits for all new residential and commercial construction, renovations, or additions.
- The Special Events Division monitors application process for obtaining permits and/or licenses required for any special event in the City of New Orleans, including fairs and festivals, second line parades and races, block parties, and more.
- The Short-Term Rental Division works directly with property owners and interest holders to ensure that applications of the City's ordinances and laws are equitable, accurate, and enforced.

New Orleans Police Department

Overview

Budget Summary

# Police

## Overview

---

**Department Head:** Superintendent Shaun Ferguson  
**Address:** 715 S. Broad St., New Orleans, LA 70119  
**Phone:** (504) 658-5757  
**Hours of Operation:** Headquarters: 8:30 AM - 5:00 PM

## Mission Statement

Our mission is to provide professional police services to the public to maintain order and protect life and property. We are committed to community-oriented policing to inform our organizational decisions and prioritize our crime fighting and quality of life initiatives. We commit to integrating community and solution-oriented policing into daily management policies, training, resource deployment, operational tactics, and accountability systems.

## Vision Statement

The New Orleans Police Department's vision is to serve as a model for constitutional policing, while closely partnering with our community to make New Orleans one of the safest cities in the nation.

## Overview of Services

Services of the New Orleans Police Department include but are not limited to calls for service response, public safety response, crime investigations, traffic operations, special event policing, community policing, and property and evidence management.

*Overview*

*Budget Summary*

# Sanitation

## Overview

---

**Department Head:** Matt Torri  
**Address:** 1300 Perdido St., Rm. 1W30, New Orleans, LA 70112  
**Phone:** 311  
**Hours of Operation:** 8:00 AM - 5:00 PM, Monday - Friday

## Mission Statement

The Department of Sanitation's mission is to provide solid waste services to the residents of New Orleans through the collection, disposal, and recycling of discarded material in a manner that is safe, efficient, environmentally-sound, and cost effective; to enforce State, Federal, and local laws and regulations to eliminate illegal dumping and littering; and to provide public education on litter abatement, recycling, and other solid waste issues.

## Vision Statement

The Department of Sanitation will provide sustainable and cost-effective waste collection, disposal, and recycling options that will The Department of Sanitation directs all activities related to garbage collection, disposal, recycling, and street cleaning, including registration of new garbage and recycling cans. It is also responsible for ensuring compliance of local, state, and federal regulations for solid waste collection and disposal for the City of New Orleans.

## Overview of Services

The Department of Sanitation provides solid waste services to the residents of New Orleans through the collection, disposal, and recycling of discarded material in a manner that is safe, efficient, environmentally sound, and cost-effective; enforces State, Federal, and local laws and regulations to eliminate illegal dumping and littering; and provides public education on litter abatement, recycling, and other solid waste issues.

## Health - EMS

---

**Department Head:** Dr. Meg Marino  
**Address:** 2929 Earhart Blvd, New Orleans LA 70125  
**Phone:** 504.658.2929  
**Hours of Operation:** M-F 9:00am - 5:00pm

### **Mission Statement**

The mission of New Orleans Emergency Medical Services (EMS) is to provide the highest quality pre-hospital emergency care to individuals living in and visiting New Orleans. As public servants, EMS provides time-sensitive, medically-sound, respectful, and compassionate delivery of this pre-hospital health care to those we serve.

### **Vision Statement**

Our vision remains cutting edge patient care for the residents and visitors of New Orleans while remaining a viable and strong. Our vision is to develop and maintain cutting edge patient care capabilities for those we serve while remaining a viable and strong revenue center.

### **Overview of Services**

New Orleans Emergency Medical Services is the municipal provider of emergency medical services to the City of New Orleans. Our services include advanced emergency medical treatment to ill or injured persons, ambulance transportation, paramedic rescue, and community education and outreach.

# Juvenile Justice Intervention Center

## Overview

---

<b>Department Head:</b>	Dichelle L. Williams
<b>Address:</b>	1100-A Milton St., New Orleans, LA 70122
<b>Phone:</b>	(504) 658-3400
<b>Hours of Operation:</b>	M-Sun 7:00 am - 7:00 pm

## Mission Statement

The mission of the Juvenile Justice Intervention Center (JJIC) is to provide a safe, secure, and humane environment for juveniles and staff; to provide juveniles an opportunity for behavioral change; and to provide quality services and programs for juveniles based on their individual needs.

## Vision Statement

The Juvenile Justice Intervention Center's vision is to foster an environment that recognizes innovative thinking, while providing staff and youth with unlimited learning and developmental opportunities. A commitment to growth and continuous improvement will result in the JJIC being recognized nationally as an innovative leader providing quality evidence-based juvenile detention.

