Re: **Xavier University of Louisiana**
Master Plan Future Land Use Map Amendment Request

Members of the City Planning Commission:

We respectfully request an amendment to the City of New Orleans Master Plan Future Land Use Map. Since the Master plan was adopted in 2010, Xavier University has expanded its campus boundaries. In order for the campus to be designated consistently with the same Future Land Use category, we propose that all Xavier University property not currently designated as INS – Institutional (outlined in Attachment B), be amended to reflect such. This would allow Xavier University to request a zoning change to EC Educational Campus and accommodate consistent development requirements throughout campus.

If you have any questions, please do not hesitate to contact our Master Planning team at nicholas@manningarchitects.com.

Sincerely,

Marion B. Bracy
Vice President of Facility Planning and Management

Dear Neighbor:

Xavier University invites you to attend a community meeting to discuss plans to amend the City of New Orleans Future Land Use Map as well as proposed zoning changes on select University properties.

In this meeting, we will discuss the following two applications that will be submitted to the City Planning Commission:

1. **City of New Orleans Master Plan Future Land Use Map Amendment**
   The appropriate Future Land Use designation for university campuses is INS – Institutional. However, Xavier University has expanded its campus boundaries since the City last updated its Future Land Use Map. The City Planning Commission has provided the opportunity to update the Future Land Use Map to reflect this campus expansion.

2. **Zoning Change**
   We will also apply for a zoning change to EC Educational Campus for select properties on the West Campus.

The meeting will take place:

Monday, July 25, 2016 at 6:00 pm
Xavier University Convocation Center Annex, Rm. 111 (indicated by the map on the other side)

This letter is being delivered through U.S. mail and through email. A sign-in sheet will be provided so that email updates can be sent to all invitees. We thank you in advance for your participation.

Sincerely,

Marion Bracy, Vice President of Facilities Planning
