SPECIAL EVENT PERMIT GUIDE & APPLICATIONS

special events@nola.gov

http://www.nola.gov/ special-events/

INTRODUCTION

The following pages include all of the applications you could need to hold a festival, market, outdoor concert, race/marathon, professional sporting event, wedding, trade show, block party or second line. Before each application, we have included an explanation of the process and instructions to help you better navigate the permitting process for your event, big or small. We also have provided you with a checklist for required attachments. Without these attachments, your applications will not be processed. At the end of this Guide are reference materials: a fee list and application index.

Every event in the City is a chance for us to share with visitors and each other the culture of New Orleans, and bring our neighborhoods closer together. Thank you for making this vital part of our cultural economy possible.

In New Orleans, festivals are a way of life. With over 120 festivals, events, and outdoor markets, the City has more festival days than weekend days in a year. These events feature our world-renowned cuisine, unique visual art, and unparalleled musical talents.

The City of New Orleans wishes to nurture its festivals and events, from the smallest neighborhood get-together to Mardi Gras. Not only do our festivals bring in over \$760 million in economic impact and 2.2 million attendees each year, but they also are intrinsic to the quality of life in the city, provide jobs for workers, and express our identities as New Orleanians to each other and the world.

OVERVIEW

After you complete the relevant permit applications, please detach the pages from the booklet and bring them into the One Stop at City Hall, 1300 Perdido Street, 7th Floor. Individual applications and more are available at the <u>One Stop website</u>. You will be contacted by the One Stop as your application is being processed. You may be contacted by individual permitting departments if they have specific questions about your application or need more information to process your request.

Please note that most public special events must obtain a Promoter's Occupational License and Mayoralty Permit (Supplement A). It is required that you answer ALL questions on the Master Application so that all necessary permits can be acquired. Please read through it carefully and provide all requested information.

THE OFFICE OF CULTURAL ECONOMY, THE CITY COUNCIL, THE MAYOR'S OFFICE, AND/ OR THE INDIVIDUAL PERMITTING DEPARTMENTS (I.E. SAFETY & PERMITS) NO LONGER ACCEPT APPLICATIONS. PLEASE READ THE GUIDE CAREFULLY AND REMIT APPLICATIONS TO THE ONE STOP SHOP ON THE 7TH FLOOR OF CITY HALL, OR YOU CAN VISIT THE ONE STOP ONLINE AT http://www.nola.gov/special-events/ FOR ONLINE APPLICATIONS.

FOR BEST RESULTS AND OPTIMUM SERVICE, <u>PLEASE BEGIN THE PERMITTING PROCESS AT LEAST 90 DAYS AHEAD OF YOUR EVENT.</u>

MASTER APPLICATION

The Master Application helps us determine what permits and licenses you will need for your event. Permitting is generally done by item and activity. So tents need a tent permit, a parade needs a parade permit, serving alcohol requires a temporary alcoholic beverage license, etc. Please be sure to answer all of the questions on the next page so that your event will not miss any legally required permits.

The Master Application also includes basic information that may be included on the online calendar and, most essentially, your Event Location information.

NOTE THAT SECURING THE EVENT LOCATION IS REQUIRED FOR ALL EVENTS. IF YOU ARE HOLDING A SPECIAL EVENT, YOU MUST READ AND COMPLETE THE FOLLOWING PER- MISSIONS OR PROCESSES TO SECURE YOUR LOCATION.

Please look through the following items below and obtain the relevant permissions to use the property for a special event. If you are not sure if your event is located in a special district or other type of area detailed below, please contact specialevents@nola.gov.

- If the event is taking place on a neutral ground or other public green space, fill out the Supplement D application.
- If the event is taking place in a NORDC (New Orleans Recreation Development Commission) play-ground, parkor facility, please fill out the Supplement D application.
- If the event is taking place on public property, contact the Department of Public Property Management to obtain written approval: Adrienne Recasner, 504-658-3600, aarecasner@nola.gov.
- If the event is located on private property not belonging to organization holding the event, secure written approval from the property owner. This can be in the form of a lease, rental agreement, or a letter granting permission.
- If the event is taking place in the street, please see the Street Closure section below and fill out Supplement B.

EVENT SCREENING QUESTIONNAIRE - Please answer every single question on this page.

The following questions will determine the correct application supplements that will be required for your event to be fully permitted. Any permit or license may be revoked if there has been misrepresentation in the permit or license application with respect to the nature and location of the activity. If you answer "Yes" to any question next to a Supplement, that Supplement must be submitted with this application. If you answer "Yes" to more than 1 question with the same Supplement listed to the right, only one copy of that Supplement is required.

SUPPLEMENT A

PROMOTER/ORGANIZER

PLEASE NOTE THAT ALMOST ALL EVENTS MUST OBTAIN A PROMOTER OCCUPATIONAL LICENSE AND MAYORAL-TY PERMIT. File Supplement A for Promoter Occupational License and Mayoralty Permit.