## Overview of Services

The Juvenile Justice Intervention Center provides extensive services to juveniles involved in the justice system. These include psychiatric, behavioral health, medical, dental, educational, workforce development, financial literacy, physical wellness, and re-entry support services.

## Overview

---

<b>Department Head:</b>	Norman White
<b>Address:</b>	1300 Perdido St., Rm 3E06, New Orleans, LA 70112
<b>Phone:</b>	(504) 658-1500
<b>Hours of Operation:</b>	8:00 AM to 4:00 PM

## Mission Statement

The mission of the Department of Finance is to provide timely and relevant financial services for the City of New Orleans in order to ensure the overall fiscal health of the City and provide high-quality support services to the City's department and agencies.

## Vision Statement

The Department of Finance is responsible for ensuring the sound fiscal management of the City of New Orleans, which directly influences citizens' perception of and trust in city government to account for taxpayer dollars and city resources.

## Expenditure by Type - Finance

*Overview*  
*Budget Summary*

# Property Management

## Overview

---

**Department Head:** Natesh Mohan  
**Address:** 1300 Perdido St., Rm 5W08, New Orleans, LA 70112  
**Phone:** (504) 658-3600  
**Hours of Operation:** 8:00 AM - 5:00 PM

## Mission Statement

The overall mission of the Department of Property Management is to provide building maintenance and repair services for all City-owned facilities while emphasizing sustainability and efficiency. We also manage municipal parking garages and provide special events support. Primary duties include:

- Perform preventative maintenance, repair, and minor construction services for City-owned facilities.
- Participate in plan review of City facilities and provide input on space management and major capital improvement construction projects.
- Manage City's janitorial contracts.
- Manage municipal parking garages, City-cemeteries, and Multi-Service Centers.
- Provide real estate services (such as leasing, selling & purchasing) for City agencies and properties.

## Vision Statement

The Department of Property Management is committed to delivering a wide array of support services and to assist all city agencies with managing and sustaining the City properties in a professional and judicious manner. We are dedicated to preserving and maintaining municipal facilities, providing effective management of departmental resources, and incorporating efficiencies in responding to all City agencies requesting support services.

## Overview of Services

The Department of Property Management maintains and implements all processes in relation to the HVAC, Plumbing, Electrical, and general maintenance of all facilities.

## Civil Service

### Overview

---

<b>Department Head:</b>	Amy Trepagnier
<b>Address:</b>	1340 Poydras St., Suite 900, New Orleans, LA 70112
<b>Phone:</b>	(504) 658-3500
<b>Hours of Operation:</b>	8:00 AM - 5:00 PM

### Mission Statement

The Civil Service Department's mission is to provide the most efficient and effective human resource services and programs that enable City government to recruit, develop, and retain a well-qualified and high performing workforce in accordance with merit-system principles.

### Vision Statement

The Civil Service Department partners with City departments to make the City of New Orleans an employer of choice and a leader in the management of human resources.

### Overview of Services

The Civil Service Department is responsible for the overall administration of the personnel merit system in City government. This includes oversight of a uniform classification and compensation plan, employee disciplinary appeals, employee growth and development courses, performance evaluations, setting minimum qualifications for classified positions, reviewing employment applications and establishing eligible lists for classified jobs, and test development and validation.

*Overview  
Budget Summary*

## Public Works

### Overview

---

<b>Department Head:</b>	Sarah McLaughlin Porteous
<b>Address:</b>	1300 Perdido St., Rm 6W03
<b>Phone:</b>	(504) 658-8016
<b>Hours of Operation:</b>	8:00 AM - 5:00 PM

### Mission Statement

The Department of Public Works' mission is to construct and maintain the highest quality of safe and sustainable transportation facilities for users of vehicular, bicycle, pedestrian, and rail transportation, in order to improve the quality of life and create opportunities for economic development for all New Orleanians.

### Vision Statement

The Department of Public Works strives to be a professional, customer-focused public service organization that is trusted and 'The Department of Public Works constructs and maintains the highest quality of safe and sustainable transportation facilities for users of vehicular, bicycle, pedestrian and rail transportation.

### Overview of Services

The Department of Public Works is composed of ten divisions responsible for maintaining approximately 1,547 miles of streets (21 million square yards of pavement), 149 bridges, 460 signalized intersections, 55,000 streetlights (including interstates and highways), right-of-way enforcement, curb space management, over 72,000 catch basins, 8.2 million linear feet of drain lines, and 140 miles of bike lanes, and is responsible for ADA compliance for intersection curb ramps and sidewalks.

