Re: Algiers Multi-Family Residential Standards Study

Dear Bob,

It has come to my attention that the City Planning Commission staff needs additional time to review and complete Algiers Multi-Family Residential Standards Study, especially considering recently proposed changes to the Master Plan.

Therefore, in order to allow the CPC and the Council to appropriately consider the Algiers Multi-Family Residential Standards Study, I will accept the CPC report later than originally outlined. I hereby extend the Council's completion timeline by 60 days.

Please provide public notice of this change in plans and the timeline going forward.

Sincerely,

A handwritten signature in blue ink that reads "Nadine".
