MASTER PLAN APPLICATION

APPLICATION FOR AMENDMENT TO PLAN FOR THE 21ST CENTURY: NEW ORLEANS 2030 (THE MASTER PLAN)

Complete Application Required: Use this form for all requests to amend Plan for the 21st Century: New Orleans 2030 (the Master Plan). The City will not process an application that does not have all the required items. To accept your application, each of the items listed under Required Components must be submitted at the same time.

Early Consultation: Prior to submitting an application, the applicant is required to set up a pre-application conference meeting with a City Planner to discuss the proposal. City Planning staff will provide the applicant with assistance and information on the application feasibility, decision criteria, review time, and whether a Neighborhood Participation Program (NPP) meeting is required.

Application Acceptance: All applicants are required to bring in one copy of the application package for informal review by a staff planner, prior to the formal application to ensure that the application is complete. Applications will be accepted at the City Planning Commission between 8:00 AM and 5:00 PM Monday through Thursday and between 8:00 AM and 3:30 PM Friday. No appointment is necessary for the formal application submittal; however, an appointment with a City Planner is necessary for the early consultation. Mailed, faxed or e-mailed applications will not be accepted.

Purpose: The Master Plan is a long-term vision for the future of New Orleans. It contains policy recommendations across a spectrum of topics, but with a particular focus on the built environment. Amendments reflecting updated information, changing trends, best practices, or community goals are generally either text changes or revisions to the Future Land Use Map (FLUM). Text amendments affect the policies of the comprehensive plan on a City-wide level. Map amendments influence the potential uses and development of specific properties. A FLUM amendment may affect a site's zoning designation when zoning is revised comprehensively or when a zoning change application is submitted. Text and map amendments must be consistent with the overall policy intent of the Master Plan. Justification for the change(s) within the context of the Master Plan is the responsibility of the applicant.

When to Apply and Process: In 2016, the amendment application period will begin on April 25th and close on August 31st. Once the amendment application packet is submitted for review, the City Planning Commission will arrange a public meeting and publish a notice in a local newspaper of general circulation at least fifteen days in advance of the meeting. In addition to the public meetings, the City Planning Commission will hold a public hearing(s) to approve, approve with modifications, or disapprove the proposed amendments. A staff report and recommendations will be available to aid the discussion. The Planning Commission's recommendation will be forwarded to the City Council for final disposition.