*Budget Summary*

# Department of Parks & Parkways

## ***Department Overview***

---

**Department Head: Michael Karam**

**Office Address: 1 Green Parade Lane, New Orleans, LA 70122**

**Office Phone: (504) 658-3201**

**Office Hours of Operation: Administrative Office Hours M-F 8:00 am-5:00pm, Field Personnel Hours M-F 7:00 am–3:30 pm, Emergency Forestry Arborist available 24/7 by calling 911**

### **Department Mission**

The mission of the Department of Parks and Parkways is to efficiently and effectively: manage, develop, beautify, preserve, and protect approximately 2,000 acres of public green space, including: neutral grounds, parks, historic sites, playgrounds, a golf course, and public trees.

### **Department Vision Statement**

The Department of Parks and Parkways has a long-term vision to achieve the following outcomes:

- Stronger partnerships with the private sector, community groups and volunteers.
- Provide our already strong, responsive team with the resources to further enhance our capacity to respond proactively to challenges.
- Research and implement cost-saving techniques for land management and enhancement.
- Continue building a proactive urban forestry program consisting of mulching, mapping, and pruning in order to protect the City's investment in trees and reduce the amount of landfill waste.

### **Overview of Department Services**

The Department of Parks and Parkways provides a number of services to the City of New Orleans, which are listed below.

**Management, Planning and Operations:** Guides and directs the Parks and Parkways' programs, staff, and services; also responsible for the preparation and submittal of the department's operating and capital budgets.

**Grounds Maintenance Operations:** Responsible for maintaining the turf and shrubs, and for the removal of litter from parks, neutral grounds, green spaces, and select public buildings.

**Major Parks Operations:** Responsible for the security and maintenance of the restrooms, shelters, parking areas, walkways, aquatic areas, and other amenities of two of the city's large regional parks: Brechtel Memorial Park and Louis Armstrong Park.

**Urban Forestry Operations:** Responsible for maintaining and preserving all city trees through trimming, root pruning, and 24-hour emergency removals. Trees in parks, playgrounds and on the grounds of city buildings, trees within the City's rights-of-way, and trees on medians are all considered "City Trees."

## Department of Parks & Parkways

### Overview of Department Services (cont.)

Joseph Bartholomew Golf Course Complex: Parks and Parkways is responsible for the management, maintenance, and upkeep of Joseph M. Bartholomew Memorial Golf Course and Clubhouse.

Special Operations: Supports the operation of the Greenhouses which propagates a portion of the city's ornamental neutral ground plants and flowers as well as providing decoration plants for City hosted special events and meeting. The office also provides for the maintenance of Parkways' buildings and facilities and provides funds for the installation of temporary parade route fencing to protect planted areas through its Facilities Maintenance section. This office also supports one of the city's only in-house groups of skilled and experienced CDL drivers.

Human Resources: Responsible for hiring new employees, conducting interviews, and reviewing payroll on a weekly basis. Additionally, HR assists current employees with Hospitalization, Retirement, Worker's Compensation, Civil Service matters and serves as the liaison between various City departments.

Emergency Management: Parks and Parkways forestry and grounds maintenance crews work during tropical events, until the winds reach 35 mph, clearing debris as necessary near fire stations, police stations, hospitals, etc., at which time the winds reach 35 mph Parkways crews shelter in place until the event is over. Once the storm has passed, the crews work alongside other first responding agencies during the initial wind shield assessment as well as clearing roadways, parks, and properties with fallen city trees.

Mardi Gras Parade Route Preparation and Cleanup: Parkways Forestry division is responsible for ensuring the safe passage of floats by trimming all trees along the various parade routes including the ingress, egress routes, and staging areas. Parkways Grounds Maintenance division works with Sanitation during post parade cleanup.

*Budget Summary*

# Historic District Landmarks Commission

## Overview

---

**Department Head:** Bryan Block  
**Address:** 1300 Perdido St., 7th Floor, New Orleans, LA 70122  
**Phone:** (504) 658-7040  
**Hours of Operation:** M\_F 8:00 am - 5:00 pm

## Mission Statement

The mission of the Historic District Landmark Commission is to promote historic districts and landmarks for the educational, cultural, economic, and general welfare of the public through the preservation, protection, and regulation of buildings, sites, monuments, structures, and areas of historic interest or importance within the City of New Orleans. The Historic District Landmark Commission safeguards the heritage of the City by preserving and regulating historic landmarks and districts which reflect elements of its cultural, social, economic, political, and architectural history in order to: Preserve and enhance the environmental quality of neighborhoods, strengthen the City's economic base by the stimulation of the tourist industry, establish and improve property values, and foster economic development while managing growth.

## Vision Statement

The Historic District Landmark Commissions will provide property owners within locally designated historic districts with an improved and personalized permitting process from application to final inspection and ensure that proposed work enhances the historic character of the building and district as a whole and is executed correctly.