All Promoters that are including independent vendors at their event must include a vendor list with their application. A template vendor list follows these instructions. Vendor lists must include the Vendor Business Name, Contact Name, Mailing Address, Phone Number, and Account Number. A sample Occupational License with this number circled will follow these instructions. The nine-digit account number appears in the lower left-hand corner of the vendor license.

All for-profit Promoters that are including 3 or more vendors must obtain a Sales Tax Payment Performance Bond of \$10,000 before being issued their event permits. Inquire atthe One Stop Shop for more details on obtaining a bond and whether your organization and event require a bond.

VENDOR LICENSE APPLICATIONS BY PROMOTERS

The One Stop is now offering a more efficient way to register your vendors for licenses. Submit a vendor list like the example below, along with a check for the total amount of vendor registration. It is strongly suggested that you charge the \$50 license fee to your vendors as part of their booth or participation fee.

The Department of Revenue will contact you when all vendor licenses are ready to pick up. If your vendors already have a special event occupational license like the one shown below, you can supply the account number on the spreadsheet in lieu of the \$50 fee.

*NOTE: Some businesses have an occupational license that authorizes them to operate at their normal brick and mortar location or as a mobile food truck, etc. Such a license does not replace a vendor's license. Please review the licenses of anyone signing up to be a vendor to make sure that it states "Special Event – Vendor" like the example below.

SUPPLEMENT A (cont.)

VENDOR LICENSE APPLICATIONS BY VENDORS

File Supplement A if you are a Vendor at a special event or trade show. Each calendar year from January 1st through December 31st, any vendor at a special event or trade show will need to fill out the Supplement A to obtain the Trade Show Vendor Occupational License. This applies to vendors selling all items and also food vendors.

Mobile food trucks that already have an occupational license will also have to acquire this license in order to vend at the event beyond allotted parking times, or to supersede other normal restrictions.

Artists/Vendors who sell ONLY their own hand-made crafts/ art and are Louisiana residents may be exempt from the \$50 fee. Please note that hand-made items may not include altered clothing or other crafts that are not composed of material that is primarily crafted by the hand of the vendor, and the Bureau of Revenue will make the final decision on what qualifies.

Please note that if the applicant is a first-time Trade Show Vendor, you will only be licensed if you are part of a special event and the promoter has included you on their vendor list. New vendors will also need to bring in a letter from the promoter stating that they are an official vendor for the specific event. Once you have obtained your license, you may then use it at other events throughout the calendar year until December 31st and renew it annually in January.

SALES TAXES FOR PROMOTERS & VENDORS

Vendors and Promoters at Special Events and Trade Shows, must pay sales tax to the City of New Orleans. See www.nola.gov/en/BUSINESSES/Bureau-of-Revenue/ for more information and to obtain forms or to contact the Bureau of Revenue directly. Sales Taxes can also be paid online using the link above.

If a vendor is selling original art and the event is taking place in a Cultural Products District, the vendor does not have to pay sales tax to the city, but MUST file a sales tax return claiming the exemption.

See www.nola.gov/cultural-products-districts/ for more information on the Cultural Products Districts or contact specialevents@nola.gov.

SUPPLEMENT A (cont.)

TEMPORARY ALCOHOLIC BEVERAGE OUTLET LICENSES

File Supplement A if the event will be selling or giving awayalcoholic beverages. The Temp. ABO can last a maximum of 3 consecutive days (by state law). Please note there is a maximum cap of local Temp. ABOs for any entity of 12 per year. Once you have applied for your local license, be sure to write down the permit number of your application.

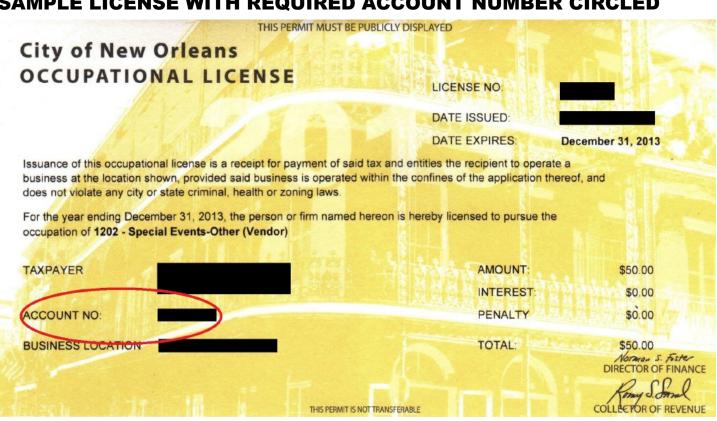

Next, acquire a State Temporary ABO License. Take your New Orleans permit number with you and apply a minimum of 10 days in advance of your event. The ATC has opened an office in New Orleans in Benson Tower, 1450 Poydras St., Ste. 850, New Orleans, LA 70112.