## Overview of Services

The Historic District Landmark Commission is responsible for the protection, preservation, and regulation of local historic districts and landmarks within the City of New Orleans. This includes all locally designated historic districts and landmarks with the exception of those that fall within the boundaries of the French Quarter, which are under the jurisdiction of the Vieux Carré Commission. One of the principal duties of the Historic District Landmark Commission is to review and approve proposed changes to properties under its jurisdiction. In full control local historic districts, the Historic District Landmark Commission regulates proposed exterior changes that are visible from the public right of way. The Historic District Landmark Commission reviews all proposed exterior work to landmark properties, even if not visible from the public right of way.

**Vieux Carré Commission**

*Overview*

*Budget Summary*

# Vieux Carré Commission

## Overview

---

<b>Department Head:</b>	Bryan Block
<b>Address:</b>	1300 Perdido St., 7th Floor, New Orleans, LA 70112
<b>Phone:</b>	(504) 658-1420
<b>Hours of Operation:</b>	M-Th 8:00 am - 5:00 pm, F 8:00 am - 3:30 pm

## Mission Statement

The mission of the Vieux Carré Commission is to protect, preserve, and maintain the distinct architectural, historic character, and zoning integrity of the Vieux Carré as mandated by the Louisiana State Constitution, the City Charter, the City Code, and the Comprehensive Zoning Ordinance.

## Vision Statement

The Vieux Carré Commission regulates exterior modifications to the French Quarter's built environment to ensure that the district's architectural and historic resources are protected. Going forward, we envision an agency that is more proactive in carrying out its mission, offers better outreach and education to its constituents, and affects positive change in blight reduction and violation enforcement in this neighborhood that is both an important cultural district and prominent tourist attraction.

## Overview of Services

The purpose of the Vieux Carré Commission is to promote the preservation of the buildings and structures deemed to have architectural and historical value for the benefit of the people of New Orleans, as well as the state of Louisiana. The jurisdiction of the Vieux Carré Commission includes all of the constitutionally designated Vieux Carré Historic District, as defined by the Constitution of the State of Louisiana. The Vieux Carré Commission's jurisdiction includes the erection, demolition, alteration of, or addition to any property within the District as related to the exterior of the building property including appearance, color, texture of materials, and architectural design.

City Planning Commission  
Budget Summary

# City Planning Commission

## ***Department Overview***

---

**Department Head: Robert D. Rivers**

**Office Address: 1300 Perdido St., 7th Floor, New Orleans, LA 70112**

**Office Phone: (504) 658-7033**

**Office Hours of Operation: M–Th 8:00 am–5:00 pm, F 8:00 am–3:30 pm**

### **Department Mission**

The mission of the City Planning Commission is to promote the public health, safety, and welfare of the New Orleans community through subdivision regulation, capital improvement plans, major street plans, and land use planning. The Commission also makes recommendations to the City Council on zoning matters, neighborhood improvements, environmental protection, capital budget amendments, ordinances, and other policy matters.

### **Department Vision Statement**

The City Planning Commission's vision is to be a model planning department composed of a responsive staff which provides superior planning and technical services and which works cooperatively with all stakeholders. The Commission strives to provide quality and timely development review, facilitating the preservation of the character of the City's many varied neighborhoods, while guiding developments that are catalysts for positive change. The Commission is committed to providing a public forum for the thorough examination of land use projects and processes, examining developments and their related impacts.

### **Overview of Department Services**

The Land Use Regulatory Section provides technical support to the City Planning Commission regarding land use regulatory matters, including zoning applications, subdivision review, and design review. The Comprehensive Planning Section provides long-range planning support, including the administration of revisions to the Master Plan, and preparation of land use studies. The Board of Zoning Adjustments Section provides technical support to the Board of Zoning regarding variance requests, zoning appeals, and reasonable accommodations. The Policy Formulation and Administration Section includes the City's Brownfields Program, is responsible for the Capital Improvements Plan, and inter-agency collaboration, as well as GIS mapping, data analysis, and clerical support for the other sections.

*Overview*  
*Budget Summary*

## Mosquito Control Bd.

### Overview

---

<b>Department Head:</b>	Claudia Riegel, Ph.D.
<b>Address:</b>	2100 Leon C. Simon Dr., New Orleans, LA 70122
<b>Phone:</b>	(504) 658-2400
<b>Hours of Operation:</b>	8:00 AM - 5:00 PM

### Mission Statement

To: (1) administer and evaluate mosquito control activities; (2) monitor the populations of disease and virus transmitting mosquitoes and consult with appropriate authorities; and (3) the Board has adopted the duties of rodent, termite, and structural insect control under additional programs.

### Vision Statement

The City of New Orleans Mosquito, Termite, and Rodent Control Board provides the citizens of New Orleans high quality, safe and effective mosquito and rodent control services. The Board's practices integrated pest management and places an emphasis on reducing the conducive conditions that lead to mosquito and rodent infestations. The Board will continue expand services offered to the City of New Orleans and to the general public. The Board's highly trained and licensed staff inspects, treats, and maintains the pest control services at City facilities.

Budget Summary

# New Orleans Recreation Development Commission

## *Department Overview*

---

**Department Head:** Larry Barabino, Jr.

**Office Address:** 5420 Franklin Ave., New Orleans, LA 70122

**Office Phone:** (504) 658-3052

**Office Hours of Operation:** M–F 9:00 am–5:00 pm

### **Department Mission**

The mission of the New Orleans Recreation Development Commission is to advance the physical, mental, and social well-being of New Orleanians by providing safe and welcoming environments for recreational, athletic, and cultural experiences.

### **Department Vision Statement**

The New Orleans Recreation Development Commission strives to be a sustainable and innovative organization that transforms lives.

### **Overview of Department Services**

The New Orleans Recreation Development Commission serves as the Recreation Department for the City of New Orleans. The Commission offers programs through the following divisions: aquatics, athletics, multi-programs, FitNOLA, and recreation centers. The New Orleans Recreation Development Commission has two tennis centers, five baseball stadiums, three football stadiums, 12 recreation centers, 13 seasonal pools, four year-round pools, 35 active playgrounds, and many inactive playgrounds throughout the City.

Miscellaneous: Office of Police Secondary Employment

Budget Summary

# Office of Police Secondary Employment

## ***Department Overview***

---

**Department Head: Brian Boyle**

**Office Address: 1601 Perdido Street, Building HSuite 3H112, New Orleans, LA 70112**

**Office Phone: (504) 658-8757**

**Office Hours of Operation: M–F 8:30 am–5:00 pm, On-Call: 5:00 pm–10:00 pm, Sat - Sun 9:00**

### **Department Mission**

The Office of Police Secondary Employment (OPSE) manages a reformed police detail system with integrity, fairness, transparency, and efficiency on behalf of the New Orleans Police Department and the City of New Orleans. Using technology and person-to-person contact, we connect highly-trained and experienced off-duty police officers with the customers who need and trust them, and in doing so help make New Orleans a safer, friendlier place for us all.

### **Department Vision Statement**

OPSE will continue to progress towards becoming the Secondary Employment Office which other municipalities and jurisdictions will want to emulate while also creating a workplace environment which attracts and retains staff.

### **Overview of Department Services**

The Office of Police Secondary Employment provides the following core services, which are central to its mission: secondary employment opportunities for police officers and coordination of all police secondary employment and police details which include general security for public or private events, neighborhood patrols, traffic management for schools, special events such as parades and second lines, escorts for events like funeral or weddings, street closures, K-9 sweeps, and horse-mounted officer patrols.

In order to provide its core services, the Office of Police Secondary Employment also operates the following support services: fiscal and procurement management, internal and external compliance, and management and administrative services.

*Budget Summary*

# Ethics Review Board

## ***Department Overview***

---

**Department Head: Dane S. Ciolino, Executive Administrator**

**Office Address: 18 Farnham Place, Metairie, LA 70005**

**Office Phone: (504) 975-3263**

**Office Hours of Operation: M–F 9:00 am–5:00 pm**

### **Department Mission**

The mission of the Ethics Review Board is to enforce the Code of Ethics, which was established to remind each public official and employee that individually and collectively, public officials and employees must adhere to high ethical standards not simply to avoid sanctions or criticism. It applies to all officials of the government of the city, whether elected or appointed; all employees, whether classified or unclassified; and all members and employees of all boards, agencies, commissions, advisory committees, public trusts, and public benefit corporations of the City. Any person may file a complaint concerning violations of the Code of Ethics with the Ethics Review Board. The Ethics Review Board works cooperatively with the Office of Inspector General and the Office of the Independent Police Monitor, and receives periodic reports of findings and recommendations from those offices.

### **Department Vision Statement**

The Ethics Review Board is authorized by the Code of Ordinances for the City of New Orleans to administer and enforce the provisions of the Code of Ethics of the City.

### **Overview of Department Services**

The Ethics Review Board appoints and oversees the Office of the Inspector General and the Office of the Independent Police Monitor and screens, reviews, investigates, and prosecutes alleged city code of ethics violations.

## Office of Comm. Dev.

### Overview

---

<b>Department Head:</b>	Ellen M. Lee
<b>Address:</b>	1340 Poydras St., 18th Floor, New Orleans, LA, 70112
<b>Phone:</b>	(504) 658-4213
<b>Hours of Operation:</b>	8:00 AM - 5:00 PM

### Mission Statement

To facilitate the development and preservation of quality housing and suitable living environments for persons of low and moderate income through strategic investments and partnerships with: public, private, philanthropic, non-profit, and resident stakeholders.

### Vision Statement

The Office of Community Development's vision is one where all New Orleanians live in vibrant neighborhoods with a range of safe, quality housing options that are affordable to them and with access to jobs, services, and neighborhood amenities that support their families and well-being.

**Economic Development Fund**  
*Budget Summary*

# Office of Economic Development

## *Department Overview*

---

**Department Head: Jeffrey Schwartz**

**Office Address: 1340 Poydras St., Suite 1800, New Orleans, LA 70112**

**Office Phone: (504) 658-4904**

**Office Hours of Operation: M–F 9:00 am–5:00 pm**

### **Department Mission**

The mission of the Mayor's Office of Economic Development is to encourage inclusive economic growth and economic mobility by creating new jobs, revitalizing neighborhoods, investing in people and our priority industries, and creating the systems to thrive.

### **Department Vision Statement**

The Office of Economic Development's vision is a vibrant, equitable, and inclusive city where all New Orleanians — at every stage of their lives and in every neighborhood — enjoy access to economic opportunity, quality jobs, and a high quality of life for themselves and their families.

### **Overview of Department Services**

The Office of Economic Development sets economic policy for the city, provides incentive administration functions on behalf of the City of New Orleans, guides businesses that are navigating city processes and other departments, and conducts other work to improve the economy of the New Orleans.

**Orleans Parish District Attorney's Office**

*Overview*

*Budget Summary*

# District Attorney

## Overview

---

**Department Head:** Jason Williams  
**Address:** Main Office: 619 South White St., New Orleans, LA 70119  
**Phone:** (504) 822-2414  
**Hours of Operation:** Main Office: 9:00 AM - 5:00 PM

## Mission Statement

The Orleans Parish District Attorney's office is committed to advocating for crime victims, protecting public safety, defending the interests of the State of Louisiana, and upholding justice in a firm, fair and ethical manner. In addition to our primary duty of prosecuting criminal offenders through our Trials Division, we also serve the citizens of New Orleans through other divisions including Appeals, Child Support, Diversion, Investigations, Juvenile, Restorative Justice and Victim-Witness Services.

## Vision Statement

In the coming years, the Office will continue to work with other criminal justice agencies to build public confidence in the criminal justice system by not simply maintaining progress already achieved, but by enhancing the core services provided — convicting more violent felons and providing more and better diversion options and victim witness services. The first priority of the Office is to represent the interests of the City of New Orleans in criminal proceedings in Orleans Parish by prosecuting violent offenders who threaten public safety and citizens' way of life. The Office will endeavor to enhance its Diversion and Victim Witness Programs, which service hundreds of individuals who otherwise would receive no assistance. Cooperation and collaboration between the Office and other criminal justice agencies, especially the New Orleans Police Department, will also be encouraged and continued. During the coming years, the Office will continue this positive momentum and serve as one of the catalysts enhancing the quality of life in New Orleans.

## Coroner's Office

### Overview

---

<b>Department Head:</b>	Dwight L. McKenna, MD
<b>Address:</b>	3001 Earhart Blvd, New Orleans, LA 70125
<b>Phone:</b>	(504) 658-9660
<b>Hours of Operation:</b>	8:30 AM - 4:30 PM

### Mission Statement

To provide timely, thorough, accurate, and independent medicolegal investigations that: (1) promote justice; (2) enhance public safety and public health; (3) provide compassionate service to: the afflicted, the grieving, the maltreated, and the deceased; (4) protect victims of sexual assault; and (5) provide dignity and guidance to the mentally ill.

### Vision Statement

The Orleans Parish Coroner's Office strives to provide: dignity for the deceased; compassion for their families; service to law enforcement and mental health agencies; and integrity to the citizens of Orleans Parish.

# Juvenile Court

## Overview

---

<b>Department Head:</b>	Chief Judge Candace Bates Anderson
<b>Address:</b>	1100-B Milton St., New Orleans, LA 70122
<b>Phone:</b>	(504) 658-9547
<b>Hours of Operation:</b>	8:30 AM - 4:30 PM

## Mission Statement

To provide a court of excellence for children, youth, and families by enforcing the Louisiana Children's Code.

## Vision Statement

The judges of Orleans Parish Juvenile Court believe that through a unified voice and collaboration, the New Orleans juvenile justice system can: be a leader in administering fair and equal justice; provide individualized comprehensive and effective programs for delinquent and neglected youth; and ensure accountability that builds safe, resilient families and communities.

**Municipal and Traffic Court**

*Overview*

*Budget Summary*

# Municipal and Traffic Court

## Overview

---

**Department Head:** Judge Paul Sens  
**Address:** 727 Broad St., New Orleans, LA, 70119  
**Phone:** (504) 658-9780  
**Hours of Operation:** 8:00 AM - 5:00 PM, Monday - Friday

## Mission Statement

To provide for the fair and impartial administration of justice for alleged violators of the ordinances of the City of New Orleans, per the criminal statutes of the State of Louisiana, and alleged violators of City of New Orleans traffic ordinances and state traffic laws.

## Vision Statement

The target of the Municipal and Traffic Court of New Orleans is to timely and fairly process 100% of the cases presented to it for adjudication and to expand its program initiatives relative to alternative sentencing. With continued technology upgrades, the Court continues to improve efficiency, especially in the areas of customer service, case and record management, and collections.

# Criminal District Court

## Overview

---

<b>Department Head:</b>	Chief Judge Keva Landrum
<b>Address:</b>	2700 Tulane Ave, Suite 200, New Orleans, LA 70119
<b>Phone:</b>	(504) 658-9100
<b>Hours of Operation:</b>	8:00 AM - 4:00 PM

## Mission Statement

To interpret and uphold laws and constitutions of Louisiana and the United States, to maintain an orderly society, and to garner public trust and confidence by administering justice in a: fair, impartial, timely, efficient, effective, and accessible manner.

## Vision Statement

The vision of Criminal District Court is to be respected and supported in the community while ensuring effective collaboration and communication both internally and externally. Further, the Court seeks to demonstrate: integrity, fairness, effectiveness, and accessibility to the public at large while providing sufficient and essential resources, inclusive of: funding, facilities, judges, and staff along with programs and services for those who appear before the bar. It is the focus and essence of the Court to commit to the timely resolution of criminal trials that are fair and equitable for all.

## Glossary of Terms

**Accrual Basis:** The basis of accounting under which revenues and expenses are recognized when they occur, rather than when collected or paid.

**Ad Valorem:** Tax based on the Assessed Valuation of property. Also referred to as Property Taxes.

**Allocation:** A sum of money set aside for a specific purpose.

**Amortization:** The practice of spreading an intangible asset's cost over that asset's useful life.

**Appropriation:** Legal authorization granted by City Council to make expenditures and incur obligations up to a specific dollar amount.

**Assessed Valuation:** Basis for determining property taxes. Assessor determines assessed valuation of real property by using a value percentage of the property's actual value. The percentage is determined by the State of Louisiana.

**Audit:** An official financial examination of an individual's, or entities', accounts.

**Balanced Budget:** The City's budget is considered balanced when recurring revenue sources meet operating expenditures. By this definition, the budget is in balance.

**Benchmark:** A comparison of the service provided with cities providing a like service, a national standard, or an accepted best practice. Used as one element of performance measurement.

**Bond:** Written promise to pay a specified sum of money, called the face value or principal, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate.

**Bond Discount:** The amount by which the market price of a bond is lower than its principal amount due at maturity.

**Budget:** Plan of financial operation, embodying an estimate of proposed expenditures for a given time period and the proposed revenue estimates of financing them. Upon approval by Council, the budget appropriation ordinance is the legal basis for expenditures in the budget year.

**Budget Modification:** A change in an amount in any budget line during the fiscal year.

**Budgeting for Outcomes:** A system driven by goals and performance, to provide information that compares budgeting, planning, and outputs/results.

**Capital Outlay/Assets:** Assets of significant value and having a useful life of several years. Capital assets are also referred to as fixed assets.

**Capital Improvement Program:** An annual, updated plan of capital expenditures for public facilities and infrastructure (buildings, streets, etc.), with estimated costs, sources of funding, and timing of work over a period of time.

**Capital Project:** Projects involving the purchase or construction of capital assets. Often a capital project encompasses the purchase of land and the construction of a building or facility, or major street construction or reconstruction. Design, engineering, or architectural fees are often a part of a capital project.

**Capital Projects Fund:** A fund created to account for financial resources and the payment of the acquisition or construction of capital assets such as public facilities, streets, etc.

**Classified Employee:** An authorized, budgeted position which is included in the City Pay Plan. Classified employees may be either full-time (1.0 FTE consisting of a 35 hour work week or equivalent) or part-time (0.5 FTE or greater, with a work week of a minimum of 20 and a maximum of 39 hours). These employees are covered by the City's Personnel Policies and Procedures Manual.

**Contractual Services:** Expenses that are usually incurred by entering into a formal agreement or contract with another party. Expenses included in this category can include utilities, insurance, repairs, professional fees or services.

**Debt Limit:** A limit on long-term borrowing.

**Debt Service:** Payment of principal and interest related to long-term debt.

**Depreciation:** A reduction in the value of an asset with the passage of time.

**Designated Fund Balance:** That portion of a fund balance that has been set aside for a specific purpose by the City Council.

**Enterprise Fund:** A fund established to account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**Expenditures:** Cost of goods received or services offered.

**Fiduciary Fund:** Fiduciary funds contain resources held by a government but belonging to individuals, or entities, other than the government such as a public employee pension plan.

**Fiscal Year (FY):** A 12-month period to which the annual operating budget applies and at the end of which a government determines its financial position and the results of its operations. The City of New Orleans' fiscal year is January 1 through December 31.

**Fringe Benefits:** Payments made by the City to cover pensions, health insurance, and other benefits to city employees.

**Full-time Equivalent Positions (FTE):** The hourly equivalent of a full-time employee. An FTE can be made up of either one full-time employee or two or more part-time employees whose total hours equal 35 per week.

**Fund:** An accounting entity with revenues and expenditures which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**Fund Balance:** The balance remaining in a fund after expenditures have been subtracted from revenues.

**General Fund:** The fund used to account for all financial resources except those required to be accounted for in another fund. The General Fund provides a majority of City services to the residents of New Orleans.

**General Obligation Bond:** Bonds for which the full faith and credit of the issuing government are pledged for payment.

**Governmental Fund:** Governmental funds are typically used to account for most of a government's activities. The City maintains 67 individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances for its five major funds: General Fund, Department of Housing and Urban Development (HUD) grant fund, Federal Emergency Management Agency (FEMA) fund, Debt Service Fund, and Capital Projects Fund.

**Grants:** Contributions or gifts of cash or other assets from another government or agency to be used or expended for a specified purpose or activity.

**Infrastructure:** Facilities, on which the continuance and growth of a community depend, such as streets, waterlines, etc.

**Input Measure:** The amount of resources invested, used or spent for services, products, or activities.

**Intergovernmental Revenue:** Revenue from other governments (i.e., County, State, Federal) in the form of grants, entitlements, or shared revenues.

**Internal Service Fund:** A fund used to account for the financing of services provided by one department to other departments of the City. Internal Service Funds are usually operated like a business.

**Judgements and Claims:** Expenditures which represent the City's cost for tort and contract liability.

**Lapsing Appropriation:** An appropriation made for a certain period of time, generally the budget year. At the end of the specified period, any unexpended or unencumbered balance lapses or ends, unless otherwise provided by law.

**Lease-Purchase Agreements:** Contractual agreements which are termed "leases" but which in substance amount to purchase contracts for equipment and machinery.

**Line Item Budget:** A type of budget which details allocations for Personal Services, Other Operating Expenditures, and Debt Service.

**Major Fund:** Any fund constituting 10 percent or more of the appropriated budget.

**Management Statistic:** A measure that is a workload indicator, or a measure of the amount of work that comes into an organization (such as the number of customers that come in for a service, or an outcome indicator influenced by factors outside the organization's control). Targets are not set for management statistics.

**Mill Levy:** Rate applied to Assessed Valuation of property to determine property taxes. A mill is 1/10th of a penny or \$1.00 of tax for each \$1,000 of assessed valuation.

**Modified Accrual Basis of Accounting:** An accounting method used to recognize revenues in the accounting period in which they become available (collectible) and measurable (known); and to recognize expenditures in the accounting period when the liability is incurred regardless of when of when the receipt or payment of cash takes place. (An exception is un-matured interest on long-term debt, which should be recorded when it is due.) The City uses this basis of accounting for its budget and audited financial statements.

**Non-Major Fund:** Special revenue funds used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes.

**Ordinance:** A formal legislative enactment by the Council. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the City.

**Other Operating Expenditures:** Expenses other than salaries and fringe benefits, such as supplies, equipment, utilities, and contractual services.

**Par:** The amount of principal that must be paid at maturity. The par value is also referred to as the "face amount" of a security.

**Performance Measure:** Measurements that reflect the service that is being provided and permit objective evaluation of the service program.

**Personal Services:** Salaries and compensated benefits for classified, unclassified, hourly, and seasonal employees.

**Position Schedule:** Sum of the full-time active positions in a title description.

**Result:** The effect or outcome desired for the public.

**Unclassified Employee:** An employee who is not a part of the Civil Service Commission's pay and classification system. This includes either Unclassified Management Employees or Hourly/Seasonal employees.

**Undesignated Fund Balance:** A portion of a fund balance that has not been designated or reserved for any specific use.

**User Fees:** The payment of a fee for direct receipt of a public service by the party benefiting from the service.

**Volunteer:** An unpaid City worker who provides services to the City as a public service. Volunteers typically do short-term projects or donate a small number of hours a month.

**Zero-Based Budgeting (ZBB):** a budgeting process implemented by the City that evaluates all city expenditures and services, benchmarking city productivity against industry standards to make budgetary decisions that are aligned to efficient service delivery.
